(1) OT2597 Germiston. (2) R Makhwathana/ID 6011230160609/New application. (3) 1×15 Seater Combi. (4) Black taxi passengers and their personal effects. (5) **FORWARD JOURNEY:** Departure point is at the Railway Street taxi rank situated in Germiston. As vehicle exits taxi rank, he turns right at 4-way stop crossing into Railway Street from where vehicle turns left into Park Street and then travels in a south-westerly direction until Park Street later becomes Jack Street. Jack Street crosses Refinery Road and meets up automatically with the M2 main road leading from Germiston area to Johannesburg. Vehicle takes the turn-off into a northerly direction onto the N3 motorway leading to Pretoria which later meets up with the N1 motorway in the Halfway House area. Vehicle then continues in a northerly direction on the N1 motorway travelling from Johannesburg to Pretoria until reaching the intersection with the R28 motorway approximately 18 km from the Fountain intersection in Pretoria. Vehicle continues on the N1 north passing the eastern suburbs of Pretoria (the Pietersburg motorway). At this point of the route the vehicle has two options of which to choose from depending on the individual destinations of the passengers concerned. As vehicle passes Pretoria on the N1 and approaching the turn-off to Cullinan and Wonderboom, this is the point where the two options becomes relevant:

Option 1

Vehicle will continue on the N1 and eventually passes the Black township of Hammanskraal as well as Pienaarsrivier Township until reaching the turn-off to Settlers. At T-junction vehicle turns right following easterly direction and travels on R516 until reaching the R33 to Crecy, where vehicle turns left and travels north until reaching turn-off to Roedtan where vehicle turns right into an easterly direction and travels on the R519 until passing Roedtan and meeting up via a four-way crossing with the road from Potgietersrus to Marble Hall. Vehicle continues over the crossing for approximately 40 km in a north-easterly direction on the R519 until reaching cross road to Chuenespoort (route 518). Vehicle turns right and travels east until reaching 3-way junction with R37. Vehicle turns right again and enters the black homeland for the area of Chuenespoort.

Option 2

Vehicle will take the turn-off to Cullinan and Wonderboom. At 3-way road crossing, vehicle will turn right (on R513) and approximately 400 metres later, turn left at 4-way crossing to Moloto. Vehicle will pass Roodeplaat Dam and travel through Marble Hall via its main road. This is the point where taxi makes its first off-loading stop on the forward journey only. Vehicle continues straight in a northerly direction and passes Gompies until entering the black homeland for Zebediela via R519 from where vehicle makes its second off-loading stop of the journey. Note that no passengers will be picked up at any of the off-set points as applicant does not wish to interfere with the local taxis in the areas concerned. From Zebediela the vehicle travels north until T-junction with R519 where vehicle turns right to the homelands of Chuenespoort from where all passengers will be set off due to the fact that the vehicle has reached its destination. It must be stressed, however, that passengers located in the Chuenespoort area will be set off at individual destinations for convenience and safety purposes. Applicant overnights with family in Chuenespoort where he will rest and perform necessary service and check-ups to his vehicle. Applicant requires the privilege of transporting passengers in and around Chuenespoort and to Pietersburg via the R37 due to inadequacy of present transport facilities in that area. Applicant does not wish to transport locally in and around the Pietersburg area though, for the simple reason that he does not wish to interfere with the present local taxi services.

RETURN JOURNEY:

As per forward journey in reverse except that vehicle will only make use of the route as described in Option 1 of the forward journey. Option 2 is ignored at all times for the return journey. On the return journey passengers will be set off at either first stop Hammanskraal, second stop Pretoria, third stop Kempton Park or the fourth stop, which is the final destination, Germiston where passengers are set off at the taxi rank situated in Railway Street.
