THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, but the Editor welcomes contributions of suitable artistic and scientific merit from kindred institutions.

Each part contains 10 plates. Two parts are published in one cover and costs R15 per issue of two parts (other countries R16 per issue). Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Rexine binding, R40; de luxe binding R45 (other countries, rexine binding R45; de luxe binding R50).

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

Sales tax must accompany inland orders.

DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die Redakteur verwelkom geskikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk in een omslag gepubliseer, maar met onreëlmatige tussenpose; elke deel bevat 10 kleurplate. Intekengeld bedra R15 per uitgawe van twee dele (buitelands R16 per uitgawe): Vier dele per band. Vanaf band 27 is die prys per band in rexine gebind R40; in luukse rexine gebind R45. (Buitelands, rexine gebind R45; luukse band R50).

Verkrygbaar van die Direkteur, Afdeling Landbouinligting, Privaatsak X144, Pretoria.

Verkoopbelasting moet by binnelandse bestellings ingesluit word.

COMMENTS ON RESULTS

The profit after tax for the second half of the financial year was a pleasing improvement over the first half and was better than expected. The satisfactory results for the year were mainly attributable to a strong export performance and reduced interest rates and borrowings. The company also enjoyed increased domestic profitability which resulted in a higher effective rate of taxation. It is not anticipated that these results will be improved upon in 1987.

THE AA MUTUAL SHORT-TERM INSURANCE BUSINESS (IN LIQUIDATION)

(THE BUSINESS)

NOTICE TO CREDITORS

We refer to the notice dated 22 July 1986 which appeared in the press during July and August 1986 and in particular to paragraph 2.2 thereof.

We advise that due to the enormity of the task (there are approximately 600 000 creditors in all) it has not been possible to advise the creditors referred to in paragraph 2.2 by letter in the time stipulated. It is now anticipated that all such creditors should be advised by 28 February 1987.

We report on progress in the liquidation as follows:

1. **Realisation of assets:**

Every effort is being made to realise the assets of the business at the best possible prices as expeditiously as possible. Certain problems are being encountered in regard to:

1.1 Collection of debts and outstanding premiums where the debtors are disputing liability or querying the amounts claimed. These are receiving attention.

1.2 Ownership of certain assets where The AA Mutual Insurance Company Limited is claiming certain rights as opposed to rights of the business.

2. **Establishing of liabilities:**

It has not been possible to date to establish eht liabilities of the business for various reasons, *inter alia:*

2.1 Many claims on policies are subject to query and/or legal action.

2.2 Only when debts in respect of premiums have been collected (see paragraph 1.1) will it be possible to establish the extent of the liability for the unexpired portion of premiums.

2.3 Claims arising out of reinsurance arrangements are still being investigated.

3. **Financial position:**

For the reasons outlined in paragraphs 1 and 2 above, it is not possible at this stage to establish the actual financial position of the business. However, we can advise that funds on hand and invested in interest bearing accounts with interest being earned for the benefit of creditors total approximately R50 000 000. If all the assets claimed by us are realised, it is anticipated that the realisation could amount to R100 000 000.

4. **Enquiry:**

Pursuant to an application by the liquidators the Supreme Court has authorised two enquiries into the affairs of the business in terms of the provisions of Section 417 of the Companies Act No. 61 of 1973, as amended. These will be:

4.1 into the general affairs of the business which commences on 3 November 1986;

4.2 into the debts due to the business (see paragraph 1.1 above) which will commence in the near future.

Further reports will be issued from time to time by way of newspaper publication.
