797 Long Run Incremental Cost: Notice that no public hearing will be conducted 2 26340

GENERAL NOTICE**NOTICE 797 OF 2004****INDEPENDENT COMMUNICATIONS AUTHORITY OF SOUTH AFRICA****NOTICE THAT NO PUBLIC HEARING WILL BE CONDUCTED**

Pursuant to Notice 3436 of 19 December 2003, the Authority has decided not to conduct a public hearing reviewing the transition to Long Run Incremental Cost ("LRIC"). Notice has 3436 to be read in conjunction with clause 3.1 of the Supplementary Interconnection Guidelines published in Government Gazette 24203 of Government Notice 3457 of 19 December 2002.

The Authority found no justification to hold public hearing on the matter. Its basis for this decision, among others, being that the written representations received from interested stakeholders did not have sufficient information to justify holding hearings and, exercised its discretion as provided for in clause 3.1 of the above-mentioned gazette.
