NOTICE 1181 OF 1998**BOARD ON TARIFFS AND TRADE****NOTICE OF TERMINATION OF THE INVESTIGATION INTO THE ALLEGED DUMPING
OF CERAMIC TILES ORIGINATING IN AND IMPORTED FROM ITALY**

The Board on Tariffs and Trade gave public notice of its investigation into the alleged dumping of glazed and unglazed ceramic tiles originating in and imported from Italy in *Government Gazette* No. 17507 on 25 October 1996.

Based on the available information, the Board made a preliminary determination that glazed ceramic tiles were being imported at dumped prices, that the domestic industry was suffering material injury and that the injury was causally linked to the dumping. On 3 December 1997, Notice No. 1667 was published in *Government Gazette* No. 18526, imposing provisional payments of 13,6 per cent *ad valorem* and 7,3 per cent *ad valorem* on glazed ceramic tiles of value less than R22/m originating in Italy and exported by Cooperative Ceramica D'Imola and Cisa Cerdisa s.p.a., respectively; and a preliminary duty of 11,4 per cent *ad valorem* on glazed ceramic tiles of a value less than R22/m originating in Italy and exported by all other manufacturers in Italy. Since the available information indicated that glazed ceramic tiles manufactured by Campogalliano Ceramiche s.p.a., Italiana Pavimenti s.p.a. and Gold Art s.p.a. in Italy were not imported at dumped prices, these companies were exempted from the payment of any preliminary anti-dumping duty. The Board after discussions with the Petitioner, also made a preliminary determination that the investigation with regard to unglazed tiles imported from Italy, be terminated, since it became evident that a very small quantity of unglazed tiles was imported from Italy during the investigation period, and that the Petitioner was not experiencing injury owing to these imports.

On 20 May 1998, prior to the Board making a final determination, the Petitioner, without prejudice to its rights to bring a new petition in the future, requested that the investigation be terminated, since it was of the opinion that the remedial duties resulting from the Board's preliminary investigation, as contained in Report No. 3811, were not in the best interest of the South African manufacturing industry.

The Board considered the Petitioner's request and decided to recommend that the investigation into the alleged dumping of ceramic tiles, originating in and imported from Italy, be terminated. The Minister of Trade and Industry accepted the Board's recommendation.

A report containing the Board's decision and the basis for its decision is available on request.

Enquiries may be directed to the Investigating Officer, Ms C. Grové at telephone (012) 310-9815 or Mr T. Botha at telephone (012) 310-9618.
