The claim referred to above has been lodged with this Commission in the prescribed manner and the said claim is being processed by the Commission. To date a notice has been published in the *Government Gazette* as prescribed in section 11 (1) of the Restitution of Land Rights Act, 1994 (Act No. 22 of 1994), and the Registrar of Deeds has been directed to enter a note into his records to the effect that a claim lies against this land.

Attention is drawn to section 11 (7) (a) to (d) of the Act which states as follows:

“Once a notice has been published in respect of any land claim and a temporary note has been made in the records as contemplated in subsection (6) (b)—

- (a) no person may in an improper manner obstruct the passage of the claim;
- (b) no claimant who was resident on the land in question at the date of commencement of this Act may be evicted from the said land without the written authority of the Chief Land Claims Commissioner;
- (c) no person shall in any manner whatsoever remove or cause to be removed, destroy or cause to be destroyed, or damage or cause to be damaged, any improvements upon the land without the written authority of the Chief Land Claims Commissioner;

In the circumstances all interested parties are called upon not to initiate any act of development since any such act would fall foul of the prohibitions referred to in the Act. A moratorium is placed on this land until such time as the land claim has been disposed of by the Land Claims Court.
