GOVERNMENT NOTICE

DEPARTMENT OF MANPOWER

No. 560 25 March 1994

COMPENSATION FOR OCCUPATIONAL INJURIES AND DISEASES ACT, 1993 (ACT No. 130 OF 1993)

I, Louis van Assen, Compensation Commissioner, hereby give notice that, after consultation with the Dental Association of South Africa, and acting under the powers vested in me by section 76 of the Compensation for Occupational Injuries and Diseases Act, 1993 (Act No. 130 of 1993), I withdraw the "Scale of Fees for Dental Aid" published in Government Notice No. 489 of 26 March 1993 and any amendments to such Scale of Fees, and prescribe the "Scale of Fees for Dental Aid" inclusive of the General Rules and General Modifiers applicable thereto, appearing in the Schedule to this notice, with effect from 1 April 1994.

The fees appearing in the Schedule are applicable in respect of payments authorised with effect from 1 April 1994 irrespective of the date of accident in respect of which payments are made and **exclude VAT**.

L. VAN ASSEN,
Compensation Commissioner.

BYLAE**TARIEF VIR TANDHEELKUNDIGE DIENSTE****ALGEMENE REÛLS BETREFFENDE DIE TARIEF**

- 001** 'n Konsultasie sluit 'n ondersoek en kartering in. Geen verdere konsultasiegeld mag gehef word alvorens die behandelingsplan wat uit hierdie aanvanklike konsultasie voortspruit, afgehandel is nie. Hierdie reël is van toepassing slegs op tariefitems 8101 en 8103.
- 002** Uitgesonderd in die gevalle waar die bedrag vasgestel word "volgens ooreenkoms", moet die bedrag vir die lewering van 'n diens wat nie in die tarieflys vermeld word nie, gebaseer word op die bedrag vir 'n vergelykbare diens wat wel daarin vermeld word.
- 003** in die geval van 'n langdurige of duur tandheelkundige diens of prosedure, moet die tandarts vooraf by die Kommissaris vasstel of hy geldelike aanspreeklikheid vir sodanige behandeling sal aanvaar.
- 004** In buitengewone gevalle waar die tariefgelde buite verhouding laag is met betrekking tot die werklike dienste deur 'n tandarts gelewer, kan sodanige hoër gelde gehef word soos deur die tandarts en die Kommissaris ooreengekom.
- Aan die anderkant, as die gelde buite verhouding hoog is met betrekking tot die werklike dienste gelewer, moet 'n laer bedrag as dié wat in die tarief aangegee word, gevra word.
- 005** Behalwe in buitengewone gevalle moet die dienste van 'n spesialis beskikbaar wees slegs op die aanbeveling van die tandarts of algemene praktisyn wat oor die geval gaan. Praktisyns wat gevalle verwys, moet vir die spesialis aandui dat die pasiënt kragtens die Wet op Vergoeding vir Beroepsbeserings en siektes behandel word.
- 007** "Gewone spreekure" is tussen 08:00 en 17:00 op weksdae en tussen 08:00 en 13:00 op Saterdag.
- 008** 'n Tandarts moet sy rekening ten opsigte van behandeling kragtens die Wet aan die betrokke werksman se werkgever stuur.
- 009** Tandartse in algemene praktyk is daartoe geregtig om twee derdes van die gelde van spesialiste te vra slegs vir behandeling wat nie in die tarieflys vir tandartse in algemene praktyk aangegee word nie. 'n Spesialis wat 'n behandeling uitvoer of wat nie aangegee word in die tarieflys vir sy spesialiteit nie, moet dieselfde geld vra as dié vir tandartse in algemene praktyk of, indien sodanige behandeling nie in die tarieflys vir tandartse in algemene praktyk aangegee word nie, dat twee derdes van die geld in die toepaslike spesialistatarieflys. Op die rekening moet sodanige behandeling aangetoon word teenoor die kode 8004.
- 010** Die geld wat 'n tandtegnikus vra (+L), moet op die tandarts se rekening aangedui word teenoor die kode 8099. Sodanige rekening van die tandarts moet vergesel gaan van die werklike rekening van die tandtegnikus (of 'n afskrif daarvan), en die rekening van die tandtegnikus moet die handtekening van die tandarts (of sy gevolmagtigde) dra as bewys dat dit korrek saamgestel is. "L" bestaan uit die geld wat die tandtegnikus vir sy dienste vra, asook uit die koste van tande. Byvoorbeeld, tariefitem 8231 word soos volg gespesifiseer:

	R
8231	X
8099 (8231)	Y
	<u>R(X+Y)</u>

SCHEDULE**SCALE OF FEES FOR DENTAL SERVICE****GENERAL RULES GOVERNING THE SCALE OF FEES**

- 001** A consultation shall include an examination and charting. No further consultation fee shall be chargeable until the treatment plan resulting from this initial consultation has been discharged. This rule applies only to tariff items 8101 and 8103.
- 002** Except in those cases where the fee is determined "by arrangement", the fee for the rendering of a service which is not listed in this scale of fees shall be based on the fee in respect of a comparable service that is listed herein.
- 003** In the case of a prolonged or costly dental service or procedure, the dental practitioner shall ascertain beforehand from the Commissioner whether he will accept financial responsibility in respect of such treatment.
- 004** In exceptional cases where the fee is disproportionately low in relation to the actual services rendered by a dental practitioner, such higher fee as may be agreed upon between the dental practitioner and the Commissioner, may be charged.
- Conversely, if the fee is disproportionately high in relation to the actual services rendered, a lower fee than that in the Scale of Fees should be charged.
- 005** Save in exceptional cases the services of a specialist shall be available only on the recommendation of the attending dental or medical practitioner. Referring practitioners shall indicate to the specialist that the patient is being treated under the Compensation for Occupational Injuries and Diseases Act.
- 007** "Normal consulting hours" are between 08:00 and 17:00 on weekdays, and between 08:00 and 13:00 on Saturdays.
- 008** A dental practitioner shall submit his account for treatment under the Act to the employer of the workman concerned.
- 009** Dentists in general practice shall be entitled to charge two thirds of the fees of specialists only for treatment that is not listed in the tariff of fees for dentists in general practice. Any specialist performing any treatment not listed in the tariff of fees for his speciality shall charge the same fee as that for dentists in general practice or, if such treatment does not appear in the tariff of fees for dentists in general practice either, then two-thirds of the fee listed in the appropriate specialist tariff of fees. Such treatment shall be indicated on the account against the code 8004.
- 010** Fees charged by dental technicians for their services (+L) shall be shown on the dentist's account against the code 8099. Such dentist's account shall be accompanied by the actual account of the dental technician (or a copy thereof) and the account of the dental technician shall bear the signature of the dentist (or the person authorised by him/her) as proof of that it has been compiled correctly. "L" comprises the fee charged by the dental technician for his services as well as the cost of teeth. For example, tariff item 8231 is specified as follows:

	R
8231	X
8099 (8231)	Y
	<u>R(X+Y)</u>

011 Ter aanpassing van spesifieke tariefitems by sekere omstandighede is dit nodig om onderstaande wysigings op die rekening aan te bring:

- 8002 Die toepaslike geld plus 50%.
- 8003 Die toepaslike geld plus 10%.
- 8004 Twee-derdes van die toepaslike geld.
- 8005 Die toepaslike geld tot 'n maksimum van R119,10.
- 8006 50% van die toepaslike geld.
- 8007 15% van die toepaslike geld.
- 8008 Die toepaslike geld plus 25%.
- 8009 75% van die toepaslike geld.

012 In gevalle waar behandeling nie in die tandheelkundige geldetarief vir tandheelkundige dienste gelewer deur algemene tandheelkundige praktisyns of spesialiste gelys is nie, word die toepaslike gelde, soos gelys in die mediese geldetarief, gehef.

013 Betaling ten opsigte van behandeling wat nie in die tarief ingesluit is nie, maar ten opsigte waarvan die Kommissaris aanspreeklikheid aanvaar het, asook die van enige bedrag wat aangegee word vir 'n diens wat in die tarief ingesluit is, is in volle en finale vereffening vir die behandeling of prosedure wat aan die werksman gelewer is, soos in artikel 76 van die Wet in die geval van geneeshere bedoel word.

014 Betaling sal slegs gedien word vir dienste indien dit regstreeks uit die ongeval voorspruit. Geen aanspreeklikheid sal byvoorbeeld ten opsigte van goudinlegsels in gebroke kunsgebite aanvaar word nie waar dit bloot om kosmetiese redes gedoen word.

015 Waar 'n algemene narkose deur 'n tandarts toegedien word, moet die vordering daarvoor wees soos in item 8499 uiteengesit.

016 8279 en 8281 Volle- en Gedeeltelike Kunsgebit met Metaalbasis: Die gelde vir hierdie items verwys slegs na die metaalbasis. Addisionele gelde word gehef vir die volle- of gedeeltelik kunsgebit wat aan die basis geheg word.

Verduidelikings:

8132 Noodbehandeling van die Wortelkanaal

'n Nood-wortelkanaal behandeling (8132) mag nie gelyktydig met 'n voltooide wortelkanaal behandeling uitgevoer word nie, ook mag geen ander endontiese gelde gehef word tydens dieselfde besoek nie.

8279 en 8281 Volle- en Gedeeltelike Kunsgebite met Metaalbasis

Die gelde vir hierdie items verwys **slegs** na die **metaalbasis**. Addisionele gelde word gehef vir die volle- of gedeeltelike kunsgebit wat aan die basis geheg word.

011 For the adjustment of specific tariff items to certain circumstances, it is necessary to show the following modifiers on the account:

- 8002 The appropriate scheduled fee plus 50%.
- 8003 The appropriate scheduled fee plus 10%.
- 8004 Two-thirds of appropriate scheduled fee.
- 8005 The appropriate scheduled fee to a maximum of R119,10.
- 8006 50% of the appropriate scheduled fee.
- 8007 15% of the appropriate scheduled fee.
- 8008 The appropriate scheduled fee plus 25%.
- 8009 75% of the appropriate scheduled fee.

012 In case where treatment is not listed in the dental tariff of fees for dentists in general practice or specialists then the appropriate fee listed in the medical tariff of fees shall be charged.

013 Payment of a fee in respect of treatment not listed in the Scale of Fees but for which the Commissioner has agreed to accept liability, and of any fee reflected in respect of a service listed in the Scale of Fees, shall be in full and final settlement for the treatment or procedure given to the workman as is contemplated under section 76 of the Act in respect of medical practitioners.

014 Payment shall only be made for services required as a direct result of the accident. No liability would e.g. be accepted for gold fillings in broken dentures for cosmetic purposes only.

015 Where a general anaesthetic is administered by a dental practitioner, the fee charged shall be set out in item 8499.

016 8279 and 8281 Metal Base to Full and partial Dentures: The fees for these items refer to the metal base only. An additional fee is then charged for the partial or full denture which is fitted to the base.

Explanations:

8132 Emergency Root Canal Treatment

An emergency root treatment (8132) can not be followed by a completed root treatment nor may any other endodontic fee items be charged at the same visit

8279 and 8281 Metal Base to Full and Partial Dentures

The fees for these items refer to the **metal base only**. An additional fee is then charged for the partial or full denture which is fitted to the base.

Kyk Reël 011

- Indien die prosedures van tariefitems 8201 tot en met 8218 uitgevoer word deur spesialiste in kaak-, gesig-, en mondchirurgie, is die gelde gelyk aan die toepaslike tariefgelde plus 50 persent (8002).
- Die gelde vir meer as een operasie of prosedure **via dieselfde insnyding uitgevoer**, word bereken as die geld vir die hoofoperasie plus die tariefgeld van die bykomende operasie tot 'n maksimum van R93,60 vir elke sodanige operasie of prosedure (8005).
- Die gelde vir meer as een operasie of ingreep onder dieselfde narkose maar via 'n ander insnyding uitgevoer, word bereken as die geld vir die hoofoperasie plus—
75% vir die tweede prosedure/operasie (8009).
50% vir die derde prosedure/operasie (8006).

Hierdie reël is nie van toepassing nie waar twee of meer onverwante operasies deur praktisyne van verskillende spesialiteite uitgevoer word, in welke geval elke praktisyne geregtig is op die volle geld vir sy operasie.

SPECIALIST MAXILLO-FACIAL AND ORAL SURGEONS

(M) (See rule 009)

See Rule 011

- If procedures under tariff items 8201 to 8218 inclusive are carried out by specialists in maxillo-facial and oral surgery, the fees shall be equal to the appropriate tariff fee plus 50 per cent (8002).
- The fee for more than one operation or procedure **performed through the same incision** shall be calculated as the fee for the major operation plus the tariff for the subsidiary operation to a maximum of R93,60 each such subsidiary operation or procedure (8005).
- The fee for more than one operation or procedure performed under the same anaesthetic but through another incision shall be calculated on the tariff fee for the major operations plus—
75% for the second procedure/operation (8009).
50% for the third procedure/operation (8006).

This rule shall not apply where two or more unrelated operations are performed by practitioners in different specialties, in which case each practitioner shall be entitled to the full fee for his operation.

Indien daar binne vier maande 'n tweede operasie vir dieselfde toestand of besering uitgevoer word, is die gelde vir die tweede operasie die helfte van die vir die eerste.

Die tariefgeld vir 'n operasie sluit in, tensy daar anders vermeld word, die normale na-operatiewe versorging vir 'n tydperk van hoogstens vier maande. Indien 'n praktisyn nie self die na-operatiewe versorging voltooi nie, moet hy reël dat dit voltooi word sonder bykomende heffing: Met dien verstande dat, in die geval van na-operatiewe behandeling van 'n langdurige of gespesialiseerde aard, sodanige gelde gehef kan word as waarop die praktisyn en die Kommissaris ooreengekom het.

- (W) 4. Die bedrag aan 'n algemene praktisyn-assistent betaalbaar word bereken op 15 persent van die geld van die praktisyn wat die operasie uitvoer, met 'n minimum van R56,30 (8007).

Die bedrag aan 'n kaak-gegis- en mondchirurg-assistent betaalbaar word bereken op 33,33% van die toepaslike geld. (Wysiger 8001). Die assistent se naam moet op die rekening wat gelewer word verskyn.

- (W) 5. Die bykomende gelde vir alle lede van die snykundige span vir na-ure noodoperasies sal bereken word deur 25% by die tariefgeld vir die prosedure of prosedures uitgevoer by te voeg (8008).

Kyk Reël 012

In gevalle waar behandeling nie in die tandheelkundige geldetarief vir algemene praktisyns of spesialiste gelys is nie, sal die toepaslike gelde, gelys in die mediese geldetarief gevra word, en die mediese gelde tariefitem moet aangedui word.
