Verwoerd Hosptilas. Since this old age home is situated about two kilometers from road used by authorised taxis, they have been charged exorbitant prices for been pickedup at old age home by taxis bound for Pretoria. (b) The situation is further aggravated by the fact that some drivers don't even know how to care for grown-up people. Some have complaint to me as an owner of restricted taxis that they have been handled very rough by taxi drivers. (c) I submit with due respect to that the deletion of restriction will not affect any of existing authorised taxis operating to Pretoria City Council. Mamelodi Gardens is a newly developed residential area, just two kilometers from Mamelodi Centre. It is situated on the Southern Eastern side of Mamelodi. (2) It has approximately 900 houses which are already allocated to 4 500 people, with no shopping centre ready yet only Mamelodi day Clinic. (3) The situateion is further aggravated by the fact that the number of commutters in Mamelodi itself out numbers authorised taxis. That is why pirates and wrong-route taxis are encouraged to help in conveying passengers from Mamelodi and Mamelodi Gardens daily. This can be proved by the prosecution records of first national transport board inspectors and or city council traffic inpsectors.
