ACT

To amend the National Parks Act, 1976, so as to define "Minister" anew and to extend the definition of "park" and "the parks"; to further regulate the establishment of national parks; to further regulate the functions and powers of the National Parks Board of Trustees; to make other provision for the payment of money from the National Parks Land Acquisition Fund; to further regulate the levying of taxes on land or a building situated in a national park; to further regulate the prohibition of prospecting and mining in a national park; and to further regulate certain rights of certain owners of a national park; and to provide for matters connected therewith.

(Afrikaans text signed by the State President.)
(Assented to 22 April 1986.)

BE IT ENACTED by the State President and the Parliament of the Republic of South Africa, as follows:—

1. Section 1 of the National Parks Act, 1976 (hereinafter referred to as the principal Act), is hereby amended—
- 5 (a) by the substitution for the definition of "Minister" of the following definition:
 "Minister" means the Minister of Environment Affairs and **[Fisheries]** **Tourism;**"; and
- 10 (b) by the substitution for the definition of "park" and "the parks" of the following definition:
 "park" or "the parks" means a national park or the national parks established by or in terms of section 2, **2A or 2B;**".
- 15 2. The following section is hereby substituted for section 2 of the principal Act:
- Existing parks. 2. (1) Each area defined in Schedule 1 shall be a national park under the name assigned to it in that Schedule.
- 20 (2) The **[State President]** **Minister** may by **[proclamation]** **notice** in the *Gazette*—
- 25 (a) declare any other area **[, including land—**
- (i) in respect of which the Minister of Community Development, with the concurrence of the board, has decided not to acquire any particular or all the mineral rights; or
- (ii) that has been made available by the owner thereof by agreement with the Minister for the purposes of a national park for such
