DAAR WORD BEPAAL deur die Parlement van die Republiek van Suid-Afrika, soos volg:—

Woordomskrywing

1. In hierdie Wet, tensy uit die samehang anders blyk, beteken—
 - 5 (i) "delik" ook 'n wederregtelike handeling waarvoor 'n verweerde ingevolge 'n wetsbepaling op 'n skuldlose grondslag vir die betaling van skadevergoeding aanspreeklik is; (ii)

(i)

Notice of intended legal proceedings to be given to government institution

2. (1) Subject to this Act, no legal proceedings for the recovery of a debt arising from delict may be instituted against a government institution unless the creditor has given the government institution notice in writing of his or her intention to institute the legal proceedings in question or the government institution has consented in writing to the institution of legal proceedings without such notice. 5

(2) The notice contemplated in subsection (1) must—

- (a) briefly set out the facts relied on for the intended legal proceedings;
- (b) be delivered by hand or sent by certified mail to the person who is to be cited as defendant or respondent, as the case may be, within six months from the 10 date upon which the debt became due.

(3) For the purposes of subsection (2)(b)—

- (a) a debt may not be regarded as being due until the creditor has knowledge of the identity of the debtor and of the facts from which the debt has arisen, but a creditor must be regarded as having acquired such knowledge as soon as he or she could have acquired it by exercising reasonable care, unless the debtor wilfully prevents him or her from acquiring such knowledge; and 15
- (b) if a creditor institutes legal proceedings after the commencement of this Act in respect of a debt which became due before such commencement, such debt must be regarded as having become due on the date of commencement of this 20 Act.

(4) If a government institution relies on a creditor's failure to give notice in terms of subsection (2), a court having jurisdiction may condone the failure on application by the creditor if the court is satisfied that—

- (a) good cause exists for the failure by the creditor; or 25
- (b) the government institution was not unreasonably prejudiced by the failure.

(5) The court may, subject to any law relating to the extinction of debts by prescription, grant leave to institute the legal proceedings subject to any conditions regarding notice to the government institution which the court may lay down.

(6) The court may not have regard to non-compliance with subsection (2) unless such 30 non-compliance is raised by a government institution.

Prescription of debts

3. Section 2 does not derogate from the provisions of section 344 of the Merchant Shipping Act, 1951 (Act No. 57 of 1951), section 2(6)(b) of the Apportionment of Damages Act, 1956 (Act No. 34 of 1956), or the Prescription Act, 1969 (Act No. 68 of 35 1969).

Repeal and amendment of laws

4. (1) Subject to subsection (2), the laws referred to in the Schedule are hereby amended or repealed to the extent set out in the third column of the Schedule.

(2) With regard to any legal proceedings instituted before the commencement of this 40 Act and which were not before such commencement finally determined by a judgment or by a settlement duly concluded, the amendment or repeal of a law in terms of subsection (1) must be regarded as having taken effect immediately before the cause of action arose.

Conflict with other laws

45

5. In the event of a conflict between section 2 of this Act and any other law in force immediately before the commencement of this Act, other than the Constitution, section 2 of this Act prevails.

Kennisgewing van voorgenome regsgeding moet aan owerheidsinstelling gegee word

2. (1) Behoudens hierdie Wet word geen regsgeding vir die verhaal van 'n skuld wat uit delik ontstaan teen 'n owerheidsinstelling ingestel nie tensy die skuldeiser die owerheidsinstelling skriftelik kennis gegee het van sy of haar voorneme om die betrokke regsgeding in te stel, of die owerheidsinstelling skriftelik toegestem het tot die instel van die regsgeding sonder sodanige kennisgewing.
- (2) Die kennisgewing in subartikel (1) beoog, moet—
- (a) die feite waarop die voorgenome regsgeding berus, kortliks uiteensit;
- 10 (b) binne ses maande vanaf die datum waarop die skuld opeisbaar geword het, per hand afgelewer word of per gesertifiseerde pos gestuur word aan die persoon wat as verweerde of respondent, na gelang van die geval, gesiteer staan te word.
- (3) By die toepassing van subartikel (2)(b)—
- 15 (a) word 'n skuld nie geag opeisbaar te wees voordat die skuldeiser kennis dra van die identiteit van die skuldenaar en van die feite waaruit die skuld ontstaan het nie, maar word 'n skuldeiser geag sodanige kennis te bekom het sodra hy of sy dit deur die uitoefening van redelike sorg kon bekom het, tensy die skuldenaar hom of haar opsetlik verhinder om sodanige kennis te bekom; en
- 20 (b) indien 'n skuldeiser 'n regsgeding na die inwerkingtreding van hierdie Wet instel ten opsigte van 'n skuld wat opeisbaar geword het voor daardie inwerkingtreding, word daardie skuld geag op die datum van inwerkingtreding van hierdie Wet opeisbaar te geword het.
- 25 (4) Indien 'n owerheidsinstelling steun op 'n skuldeiser se versuim om ingevolge subartikel (2) kennis te gee, kan 'n hof wat regsvvoegdheid het, op aansoek van die skuldeiser, die versuim kondoneer indien die hof oortuig is dat—
- (a) daar gegronde rede vir die skuldeiser se versuim bestaan; of
- (b) die owerheidsinstelling nie onredelik deur die versuim benadeel is nie.
- 30 (5) Die hof kan, behoudens enige wetsbepaling met betrekking tot die uitwissing van skuld deur verjaring en enige voorwaardes wat die hof met betrekking tot kennisgewing aan die owerheidsinstelling mag stel, verlof tot die instel van die regsgeding verleen.
- (6) Die hof mag nie 'n versuim om aan subartikel (2) te voldoen, in ag neem nie tensy so 'n versuim deur 'n owerheidsinstelling geopper word.

35 Verjaring van skuld

3. Artikel 2 doen nie afbreuk aan die bepalings van artikel 344 van die Handelskeepvaartwet, 1951 (Wet No. 57 van 1951), artikel 2(6)(b) van die Wet op Verdeling van Skadevergoeding, 1956 (Wet No. 34 van 1956), of die Verjaringswet, 1969 (Wet No. 68 van 1969), nie.

40 Herroeping en wysiging van wette

4. (1) Behoudens subartikel (2) word die wette in die Bylae bedoel hierby gewysig of herroep in die mate uiteengesit in die derde kolom van die Bylae.
- (2) Met betrekking tot 'n regsgeding wat voor die inwerkingtreding van hierdie Wet ingestel is en wat nie voor daardie inwerkingtreding finaal beslis is deur 'n uitspraak 45 of deur 'n skikking wat behoorlik aangegaan is nie, word daar geag dat die wysiging of herroeping van 'n wet ingevolge subartikel (1) onmiddellik voor die ontstaan van die skuldoosaak van krag geword het.

Strydigheid met ander wette

5. In geval van 'n strydigheid tussen artikel 2 van hierdie Wet en enige ander wet 50 wat onmiddellik voor die inwerkingtreding van hierdie Wet van krag was, behalwe die Grondwet, geniet artikel 2 van hierdie Wet voorrang.

Short title and commencement

6. This is the Limitation of Legal Proceedings against Government Institutions Act, 2000, which comes into operation on a date fixed by the President by proclamation in the *Gazette*.

Kort titel en inwerkingtreding

6. Hierdie Wet is die Wet op die Beperking van Regsgedinge teen Owerheidsinstellings, 2000, en tree in werking op 'n datum deur die President by proklamasie in die *Staatskoerant* bepaal.

**MEMORANDUM ON THE OBJECTS OF THE LIMITATION OF
LEGAL PROCEEDINGS AGAINST GOVERNMENT INSTITUTIONS
BILL, 1999**

1. The Bill emanates from the South African Law Commission's supplementary report on the investigation into time limits for the institution of legal proceedings against the State (Project 42).

2. The Bill seeks to provide for uniform provisions regulating the institution of legal proceedings against all government institutions. The Bill provides that no legal proceedings for the recovery of a debt arising from a delict shall be instituted against State departments and organisational components, certain government bodies, municipalities and functionaries or against a person for whose actions the State or a government body is liable, unless the defendant has been given written notice of the intention to institute such proceedings. In terms of the definition of "delict", the provisions of the Bill also apply to liability without fault in terms of statutory provisions. The notice to the defendant must be sent within six months from the date upon which the debt became due to the person to be cited as defendant or respondent in the proposed legal proceedings. A debt is not regarded as being due until the creditor (or his or her tutor, if he or she is a minor or, if he or she is under curatorship, his or her curator) has knowledge of the identity of the debtor and the circumstances from which the debt has arisen or could have acquired such knowledge by exercising reasonable care. However, the court may condone failure to give notice if good cause exists for the failure by the creditor, tutor or curator or if the defendant was not unreasonably prejudiced by the failure.

3. Provision is made in the Bill for the repeal or amendment of various provisions which limit proceedings against the State or government institutions.

4. The amendment or repeal of laws effected in terms of the Bill are to apply to all legal proceedings instituted before the commencement of the Bill which have not been concluded as at the date of commencement of the Bill. This is so as to avoid, as far as possible, the application of any law which might have been unconstitutional.

CONSULTATION

5. During 1984 the South African Law Commission sent the draft Bill and memorandum to 91 stakeholders. The Bill is an adaptation of the draft legislation recommended in the previous report to take into account changes in legislation since the previous report and the decision of the Constitutional Court on the constitutionality of one of the provisions dealt with in the previous report. In order to expedite the submission of its report, consultation by the Law Commission was limited to the three bodies affected by the removal of exceptions in the previous legislation, namely, the Department of Transport, the Compensation Commissioner (both of whom did not respond to requests to comment) and Spoornet.

FINANCIAL IMPLICATIONS FOR THE STATE

6. There are no financial implications envisaged for the State as a result of this Bill.

IMPLICATIONS FOR PROVINCES

7. Any person wishing to institute legal proceedings against a provincial administration will have to comply with the provisions of this Bill if it becomes law.

PARLIAMENTARY PROCEDURE

8. The Bill should, in the opinion of the State Law Advisers and the Department of Justice, be dealt with in accordance with section 75 of the Constitution since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.

**MEMORANDUM OOR DIE OOGMERKE VAN DIE
WETSONTWERP OP DIE BEPERKING VAN REGSGEDINGE TEEN
OWERHEIDSINSTELLINGS, 1999**

1. Die Wetsontwerp spruit voort uit die Suid-Afrikaanse Regskommissie se aanvullende verslag oor die ondersoek na termyne waarbinne regsgedinge teen die Staat ingestel kan word (Projek 42).

2. Die Wetsontwerp beoog om voorsiening te maak vir eenvormige bepalings wat die instel van regsgedinge teen alle owerheidsinstellings reguleer. Die Wetsontwerp bepaal dat geen regsgeding vir die verhaal van 'n skuld wat uit delik ontstaan teen Staatsdepartemente en organisasiekomponente, sekere owerheidsliggome, munisipaliteite en funksionarisse of 'n persoon vir wie se handelinge die Staat of 'n owerheidsliggaam aanspreeklik is, ingestel mag word nie, tensy die verweerde skriftelik kennis gegee is van die voorname om sodanige geding in te stel. Ingevolge die omskrywing van "delik" geld die bepalings van die Wetsontwerp ook vir skuldlose aanspreeklikheid ingevolge wetsbepalings. Die kennismassing aan die verweerde moet binne ses maande vanaf die datum waarop die skuld opeisbaar geword het, aan die persoon wat as verweerde of respondent in die voorgenome regsgeding gesiteer staan te word, afgelewer of versend word. 'n Skuld word nie geag opeisbaar te wees nie voordat die skuldeiser (of sy of haar voog indien hy of sy 'n minderjarige is of, indien hy of sy onder kuratorskap is, sy of haar kurator) van die identiteit van die skuldenaar en die feite waaruit die skuld ontstaan, kennis dra, of deur redelike sorg uit te oefen dié kennis kon bekom het nie. Die hof kan egter die versuum om kennis te gee, kondoneer indien daar gegronde rede vir die versuum deur die skuldeiser, voog of kurator bestaan of indien die verweerde nie deur die versuum onredelik benadeel is nie.

3. Die Wetsontwerp maak voorsiening vir die herroeping of wysiging van verskeie bepalings wat gedinge teen die Staat of owerheidsinstellings beperk.

4. Die wysiging of herroeping van wette ingevolge die Wetsontwerp sal vir alle regsgedinge wat voor die inwerkingtreding van die Wetsontwerp ingestel is en wat nog nie ten tyde van sodanige inwerkingtreding afgehandel is nie, geld. Dit is om sover moontlik te verhoed dat 'n wet wat miskien ongrondwetlik was nog steeds toegepas word.

OORLEGPLEGING

5. Gedurende 1984 het die Suid-Afrikaanse Regskommissie 'n Konsepwetsontwerp en memorandum aan 91 belanghebbendes gestuur. Die Wetsontwerp is 'n aanpassing van die konsepwetgewing wat in die vorige verslag aanbeveel is, ten einde rekening te hou met wysigings in wetgewing sedert die vorige verslag en 'n beslissing van die Konstitusionele Hof oor die grondwetlikheid van een van die bepalings wat in die vorige verslag gehanteer is. Ten einde die voorlegging van sy aanvullende verslag te bespoedig, is verdere oorlegpleging deur die Kommissie beperk tot die drie instansies wat deur die verwydering van uitsonderings in die vorige wetgewing geraak is, naamlik die Departement van Vervoer, die Vergoedingskommissaris (wat nie een gereageer het op versoek om kommentaar nie) en Spoornet.

FINANSIEËLE IMPLIKASIES VIR DIE STAAT

6. Daar word geen finansiële implikasies vir die Staat voorsien as gevolg van hierdie Wetsontwerp nie.

IMPLIKASIES VIR PROVINSIES

7. 'n Persoon wat 'n regsgeding teen 'n provinsiale administrasie wil instel, sal aan die bepalings van hierdie Wetsontwerp moet voldoen indien dit wet word.

PARLEMENTÈRE PROSEDURE

8. Die Staatsregsadviseurs en die Departement van Justisie is van mening dat die Wetsontwerp ooreenkomsdig die bepalings van artikel 75 van die Grondwet gehanteer moet word aangesien dit geen bepaling bevat ten opsigte waarvan die prosedure vermeld in artikel 74 of 76 van die Grondwet geld nie.
