GENERAL NOTICES ALGEMENE KENNISGEWINGS

NOTICE 896 OF 1998

COMMISSION FOR CONCILIATION, MEDIATION AND ARBITRATION

LABOUR RELATIONS ACT, 1995

NOTICE OF GUIDELINES ON CONCILIATION PROCEEDINGS

Under section 115 (2) (g) of the Labour Relations Act, 1995 (Act No. 66 of 1995), the Commission for Conciliation, Mediation and Arbitration hereby publishes guidelines in relation to conciliation proceedings dealt with in section 135 of that Act as set out in the Schedule.

SCHEDULE

GUIDELINES ON CONCILIATION PROCEEDINGS

1. Introduction

- 1.1 These guidelines deal with the manner in which the CCMA and its commissioners make decisions in conciliation proceedings.
- 1.2 A public body like the CCMA is entitled to adopt policies and procedures to guide its commissioners and staff in the exercise of their powers and functions.
- 1.3 These guidelines¹ lay down general principles for the guidance of its commissioners and staff in the exercise of their discretion. These principles are not hard and fast rules that must be applied invariably in every case. Every case presented to the CCMA for its decision must be considered on its merits. The commissioner may have regard to these general principles but only as a guide, not as decisive of the matter.

2. Purpose of guidelines

- 2.1 The purpose of these guidelines is—
 - (a) to inform users of the CCMA of the policies and procedures adopted by the CCMA in the conduct of its proceedings;
 - (b) to assist commissioners in the performance of their functions; and
 - (c) to promote consistency in the CCMA's approach to the conduct of proceedings.
- 2.2 These guidelines are drawn from the CCMA's best practice, the decisions of commissioners, the courts, and the law.

3. Applications for condonation

- 3.1 If a dispute is referred to the CCMA for conciliation outside the time limits prescribed by the Labour Relations Act, 1995 (Act No. 66 of 1995), the referring party must make an application for condonation.
- 3.2 That application must be attached to the referral and served together with it on the other parties to the dispute.
- 3.3 The application for condonation must be on affidavit. The affidavit must explain the reason for the failure to refer the dispute on time. That explanation must be sufficiently full to enable the commissioner to understand how the failure to refer the application in time came about and to assess the applicant's conduct and motives. The affidavit must deal with each of the considerations set out in paragraph 3.7 below.

- 3.4 If the application for condonation arises from the dismissal of a referral on grounds of the referring party having failed to attend a scheduled conciliation meeting, the reasons for the failure must be given.
- 3.5 Upon receipt of an application for condonation, the other party to the dispute may, within 14 calendar days of service of the application, answer, on affidavit, the application. The answer must be served on the CCMA and the applicant.
- 3.6 The applicant may, within seven calendar days of service of the answering affidavit, reply to the answer. The reply must be served on the CCMA and the other parties to the dispute.
- 3.7 The commissioner must consider the application for condonation and any representations made by the other parties to the dispute. Condonation must be granted if there are good grounds for the late referral. The considerations that a commissioner should take into account in determining whether or not to grant condonation are the following:
 - (a) The degree of lateness. If the application is only a few days late, that fact should weigh in favour of granting condonation. If the referral is very late, that should weigh against granting condonation.
 - (b) The degree of fault. If the reason for the late referral was due to a circumstance beyond the control of the applicant, that factor should weigh in favour of condonation.
 - (c) The reasonableness of the explanation. If the explanation is improbable, that should weigh against granting condonation.
 - (d) The prejudice to the other parties to the dispute.
 - (e) The prospects of success.

4. Province in which dispute is to be conciliated

- 4.1 A dispute should be conciliated in the province in which it arises.
- 4.2 In exceptional circumstances, either party may request the CCMA to arrange for a conciliation to be held telephonically if—
 - (a) the circumstances justify such an arrangement; and
 - (b) if it is practical to do so.
- 4.3 If the parties to the dispute are employers and employees in more than one province and the head office of the parties are in different provinces, a national senior commissioner from the Head Office of the CCMA must endeavour to reach agreement with the parties to the dispute as to the venue for the conciliation. If no agreement is reached, the national senior commissioner must decide the venue.

5. Jurisdictional disputes

- 5.1 The policy of the CCMA is to discourage legal technicalities and to promote the resolution of disputes in the interests of social justice and labour peace. Accordingly, its policy is not to determine jurisdictional disputes at the conciliation stage of the resolution of a dispute unless it has no other option.
- 5.2 If a party to the dispute objects to the jurisdiction of the CCMA the commissioner may—
 - (a) conciliate the dispute on the basis that the attendance and participation of the party objecting to the jurisdiction of the council is without prejudice²;
 - (b) issue a certificate stating that the dispute has not been resolved if the party objecting to the jurisdiction of the CCMA refuses to attend or participate in the conciliation proceedings;
 - (c) refer the dispute for resolution in terms of any applicable council, accredited agency or procedure in terms of section 147;
 - (d) assume jurisdiction if the dispute is one in respect of which the CCMA may assume jurisdiction in terms of section 147;
 - (e) determine whether or not the CCMA has jurisdiction.

- 5.3 If a commissioner resolves to decide on an objection to jurisdiction, the commissioner must endeavour to determine the real nature of the dispute. Although an objection may appear to be valid from the characterisation of the dispute by the referring party, a proper enquiry may reveal that despite that party's characterisation of the dispute, the CCMA may have jurisdiction to conciliate it.
- 5.4 If a commissioner decides that a dispute is one that does not fall within the jurisdiction of the CCMA, the commissioner must give written reasons for declining jurisdiction. The commissioner must direct the referring party to the appropriate forum for the resolution of the dispute.
- 5.5 In determining whether or not to assume jurisdiction in terms of section 147 of the LRA, a commissioner must be guided by whether—

- (a) the referral is an attempt to bypass agreed or statutory procedures; and
- (b) substantial injustice will be done by referring the dispute to the appropriate council, accredited agency or procedure.

6. Failure to attend conciliation proceedings

- 6.1 If a referring party attends a scheduled conciliation meeting and the other party does not attend, the commissioner may—
- (a) postpone the proceedings; or
 - (b) issue a certificate that the dispute has not been resolved.
- 6.2 If the referring party does not attend a scheduled conciliation meeting and the other party does attend, the commissioner may—
- (a) postpone the proceedings; or
 - (b) dismiss the referral.
- 6.3 Before deciding to dismiss the referral, the commissioner must be satisfied that the parties have been properly notified of the venue, date and time of the conciliation proceedings.
- 6.4 If a referral has been dismissed, the CCMA must notify the parties that the referral has been dismissed.
- 6.5 If a referral has been dismissed on grounds of not attending a scheduled conciliation meeting, the referring party may re-refer the dispute to the CCMA. This means that the referring party must submit a new referral.
- 6.6 If as a result of a referral being dismissed, a party fails to re-refer the dispute within the time limits prescribed by the LRA, the referring party must apply for condonation of the late referral.

7. Representation at conciliation proceedings

- 7.1 Section 135 (4) explicitly states who may appear or be represented in conciliation proceedings. A commissioner has no discretion to permit any person other than those listed in subsection (4) to appear or act as a representative. Subsection (4) states that a party to a dispute may be represented **only**—
- (a) by a co-employee³; or
 - (b) by a member, an office bearer⁴ or official⁵ or that party's trade union⁶ or employers' organisations⁷; and
 - (c) if the party is a juristic person⁸, by a director⁹ or an employee.
- 7.2 If a party to the dispute objects to the representation of another party to the dispute or the commissioner suspects that the representative of one of the parties to the dispute does not fall within the limits of subsection (4), the commissioner must determine this issue.
- 7.3 A dispute concerning the status of a representative in terms of section 135 (4) is a factual dispute. The commissioner may call upon the representative whose status is being contested to demonstrate why he or she should be admitted as a representative in terms of section 135 (4). The commissioner may request the production of documentation such as constitutions, payslips, the contract of employment, the prescribed form listing the directors of a company¹⁰, recognition agreements, etc. Representatives must be prepared to tender evidence in support of their status.

8. Applications for postponement

8.1 Postponement of a conciliation meeting is an indulgence that the CCMA may grant. The policy of the CCMA is based on the fact that the Act emphasises the expeditious resolution of disputes and postponements inevitably delay the resolution of disputes.

8.2 The policy of the CCMA is not to grant postponements unless—

- (a) There is good cause¹¹ shown;
- (b) the application is not motivated by delaying tactics;
- (c) the application is made timeously; and
- (d) there is no prejudice to any of the parties to the dispute.

8.3 If the application to postpone the conciliation meeting will result in the expiry of the 30-day period referred to in section 135, the party seeking the postponement must obtain the written consent of the other party to—

- (a) the request to the postponement; and
- (b) the extension of the 30-day period.

9. Impartiality of commissioners

9.1 A commissioner must be independent. This means if a commissioner has an interest in or a relationship with any of the parties, the commissioner may not conciliate the dispute.

9.2 A commissioner must not only be independent, but must be seen to be independent. This means that a commissioner should disclose to the parties any prior interest or relationship with either of the parties. If a party objects to the commissioner conciliating the dispute as a result of the disclosure, the commissioner should recuse himself or herself and another commissioner should be appointed.

9.3 Commissioners must conduct themselves in such a way that any inference of bias is avoided.

¹ Certain of the provisions of this document are not guidelines but statements of the law. These provisions *must* be applied and commissioners accordingly do not have discretion. For example, paragraph 7.1 of this document is statement of the provisions of section 135 (4). That section states who may represent a party at conciliation. It is not guideline—a commissioner *must* comply with its provisions.

² This means that a party that objects to the jurisdiction of the CCMA is not prevented from raising the objection in any further proceedings, i.e. in any arbitration conducted by the CCMA or in any adjudication before the Labour Court.

³ A co-employee means any employee who works for the same employer.

⁴ Defined in section 213 of the LRA as follows: "means a person who holds office in a trade union, employers' organisation, federation of trade unions, federation of employers' organisations or council and who is not an official".

⁵ Defined in section 213 of the LRA as follows: "in relation to a trade union, employers' organisation, federation of trade unions or federation of employers' organisations means a person employed as the secretary, assistant secretary or organiser of a trade union, employers' organisation or federation, or in any other prescribed capacity; whether or not that person is employed in a full-time capacity. And, in relation to a council means a person employed by a council as secretary or in any other prescribed capacity, whether or not that person is employed in a full-time capacity". It would include a shop steward.

⁶ The trade union does not have to be registered.

⁷ The employers' organisation does not have to be registered.

⁸ A juristic person is a body recognised by the law as a person—such as a company, a close corporation or a trust, or a statutory body such as a bargaining council, etc.

⁹ A director means a director of a company registered in terms of section 1 of the Companies Act, 1973.

¹⁰ The prescribed form is the CM29 published in the regulations to the Companies Act. It is prima facie proof that a person is a director.

¹¹ An example of good cause is the *inability* of a party to the dispute to attend the conciliation meeting because of illness. This is not any illness—it is only an illness that is by its nature such that it prevents the party from attending the conciliation meeting.

KENNISGEWING 896 VAN 1998**KOMMISSIE VIR VERSOENING, BEMIDDELING EN ARBITRASIE****WET OP ARBEIDSVERHOUDINGE, 1995****KENNISGEWING VAN RIGLYNE OOR VERSOEINGSVERRIGTINGE**

Kragtens artikel 115 (2) (g) van die Wet op Arbeidsverhoudinge, 1995 (Wet No. 66 van 1995), publiseer die Kommissie vir Versoening, Bemiddeling en Arbitrasie hierby riglyne met betrekking tot versoeningsverrigtinge wat in artikel 135 van daardie Wet gereël word, soos uiteengesit in die Bylae.

BYLAE**RIGLYNE OOR VERSOEINGSVERRIGTINGE****1. Inleiding**

- 1.1 Die riglyne behandel die wyse waarop die KVBA en sy kommissarisse in die versoeningverrigtinge besluite neem.
- 1.2 'n Openbare liggaam soos die KVBA is geregtig op die aanneem van beleide en prosedures om sy kommissarisse en personeel te lei in die uitoefening en verrigting van hul bevoegdhede en werksaamhede.
- 1.3 Hierdie riglyne¹ lê vir die kommissarisse en personeel van die KVBA algemene beginsels meer betreffende in die uitoefening van hul diskresie. Hierdie beginsels is nie onbuigsame reëls wat sonder uitsondering in alle gevalle toegepas moet word nie. Elke geval wat aan die KVBA vir sy beslissing voorgelê word, moet op meriete oorweeg word. Die kommissarisse kan hierdie algemene beginsels in oorweging neem, maar slegs as riglyn, nie as beslissend vir die aangeleentheid nie.

2. Doel van riglyne

- 2.1 Die doel van hierdie riglyne is—

- (a) om die gebruikers van die KVBA in te lig oor die beleide en prosedures aangeneem deur die KVBA vir die uitvoering van sy verrigtinge;
- (b) om kommissarisse van hulp te wees in die verrigting van hul werksaamhede; en
- (c) om in die KVBA 'n konsekwente benadering tot die uitvoer van verrigtinge te bevorder.

- 2.2 Hierdie riglyne is verkry uit die KVBA se beste praktyk, die beslissings van kommissarisse, die howe, en die reg.

3. Aansoeke om kondonاسie

- 3.1 Indien 'n geskil buite die tydsbepanking voorgeskryf deur die Wet op Arbeidsverhoudinge, 1995 (Wet No. 66 van 1995), na die KVBA verwys word vir versoening, moet die verwysende party om kondonاسie aansoek doen.
- 3.2 Daardie aansoek moet by die verwysing aangeheg word en daarmee saam aan die ander partye by die geskil beteken word.
- 3.3 Die aansoek om kondonاسie moet by beëdigde verklaring wees. Die beëdigde verklaring moet die rede verstrek vir die versuim om die geskil betyds te verwys. Daardie verduideliking moet toereikend volledig wees om die kommissaris in staat te stel om te begryp hoe die versuim om die aansoek betyds te verwys, gebeur het en om die aansoeker se gedrag en motiewe te beoordeel. Die beëdigde verklaring moet oor elk van die oorwegings hieronder in paragraaf 3.7 bedoel, handel.
- 3.4 Indien die aansoek om kondonاسie voortspruit uit die afwysing van 'n verwysing op grond daarvan dat die verwysende party versuim het om 'n geskeduleerde versoeningvergadering by te woon, moet die redes vir die versuim verstrek word.

- 3.5 By ontvangs van 'n aansoek om kondonansie kan die ander party by die geskil, binne 14 kalenderdae na betekening van die aansoek, by beëdigde verklaring op die aansoek antwoord. Die antwoord moet aan die KVBA en die aansoeker beteken word.
- 3.6 Die aansoeker kan, binne sewe kalenderdae na betekening van die antwoordende verklaring, op die antwoord repliek lewer. Die repliek moet aan die KVBA en die ander partye by die geskil beteken word.
- 3.7 Die kommissaris moet die aansoek om kondonansie en enige verhoë gerig deur die ander partye by die geskil, oorweeg. Kondonansie moet verleen word indien daar goeie gronde vir die laat verwysing is. Die oorwegings wat 'n kommissaris in aanmerking moet neem om te bepaal of kondonansie verleen moet word al dan nie, is die volgende:
- (a) Die graad van laatheid. Indien die aansoek slegs 'n paar dae laat is, moet daardie feit in die guns van die verlening van kondonansie tel. Indien die verwysing baie laat is, moet dit teen die verlening van kondonansie tel.
 - (b) Die graad van foutering. Indien rede vir die laat verwysing aan 'n omstandigheid buite die beheer van die aansoeker te wyte was, moet daardie faktor in die guns van die verlening van kondonansie tel.
 - (c) Die redelikheid van die verduideliking. Indien die verduideliking onwaarskynlik is, moet dit teen die verlening van kondonansie tel.
 - (d) Die vooroordeel teenoor die ander party by die geskil.
 - (e) Die vooruitsigte op sukses.

4. Provinsie waarin geskil versoen moet word

- 4.1 'n Geskil moet versoen word in die provinsie waarin dit ontstaan.
- 4.2 In buitengewone omstandighede kan enigeen van die partye die KVBA versoek om reëlins te tref vir 'n versoening wat telefonies moet geskied, indien—
- (a) die omstandighede so 'n reëling regverdig; en
 - (b) dit prakties uitvoerbaar is.
- 4.3 Indien die partye by die geskil werkgewers en werknemers in meer as een provinsie is en die hoofkantoor van die partye in verskillende provinsies is, moet 'n nasionale senior kommissaris van die Hoofkantoor van die KVBA poog om met die partye by die geskil 'n ooreenkoms te bereik oor die plek vir die versoening. Indien geen ooreenkoms bereik word nie, moet die nasionale senior kommissaris die plek bepaal.

5. Jurisdiksionele geskille

- 5.1 Die beleid van die KVBA is om regstegniese besonderhede te ontmoedig en om die beslegting van dispute in belang van maatskaplike geregtigheid en arbeidsvrede te bevorder. Sy beleid is, dienooreenkomstig, om nie jurisdiksionele geskille in die versoeningstadium van die beslegting van 'n geskil te beslis nie, tensy hy geen ander opsie het nie.
- 5.2 Indien 'n party by die geskil beswaar maak teen die jurisdiksie van die KVBA, kan die kommissaris—
- (a) die geskil versoen op grond daarvan dat die bywoning en deelname van die party wat teen die jurisdiksie van die raad beswaar maak, sonder vooroordeel is²;
 - (b) 'n sertifikaat uitreik wat verklaar dat die geskil nie besleg is nie indien die party wat teen die jurisdiksie van die KVBA beswaar maak, weier om aan die versoeningsverrigtinge deel te neem of dit by te woon;
 - (c) die geskil vir beslegting verwys kragtens enige toepaslike raad, geakkrediteerde agent-skap of prosedure ingevolge artikel 147;
 - (d) jurisdiksie aanvaar indien die geskil een is ten opsigte waarvan die KVBA jurisdiksie kan aanvaar ingevolge artikel 147; en
 - (e) beslis of die KVBA jurisdiksie het al dan nie.

5.3 Indien 'n kommissaris besluit om 'n beslissing te gee oor 'n beswaar teen jurisdiksie, moet die kommissaris poog om die werklike aard van die geskil vas te stel. Alhoewel 'n beswaar kan lyk of dit geldig is uit die karakterisering van die geskil deur die verwysende party, kan 'n behoorlike ondersoek aan die lig bring dat ten spyte van daardie party se karakterisering van die geskil die KVBA die jurisdiksie kan hê om dit te versoen.

5.4 Indien 'n kommissaris beslis dat 'n geskil een is wat nie binne die jurisdiksie van die KVBA val nie, moet die kommissaris skriftelike redes aanvoer vir die afwysing van die jurisdiksie. Die kommissaris moet die verwysende party na die toepaslike forum vir die beslegting van die geskil verwys.

5.5 By die besluit of hy jurisdiksie ingevolge artikel 147 van die WAV moet aanvaar al dan nie, moet 'n kommissaris gelei word deur die vraag of—

- (a) die verwysing 'n poging is om ooreengekome of statutêre prosedures te omseil al dan nie; en
- (b) wesenlike onreg sal geskied deur die geskil na die toepaslike raad, geakkrediteerde agentskap of prosedure te verwys.

6. Versuim om versoeningsverrigtinge by te woon

6.1 Indien 'n verwysende party 'n geskeduleerde versoeningsvergadering bywoon en die ander party dit nie bywoon nie, kan die kommissaris—

- (a) die verrigtinge uitstel; of
- (b) 'n sertifikaat uitreik dat die geskil nie besleg is nie.

6.2 Indien die verwysende party nie 'n geskeduleerde versoeningsvergadering bywoon nie en die ander party dit wel bywoon, kan die kommissaris—

- (a) die verrigtinge uitstel; of
- (b) die verwysing van die hand wys.

6.3 Voordat die kommissaris besluit om die verwysing van die hand te wys, moet hy daarvan oortuig wees dat die partye behoorlik van die plek, datum en tyd van die versoeningsverrigtinge in kennis gestel is.

6.4 Indien 'n verwysing van die hand gewys is, moet die KVBA die partye daarvan in kennis stel dat die verwysing van die hand gewys is.

6.5 Indien 'n verwysing van die hand gewys is op grond van die nie-bywoning van 'n geskeduleerde versoeningsvergadering, kan die verwysende party die geskil na die KVBA herverwys. Dit beteken dat die verwysende party 'n nuwe verwysing moet voorlê.

6.6 Indien 'n party, as gevolg van die van die hand wys van 'n verwysing, versuim om die geskil binne die tydsbestek voorgeskryf deur die WAV te herverwys, moet die verwysende party aansoek doen om kondonasie van die laat verwysing.

7. Verteenwoordiging by versoeningsverrigtinge

7.1 Artikel 135 (4) verklaar uitdruklik wie in versoeningsverrigtinge mag verskyn of verteenwoordig mag wees. 'n Kommissaris het nie diskresie om enige ander persoon as diegene gelys in subartikel (4) toe te laat om te verskyn of as 'n verteenwoordiger op te tree nie. Subartikel (4) verklaar dat 'n party by 'n geskil verteenwoordig kan word **slegs**—

- (a) deur 'n medewerknemer³; of
- (b) deur 'n lid, 'n ampsdraer⁴ of beamppte⁵ van daardie party se vakbond⁶ of werkgewers-organisasie⁷; en
- (c) indien die party 'n regspersoon⁸ is, deur 'n direkteur⁹ of 'n werknemer.

7.2 Indien 'n party by die geskil beswaar maak teen die verteenwoordiging van 'n ander party by die geskil, of die kommissaris vermoed dat die verteenwoordiger van een van die partye by die geskil nie binne die voorskrifte van subartikel (4) val nie, moet die kommissaris oor hierdie aangeleentheid beslis.

- 7.3 'n Geskil betreffende die status van 'n verteenwoordiger ingevolge artikel 135 (4) is 'n feitlike geskil. Die kommissaris kan die verteenwoordiger wie se status betwis word, oproep om te demonstreeer waarom hy of sy as 'n verteenwoordiger ingevolge artikel 135 (4) toegelaat moet word. Die kommissaris kan 'n versoek rig vir die voorlegging van dokumentasie soos konstitusies, betaalstrokies, die dienskontrak, die voorgeskrewe vorm waarop die direkteur van 'n maatskappy¹⁰ gelys word, erkenningsooreenkomste, ens. Verteenwoordigers moet daarop voorbereid wees om getuienis ter ondersteuning van hul status aan te bied.

8. Aansoek om uitstel

- 8.1 Uitstel van 'n versoeningsvergadering is 'n vergunning wat die KVBA kan toestaan. Die beleid van die KVBA is gegrond op die feit dat die Wet die snelle beslegting van geskille beklemtoon en dat uitstel onvermydelik die beslegting van geskille vertraag.
- 8.2 Die beleid van die KVBA is om nie uitstel te verleen nie, tensy—
- (a) daar gegronde redes¹¹ aangevoer word;
 - (b) die toepassing nie deur vertragende taktiek gemotiveer word nie;
 - (c) die aansoek betyds gedoen word; en
 - (d) daar geen voordeel vir enige van die partye by die geskil is nie.
- 8.3 Indien die aansoek om uitstel van die versoeningsvergadering sal lei tot die verstryking van die 30-dae-tydperk in artikel 135 bedoel, moet die party wat die uitstel verlang, die skriftelike toestemming van die ander party verkry vir—
- (a) die aansoek om uitstel; en
 - (b) die verlenging van die 30-dae-tydperk.

9. Onpartydigheid van kommissarisse

- 9.1 'n Kommissaris moet onafhanklik wees. Dit beteken dat indien 'n kommissaris 'n belang het by of in 'n verhouding staan met enige van die partye, die kommissaris nie die geskil kan besleg nie.
- 9.2 'n Kommissaris moet nie slegs onafhanklik wees nie, maar moet gesien word onafhanklik te wees. Dit beteken dat 'n kommissaris aan die partye enige vorige belange of verhoudinge met engeen van die partye openbaar moet maak. Indien 'n party as gevolg van die openbaarmaking daarteen beswaar maak dat die kommissaris die geskil besleg, moet die kommissaris hom of haar aan die saak onttrek en moet 'n ander kommissaris aangestel word.

NOTICE 903 OF 1998

COMMISSION FOR CONCILIATION, MEDIATION AND ARBITRATION

LABOUR RELATIONS ACT, 1995

NOTICE OF GUIDELINES ON BALLOTING REGARDING CLOSED SHOP AGREEMENTS

Under section 115 (2) (g) of the Labour Relations Act, 1995 (Act No. 66 of 1995), the Commission for Conciliation, Mediation and Arbitration hereby publishes guidelines in relation to balloting regarding closed shop agreements dealt with in section 26 (17) of that Act as set out in the Schedule.

SCHEDULE

BALLOTING GUIDELINES FOR CLOSE SHOPS

INTRODUCTION

Section 26 of the Labour Relations Act, 1995 (Act No. 66 of 1995) (the "LRA"), regulates closed shop agreements. It requires a ballot to be held—

- for a closed shop agreement to be binding; and
- if one third of the employees covered by the agreement sign a petition calling for the termination of the agreement.

Section 26 (17) states that, unless a collective agreement provides otherwise, the ballots must be conducted in accordance with guidelines published by the Commission. These are the guidelines.

These guidelines lay down general principles to guide persons in the conduct of ballots. These principles are not hard and fast rules and must be applied to fit the circumstances in every case. However, any departure from these principles must be justified.

BALLOTING REQUIREMENTS IN RESPECT OF CLOSED SHOP AGREEMENTS

A closed shop agreement is an agreement between one or more registered trade unions on the one hand and an employer or member of an employers' organisation on the other. The purpose of the agreement is to require all employees identified in the agreement to be members of the trade union party to the agreement.

Section 26 states that a closed shop agreement is binding only if—

- a ballot has been held of the employees to be covered by the agreement; and
- two-thirds of the employees who voted have voted in favour of the agreement.

Section 26 (15) states that a ballot must be conducted if one third of the employees covered by a closed shop agreement have signed a petition calling for the termination of the agreement. Such a ballot may be conducted only three years after the commencement of the agreement or the last ballot. The closed shop agreement must be terminated if the majority of the employees covered by the closed shop agreement vote in favour of its termination.

BALLOT COMMITTEE

The parties to the closed shop agreement must appoint a committee consisting of an equal number of employer and trade union representatives. The committee must perform the various functions mandated in these guidelines.

APPOINTMENT OF AN ELECTORAL OFFICER

The committee must appoint an independent electoral officer to be responsible for the administration, organisation, supervision and conduct of the ballot.

VOTERS' ROLL

At a meeting of the committee and the electoral officer, a voters' roll must be prepared from the names of all the employees to be covered by the closed shop agreement.

The voters' roll must be confirmed by the committee.

IDENTIFICATION CARDS

The committee must ensure that all employees on the voters' roll have appropriate identification cards to be presented on the day of the ballot.

BALLOT PAPERS

The committee must agree on the question to be put on the ballot papers.

The ballot papers must make provision for a mark, be it a cross or a tick, to be made by the employees in recording their vote.

The committee must agree on the notice to be issued, informing the employees of the date, time, venue, and procedure of the ballot, and of the question to be contained in the ballot papers.

NOTICE OF THE BALLOT

The committee must give notice of the ballot to employees in writing at least ten days before the ballot will commence.

The notice must contain the date, venue, time and details of the procedure of the ballot, and the question to be voted on.

MEETINGS

The committee must convene meetings, before the date of the ballot and during working hours, to permit the electoral officer to address the employees on the voters' roll in respect of the following matters:

- The provisions of the Act that regulate the closed shop;
- the provisions of the collective agreement;
- the balloting procedure;
- the question to be voted on.

OBSERVERS

An equal number of observers may be nominated by each party. The names of the observers must be provided to the electoral officer and the committee.

The observers must be present throughout the voting process.

VOTING PROCESS

The voting must be conducted at the time and date specified in the notice.

Ballot boxes must be inspected and sealed in the presence of the electoral officer.

Each voter must in the presence of the electoral officer be issued with a ballot paper and the voter's name must be crossed off the voters' roll.

The ballot must be a secret ballot.

The voter is to complete, fold and deposit the ballot in a sealed container provided for this purpose. The electoral officer may provide assistance to voters having difficulty in making their mark if so requested by the voters.

Interpreter(s) must be provided.

The electoral officer must ensure that no discussion on the merits of any issue related to the ballot is held with any voter from the time that the voter is handed the ballot paper until that voter has deposited the ballot in a sealed container provided for this purpose.

Observers must report any irregularity to the electoral officer immediately.

On completion of the ballot the ballot box must be sealed and the seal signed by the electoral officer in the presence of the observers.

The electoral officer is responsible for the safe keeping of the ballot boxes until they are counted.

COUNTING OF THE BALLOT

The electoral officer must establish whether the observers are satisfied that the agreed process has been adhered to.

Once this has been established the electoral officer must count the ballot.

The observers must report any irregularity in the counting process to the electoral officer.

Ballot papers from any ballot box of which the seal has been broken must be counted as spoilt ballots, unless it can be established that the seal was broken as a result of factors other than those that would affect the fairness of the result of the ballot.

THE RESULT OF THE BALLOT

On completion of the ballot, or as soon as possible thereafter, the electoral officer must report the result to the committee, which must make it known to the parties.

The electoral officer must report the result in writing to the committee within a day (24 hours) of counting having taken place. The report must include the following:

- The total number of eligible voters;
- the number of voters answering "yes" to the question;
- the number of voters answering "no" to the question;
- the number of spoilt ballots;
- the number of abstentions;
- a final reconciliation statement.

The ballot papers, including spoilt ballot papers, must be placed in a sealed container and handed to the committee, which must retain it for not less than three years. If the ballot is conducted by an independent organisation the ballot papers should be kept by that organisation.

The electoral officer in consultation with the observers must make a declaration that the ballot was substantially free and fair.

USE OF INDEPENDENT ORGANISATIONS

Notwithstanding these guidelines, the parties to a closed shop agreement may appoint an independent organisation approved of by the commission to conduct the balloting contemplated in section 26 of the LRA, provided that the principles underlying these guidelines are followed by that organisation.

KENNISGEWING 903 VAN 1998**KOMMISSIE VIR VERSOENING, BEMIDDELING EN ARBITRASIE****WET OP ARBEIDSVERHOUDINGE, 1995****KENNISGEWING VAN RIGLYNE OOR STEMMING BETREFFENDE GESLOTEGELEDERE-OOREENKOMSTE**

Kragtens artikel 115 (2) (g) van die Wet op Arbeidsverhoudinge, 1995 (Wet No. 66 van 1995), publiseer die Kommissie vir Versoening, Bemiddeling en Arbitrasie hierby riglyne met betrekking tot stemming betreffende geslotegeledere-ooreenkomste wat in artikel 26 (17) van daardie Wet gereël word, soos uiteengesit in die Bylae.

BYLAE**STEMRIGLYNE VIR GESLOTE GELEDERE****INLEIDING**

Artikel 26 van die Wet op Arbeidsverhoudinge, 1995 (Wet No. 66 van 1995) (die "WAV"), reguleer geslotegeledere-ooreenkomste. Volgens hierdie artikel moet 'n stemming gehou word—

- sodat 'n geslotegeledere-ooreenkoms bindend kan wees; en
- indien een derde van die werknemers wat deur die ooreenkoms gedek word, 'n petisie vir die beëindiging van die ooreenkoms onderteken.

Artikel 26 (17) verklaar dat, tensy 'n kollektiewe ooreenkoms anders bepaal, die stemming gehou word moet ooreenkomstig die riglyne deur die Kommissie gepubliseer.

Die riglyne, wat hierna volg, lê algemene beginsels neer om persone met die hou van stemmings te lei. Hierdie beginsels is nie onbuigsame reëls nie en moet so toegepas word dat dit by die omstandighede van elke geval pas. Enige afwyking van hierdie beginsels af moet geregverdig wees.

STEMVEREISTES TEN OPSIGTE VAN GESLOTEGELEDERE-OOREENKOMSTE

'n Geslotegeledere-ooreenkoms is 'n ooreenkoms tussen een of meer geregistreerde vakbonde aan die een kant en 'n werkgever of lid van 'n werkgewersorganisasie aan die ander kant. Die doel van so 'n ooreenkoms is om van alle werknemers wat in die ooreenkoms geïdentifiseer word, te eis dat hulle lede moet wees van die vakbond wat 'n party by die ooreenkoms is.

Artikel 26 verklaar dat 'n geslotegeledere-ooreenkoms bindend is slegs indien—

- 'n stemming per stembrief gehou is onder die werknemers wat deur die ooreenkoms gedek gaan word; en
- twee derdes van die werknemers wat gestem het, ten gunste van die ooreenkoms gestem het.

Artikel 26 (15) verklaar dat 'n stemming per stembrief gehou moet word indien een derde van die werknemers wat deur 'n geslotegeledere-ooreenkoms gedek word, 'n petisie vir die beëindiging van die ooreenkoms onderteken het. So 'n stemming mag gehou word eers nadat drie jaar verloop het sedert die datum waarop die ooreenkoms in werking getree het of die laaste stemming per stembrief gehou is. Die geslotegeledere-ooreenkoms moet beëindig word indien die meerderheid van die werknemers wat deur die geslotegeledere-ooreenkoms gedek word, ten gunste van die beëindiging daarvan stem.

STEMKOMITEE

Die partye by die geslotegeledere-ooreenkoms moet 'n komitee aanstel wat uit 'n gelyke aantal werknemer- en vakbondvertegenwoordigers bestaan. Die komitee moet die werksaamhede verrig wat in hierdie riglyne aan hulle oorgedra word.

AANSTELLING VAN 'N KIESBEAMPTTE

Die komitee moet 'n onafhanklike kiesbeampte aanstel wat vir die administrasie, organisasie en hou van, en toesig oor, die stemming verantwoordelik moet wees.

KIESERSLYS

By 'n vergadering van die komitee en die kiesbeampte moet 'n kieserslys opgestel word uit die name van al die werknemers wat deur die geslotegeledere-ooreenkoms gedek gaan word.

Die kieserslys moet deur die komitee bekragtig word.

IDENTIFIKASIEKAARTE

Die komitee moet toesien dat alle werknemers op die kieserslys gepaste identifikasiekaarte het, wat op die dag van die stemming getoon moet word.

STEMBRIEWE

Die komitee moet ooreenkom oor die vraag wat op die stembriewe gevra sal word.

Op die stembriewe moet daar plek wees vir 'n merk, hetsy 'n kruisie of 'n regmerkie, wat die werknemers moet maak om hulle stemme uit te bring.

Die komitee moet ooreenkom oor die kennisgewing wat uitgereik moet word om die werknemers te verwittig van die datum, tyd, plek en prosedure van die stemming, en van die vraag wat in die stembriewe gevra sal word.

KENNISGEWING VAN DIE STEMMING

Die komitee moet ten minste 10 dae voordat die stemming sal begin, skriftelik kennis van die stemming aan die werknemers gee.

Die kennisgewing moet die datum, plek en tyd aandui, en moet besonderhede gee oor die stemprosedure en oor die vraag waarom daar gestem sal word.

VERGADERINGS

Die komitee moet, voor die datum van die stemming en gedurende werkure, vergaderings belê ten einde die kiesbeampte daartoe in staat te stel om die werknemers op die kieserslys oor die volgende aangeleenthede toe te spreek:

- Die bepalings van die Wet wat die geslote geledere reguleer;
- die bepalings van die kollektiewe ooreenkoms;
- die stemprosedure;
- die vraag waarom daar gestem gaan word.

WAARNEMERS

'n Gelyke aantal waarnemers kan deur elke party genomineer word. Die name van die waarnemers moet aan die kiesbeampte en die komitee gegee word.

Die waarnemers moet deurgaans by die stemproses teenwoordig wees.

STEMPROSES

Die stemming moet gehou word op die tyd en plek in die kennisgewing gespesifiseer.

Stembusse moet in die teenwoordigheid van die kiesbeampte geïnspekteer en verseël word.

In die teenwoordigheid van die kiesbeampte moet elke kieser 'n stembrief ontvang en moet die kieser se naam op die kieserslys deurgehaal word.

Die stemming moet 'n geheime stemming wees.

Die kieser moet die stembrief invul en opvou en dit plaas in 'n verseëelde houer wat vir hierdie doel voorsien is. Die kiesbeampte kan, indien kiesers dit versoek, bystand verleen aan kiesers wat sukkel om hulle merk te maak.

('n) Tolk(e) moet voorsien word.

Die kiesbeampte moet toesien dat daar, vandat die kieser die stembrief ontvang totdat die kieser die stembrief geplaas het in 'n verseëelde houer wat vir hierdie doel voorsien is, geen bespreking met enige kieser plaasvind nie oor die meriete van enige aangeleentheid wat met die stemming verband hou.

Waarnemers moet enige onreëlmatigheid onverwyld aan die kiesbeampte rapporteer.

By voltooiing van die stemming moet die stembus verseël word en moet die seël in die teenwoordigheid van die waarnemers deur die kiesbeampte onderteken word.

Die kiesbeampte is verantwoordelik vir die veilige bewaring van die stembusse totdat die stemme getel word.

TEL VAN DIE STEMME

Die kiesbeampte moet vasstel of die waarnemers oortuig is dat daar by die ooreengekome proses gehou is.

Sodra dit vasgestel is, moet die kiesbeampte die stemme tel.

Die waarnemers moet enige onreëlmatigheid in die telproses aan die kiesbeampte rapporteer.

Die stembriewe in enige stembus waarvan die seël gebreek is, moet as bedorwe stembriewe getel word, tensy daar vasgestel kan word dat die seël gebreek is as gevolg van ander faktore as dié wat die regverdigheid van die uitslag van die stemming sou beïnvloed.

DIE UITSLAG VAN DIE STEMMING

By voltooiing van die stemming, of so gou moontlik daarna, moet die kiesbeampte die uitslag aan die komitee bekendmaak, wat dit aan die partye moet bekendmaak.

Die kiesbeampte moet binne 'n dag (24 uur) nadat die stemme getel is, skriftelik aan die komitee oor die uitslag verslag doen. Die verslag moet die volgende insluit:

- Die totale getal stemgeregtigdes;
- die getal kiesers wat op die vraag "ja" geantwoord het;
- die getal kiesers wat op die vraag "nee" geantwoord het;
- die getal bedorwe stembriewe;
- die getal buite stemming;
- 'n finale rekonsiliasiestaat.

Die stembriewe, insluitende bedorwe stembriewe, moet in 'n verseëelde houer geplaas word en oorhandig word aan die komitee, wat dit vir minstens drie jaar moet behou. Indien die stemming deur 'n onafhanklike organisasie gehou word, moet daardie organisasie die stembriewe hou.

Die kiesbeampte, in oorleg met die waarnemers, moet verklaar dat die stemming wesenlik vry en regverdig was.

GEBUIK VAN ONAFHANKLIKE ORGANISASIES

Ondanks hierdie riglyne kan die partye by 'n geslotegeleedere-ooreenkoms 'n onafhanklike organisasie wat deur die kommissie goedgekeur is, aanstel om die stemming beoog in artikel 26 van die WAV te hou, mits die beginsels wat die grondslag van hierdie riglyne vorm, deur daardie organisasie gevolg word.

NOTICE 904 OF 1998**DEPARTMENT OF TRADE AND INDUSTRY****COMPETITION BOARD****FINALISATION OF THE AVALON CINEMAS / STER-KINEKOR CASE**

Ster-Kinekor Films (Pty) Ltd (Registration No. 55/02511/07) (the old Ster-Kinekor), which was one of the subsidiary companies of the Interleisure Group, was both a distributor and exhibitor of cinematographic films with strong ties to two of South Africa's major conglomerates, Sanlam and Old Mutual. It is common cause that the Ster-Kinekor business enjoyed (and still has) a dominant position in the film exhibition market.

In stark contrast, Avalon Cinemas SA (Pty) Ltd, which has a proud tradition in the film exhibition business, was (and still is) merely a well run family business with a small market share. A waning of its fortunes had occurred during the apartheid era when it was forced by nefarious laws to retreat to less lucrative environs.

At the dawn of the new political dispensation in South Africa, free from the constraining shackles of such laws, Avalon's prospects were given a boost with the opening of its Berea Cine Centre in Durban. The initial optimism soon dissipated when the owners learned that the old Ster Kinekor had secured a lease for a cinema complex at Musgrave, Durban, in close proximity to the Berea Cine Centre.

Recognising that this development would seriously threaten the viability of their business, Avalon's owners approached the directors and shareholders of the old Ster-Kinekor in an attempt to find a mutually acceptable solution to the dilemma with which they were confronted. When this initiative failed, Avalon decided to approach the Competition Board with a complaint related to its own unique circumstances and set of facts.

A crucial finding in the Board's ensuing investigation was that the old Ster-Kinekor had acted contrary to its expressly stated view that it was commercially irrational for someone to build a cinema close to one operated by a competitor. (Incidentally, this is not a view that is shared by the Primedia Group to which reference is made below.) Such "irrational" behaviour by a market-dominant firm, the effect of which could or would lead to a much smaller competitor exiting the market, could, in the Board's opinion, be seen as a predatory-related species of abuse that constituted a restrictive practice. The Board made no finding regarding the old Ster-Kinekor's vertical integration *per se*.

To remedy the situation, the Board advised that it was prepared to explore the possibility of an arrangement with the old Ster-Kinekor in terms of section 11 of the Maintenance and Promotion of Competition Act, 1979. Although this proposal was accepted and pursued, it proved to be time-consuming, frustrating and, ultimately, unsuccessful. An alternative, unilateral approach by the Board was accordingly required. This culminated in the Board recommending to the Minister of Trade and Industry that he should by notice in the *Gazette*, inter alia, instruct the old Ster-Kinekor to sell the Musgrave Cinema Complex to Avalon at a market-related price determined by a firm of independent accountants.

Before taking a decision on the recommendation, the Minister decided to meet with some directors of Interleisure in an attempt to persuade them to reach a settlement with Avalon. Nothing came from these efforts.

A further twist in the saga occurred with the disposal by Interleisure of the majority of its assets to a subsidiary of Primedia Ltd. The Minister thereupon made a renewed appeal to the new owners to seek a settlement. Their approach was more visionary and conciliatory than their predecessors and finally resulted in an accord between them and Avalon. The settlement was reached on the clear understanding that—

- (1) Primedia Ltd and its subsidiaries, including the new owner of the Ster-Kinekor business (the Primedia Group), had not made any admissions whatsoever and were not targeted or bound by the Competition Board's Report No. 50;
- (2) the settlement is not perceived or accepted by the Competition Board as creating a precedent to which the Primedia Group is bound, or on which the Board can rely, in any competition-related matter in which the Primedia Group may in the future become involved;
- (3) the Competition Board formally withdraw any recommendation it has made to the Minister pertaining to the Avalon Cinemas/Ster-Kinekor case.

The Board hereby confirms that it has accepted these conditions and has withdrawn the recommendation(s) to which reference is made in paragraph (3). The case is now closed.

NOTICE 923 OF 1998**BOARD ON TARIFFS AND TRADE****REVIEW OF THE ANTI-DUMPING DUTY ON LAUNDRY DRYING MACHINES, TUMBLER TYPE, ORIGINATING IN AND/OR IMPORTED FROM AUSTRALIA: FINAL DETERMINATION**

The Board on Tariffs and Trade gave public notice of the initiation of a review into the continued need for an anti-dumping duty on laundry drying machines, tumbler type, originating in and/or imported from Australia, in Notice No. 1506 published in *Government Gazette* No. 17497 dated 18 October 1996.

A preliminary determination was subsequently made by the Board that as there were no imports of laundry drying machines from Australia after the imposition of the anti-dumping duty and as no comments were received from the domestic laundry drying machine industry on the publication of the investigation in the *Government Gazette*, no justification could be found for retaining the duty. In addition, the information from the Australian exporter, Email Limited, indicated that future imports would not be at dumped prices and in such quantities as to cause material injury to the local industry. The Board therefore decided to recommend that the anti-dumping duty be withdrawn. The Board's preliminary determination was published in Notice No. 374 of *Government Gazette* No. 17823, dated 7 March 1997.

On the basis of this information and information provided by interested parties after the preliminary determination, the Board made a final determination on 25 February 1998 confirming its preliminary determination. The Board determined on the basis of the information submitted, that dumping would not recur if Email Limited was to recommence exporting its tumble dryers to South Africa and that material injury to the SACU industry would not likely recur if the anti-dumping duty was removed.

The Board therefore recommended that the present anti-dumping duty of 15,6 per cent on laundry drying machines, tumble type, of a dry linen capacity not exceeding 7,5 kg (excluding coin-operated machines), classifiable under tariff subheading 8451.21.10, originating in and/or imported from Australia, be removed. This recommendation was accepted by the Minister of Trade and Industry.

The Board's final determination report is available from the Directorate: Dumping, Department of Trade and Industry, Pretoria, South Africa. Enquiries should be directed to the Investigating Officer, Mr Mike Andrews, at Telephone (012) 310-9547.
