The Juta-State Library Index to the Government Gazette

The *Juta - State Library Index to the Government Gazette* provides quick and easy access to the Government Gazette by direct subject indexing of all government notices, proclamations and board notices published weekly in the Gazette.

Whatever subject you are researching, this detailed but uncomplicated guide will direct you to the notice you require, listing the Gazette number, page and date of publication.

Every edition of the index covers one calendar year. You may subscribe to:

- the quarterly edition, consisting of four cumulatively updated quarterly issues. The first three are published in soft cover and the final volume, which contains the full annual index, is bound in hard cover to serve as a permanent reference work.
- the annual edition, consisting only of the final hard-cover volume covering the whole year.

The *Juta - State Library Index to the Government Gazette* has been published since 1990. Indexes to pre-1990 Gazettes are consolidated in a separate publication, *Juta's Index to the South African Government and Provincial Gazettes 1910 to 1989, formerly The Windex*.

"OSALL is grateful that this publication is continuing the high standard set by its predecessor and congratulates Juta & Company Limited on its success in this new venture."
