COMMENT

1. Dividends for the 9 months to 30 September 1989 (the Fund's new financial year end) totalled 10,65 cents per unit compared with 9.60 cents per unit for the corresponding period last year. This represents an increase of 10,9%.

2. Umdoni's earnings growth has resulted largely from the improved rental levels which have been achieved from annual escalations and the review or renewal of leases during the period under review. A further 31% of Umdoni's leases fall due for renewal or review during the comming financial year.

3. The portfolio was almost fully let throughout the period under review and at the year end only 0,8 % of the lettable space remained vacant.

4. Umdoni spent R4,0 million during the 9 months to 30 September 1989 on developing and improving existing properties in the portfolio. The Fund sold one of its property companies for R0,85 million which realised a small capital surplus. At the year end Umdoni had available R4,1 million for future investments, which has been committed to the development of central undeveloped industrial land that has been in the portfolio since inception.

5. The geographical and usage spreads of the porfolio remain little changed from the previous year.

6. Copies of the annual report will be mailed to unitholders on or about 29 November 1989.

PROSPECTS

The rise in market rentals over the past year has resulted in improved income from those leases reviewed or renewed within the Fund's portfolio. As market rental levels have thus far maintained their new thresholds this pattern will continue as further leases are reviewed during the year ahead.

DIVIDEND DECLARATION

Notice is hereby given of the declaration of Dividend No. 24 in respect of the income distribution period 1 July to 30 September 1989. The dividend amounts to 3,65 cents per unit, and is payable to unitholders registered as such in the books of the Trust, at the close of business on 10 November 1989.

Non-resident shareholders' tax at the average rate of 13,98 % will be deducted from all dividends paid to unitholders registered at addresses outside the Republic of South Africa.

COMMENT

1. The distributable income from Tamboti for the 9 months ended 30 September 1989 (the Fund's new financial year end) is 10,7 % higher than for the same period last year.

2. At the date of this report the Fund has fully invested its capital resources. The development of the new Protea Assurance head office fronting Greenmarket Square in Cape Town is proceeding satisfactorily. Tamboti has an undivided 25 % share of this prime central city development. All the offices are covered by a Protea Assurance head lease and the retail space is currently attracting much interest from prospective tenants.

3. The portfolio remained almost fully let throughout the period under review, the vacancy factor being 0,4 % of lettable space at the year end.

4.The majority of the leases in the portfolio are fully repairing. Tamboti had relatively few leases reviewed or renewed during the 9 months to 30 September 1989 but has 21,2 % falling due for renewal or review during the coming financial year.

5. Tamboti remains predominantly Transvaal based with 66 % of the current market value of the portfolio located on the Reef. Of the balance. 30 % is in the greater Durban area and 4 % in Cape Town.

6. Copies of the annual report will be mailed to unitholders on or about 29 November 1989.

PROSPECTS

The new rental thresholds that have been established during the past year in both the industrial and commercial markets will have a significant impact upon the Fund's earnings as and when current leases fall due for review or renewal during the next 24 months.

DIVIDEND DECLARATION

Notice is hereby given of the declaration of Dividend No. 7 in respect of the income distribution period 1 July to 30 September 1989.
