TABLE**Name of bargaining council:**

National Bargaining Council for the Sugar Manufacturing and Refining Industry

Date on which application was lodged:

22 August 2003

Intention of the proposed variation of scope:

The Council applies for variation of scope to amend the definition of the Sugar Manufacturing and Refining Industry.

Proposed variation of scope:

Sugar Manufacturing and Refining Industry in the Republic of South Africa

"Sugar Manufacturing and Refining Industry" means the industry in which employers and employees are associated for the manufacture, refining or packaging of sugar, including the activities at any site at which such employer and employee are engaged in the warehousing of packed or bulked sugar.

For the purposes of this definition "manufacture, refining" shall include any site where sugar is manufactured or refined including the manufacture of sugar by-products, as well as sales, marketing and distribution of such products which are manufactured on site.

“Textile Manufacturing Industry” means the joint enterprise in which employers and their employees are associated for any of the following purposes:

- (a) The Coarse Sheeting Sub-Sector, which means the joint enterprise in which employers and their employees are associated for any of the following purposes:
 - (i) The manufacture, either in whole or in part, and by any process whatsoever, of coarse sheeting, whether plain or raised or dyed or printed or otherwise treated and including all operations incidental thereto and consequential thereon in the course of such manufacture;
 - (i) The manufacture, by any process whatsoever, including all operations incidental thereto and consequential thereon, in the

course of such manufacture, of yarns for sale or on commission, if such yarns, in the final weight measured 8 063,49 metres or less the kilogram, and are for use in the manufacture of coarse sheeting but not where such yarns are sold by the manufactures thereof for the purpose of manufacturing articles other than those specified subparagraph (i) hereof;

- (ii) The manufacture, either in whole or in part, and by any process whatsoever, including all operations incidental thereto and consequential thereon in the course of such manufacture of canvas and duck.
- (b) The Woven, Crochet and Knitted Narrow Fabric Sub-Sector, which means the joint enterprise in which employers and their employees are associated for the purpose of the manufacture either in whole or in part by any process whatsoever, including all operations incidental thereto and consequential thereon in the course of such manufacture, of woven or crochet or knitted tape, in the strip or the piece, being rigid or elasticated, having a warp and weft, with selvedge on either side, and being not more than 250mm in width and the dyeing and the finishing thereof.
- (c) The Non-Woven Products Sub-Sector, which means the joint enterprise in which employers and their employees are associated for the purpose of the manufacture of non-woven products including but not limited to flock, wadding, padding, felt, underfelt, medical wadding, cotton wool and needlepunched, stitch-bonded, spun-bonded, chemically bonded or thermobonded textile fibre materials by any process whatsoever, including all operations incidental thereto and consequential thereon in the course of such manufacture.

(B) Wool and Mohair Industry in the Republic of South Africa

For the purpose hereof, "Wool and Mohair Industry" means "The sector in which employers and their employees are associated for the purpose of handling and/or receiving and/or grading and/or sorting and/or weighing and/or cataloguing and/or washing and/or carbonising and/or combing and/or bleaching and/or shrink proofing of wool, mohair, and/or similar fibres including any operations incidental thereto".

(C) Carpet Manufacturing Industry in the Republic of South Africa

"Carpet Manufacturing Industry" means the sector in which the employers and employees are associated, wholly or mainly for the purposes of manufacturing and/or converting carpets, rugs, carpet tiles and broadloom carpets.

(D) Worsted Textile Manufacturing Industry (as defined hereunder) in the Republic of South Africa

“Worsted Textile Manufacturing Industry” means the industry in which employers and employees are associated for any of the following purposes:-

- (1) The manufacture, including all operations incidental to such manufacture, of worsted tops and/or noils.
- (2) The manufacture, including all operations incidental to such manufacture, of worsted yarns and/or worsted fabrics.
- (3) The manufacture, including all operations incidental to such manufacture, of woollen and/or mixed yarn and/or woollen or mixed cloth and/or by-products from wastes or otherwise, but shall not include the following:-
 - (i) The manufacture or finishing either wholly or in part of blankets and/or blanketing and/or travelling rugs and/or shawls and/or tapes, webbing, canvas, duck or coarse curtaining for sale as such;
 - (ii) The manufacture of any yarn for sale, or on commission, which, as a single yarn, contains –
 - (a) in the case of cotton yarn 4 000 yards or less to the English pound (avoirdupois); and
 - (b) in the case of woollen or mixed yarn, 2 500 yards or less the English pound (avoirdupois);
 - (iii) the manufacture of any yarn for sale, or on commission, which, as a single yarn contains –
 - (a) in the case of cotton yarn, over 4 000 yards to the English pound (avoirdupois); and
 - (b) in the case of woollen or mixed yarns over 2 500 yards to the English pound (avoirdupois);

unless it is stipulated in writing as a condition of sale or the production on commission that such yarn shall not be used for the manufacture of any of the articles specified in paragraph (i); and

- (iv) the manufacture for sale, or on commission, of any fabric or cloth which is capable of being made into any of the articles specified in paragraph (i) unless it is stipulated in writing as a condition of sale or the production on commission that such a fabric or cloth not be used for the manufacture of any of the articles specified in paragraph (i).

(E) Cotton Textile Processing Manufacturing Industry in the Republic of South Africa

For the purposes hereof “Cotton Textile Processing and Manufacturing Industry” means the industry in which employers and their employees are associated for the following purposes:

- (i) The manufacture of yarn by any process whatsoever, including all operations and processes incidental thereto, from any or from any combination of any of the following raw materials: cotton, spun silk, rayon, including viscose, acetate, cuprammonium, nylon and/or any other synthetic or man-made fibres and also

including all waste and/or by-products from any or all such fibres, excluding the manufacture of any worsted processed yarn for use in the worsted industry;

- (ii) the manufacture of any woven cloth or fabric, including all operations incidental thereto, from any or all raw materials and/or wastes and/or yarns mentioned in (i), including man made filament yarns;
- (iii) the dyeing and/or finishing and/or processing in any way whatsoever, including all operations incidental thereto, of any raw materials, and/or wastes, and/or yarns and woven fabrics mentioned in (i) and (ii).

(F) Manufactured Fibres in the Republic of South Africa

"Manufactured Fibres " means the sector in which employers and their employees are associated for the purpose of the manufacturing and distribution of synthetic textile fibres, including the manufacture and distribution of acrylic and polyester polymers and nylon polymers, the dyeing and/or finishing and/or processing in any manner whatsoever of such fibres and polymers, and all operations incidental.
