The owner or principal of the independent school must not refuse reasonable access to a person who has such written permission.
- (3) In cases where the written permission is granted by the HOD, he or she, before granting such permission, must consult the owner or principal of the independent school to be visited, to determine whether it is feasible for the school to receive such a visit, and whether or not the school programme is likely to be seriously affected by such a visit.
- (4) Wherever possible, a representative from the Departmental office should accompany such visitors.

Visits to independent schools by parents

8. (1) Parents have the right to visit the independent schools that their children attend, but such visits may not disrupt any of the school activities.
- (2) Parents are required, prior to the visit, to make an appointment with the principal of the school for a personal meeting with him or her, to state the reason for the visit and to name the persons who may be involved during the visit.

- (4) Independent schools must encourage governing board members and parents to participate in community policing forums.
- (5) Independent schools must develop action plans to counter threats of violence that could have a negative impact on school activities, and to implement regulation 4(1).
- (6) The plans in subregulation (5) must ensure the safety of all learners, staff members and parents during school activities.
- (7) Independent schools must engage in advocacy campaigns to communicate to the public the status of the schools concerning the regulations and their right to protection against violence.

DEPARTMENT OF ENVIRONMENTAL AFFAIRS AND TOURISM**No. 978****20 August 2004****NATIONAL ENVIRONMENTAL MANAGEMENT: BIODIVERSITY ACT (ACT NO. 10 OF 2004):
INVITATION TO INTERESTED SOUTH AFRICAN CITIZENS AND REGISTERED SOUTH
AFRICAN INSTITUTIONS TO APPLY FOR REGISTRATION WITH THE DEPARTMENT OF
ENVIRONMENTAL AFFAIRS AND TOURISM**

1. Experts, interested members of the public and relevant South African organisations are hereby invited to apply for registration with the Department of Environmental Affairs and Tourism (DEAT) for the purpose of consultation regarding:
 - (1) The listing of threatened and protected species (Chapter 4) and;
 - (2) alien and invasive species (Chapter 5) in terms of the Biodiversity Act.
2. In order to comply with section 24 of the Constitution, national legislation is required to regulate the sustainable use of biological resources. The recently promulgated National Environmental Management: Biodiversity Act (Act No. 10 of 2004) provides for the consolidation of different pieces of biodiversity legislation. The provisions of the Act further seek to avoid duplication of functions and promote integrated governance.

Chapter 4 of the Act makes provision for the listing of species that are threatened or in need of protection, to ensure their survival in the wild, while Chapter 5 provides for the management of alien and invasive species through the control of their introduction and spread, as well as the control and eradication of those already established. The Act compels the Minister to follow a public consultative process before publishing lists of threatened or protected species and lists of alien and invasive species.

Recognising the need for consultation to develop and approve these lists before publication in the Government Gazette, a process to expedite the development and approval of these lists was developed by the department.

3. To ensure that all the relevant stakeholders are consulted and to streamline the consultation process, interested stakeholders are invited to register in one of the following identified categories;

- **Expert;**
- **institutional stakeholders (relevant organisations) or;**
- **individual stakeholders.**

Individual members of the public, experts or relevant organisations may apply to register either for the purpose of consultation regarding:

- (1) The listing of threatened and protected species and/or;
- (2) the listing of alien and invasive species.

4. A database of stakeholders will be developed and maintained by the department and will be used for consultation purposes during the species listing developmental process.
5. Scientific and technical expertise relating to threatened and protected species and alien and invasive species will be sourced from experts registered on the stakeholder database. Experts will be invited to form part of *ad hoc* expert groups to assist in the listing of various taxonomic groups or other categories of species. For example, there may be *ad hoc* expert groups set up on (a) developing categories, criteria and scope for the listing of species, (b) birds, (c) mammals, (d) plants, (e) marine and freshwater species, (f) reptiles and amphibians, (g) insects, etcetera.
6. Draft lists will be circulated to all the registered stakeholders on the departmental database for comment and input.

7. The department will make provision to accommodate individuals, relevant organisations and experts to register throughout the duration of the species listing processes.
8. An application may be made by completing the attached application form and which must be submitted to:

INTERNATIONAL TRADE ADMINISTRATION COMMISSION
OF SOUTH AFRICA
GENERAL NOTICE

LIST
10/2004

The International Trade Administration Commission of South Africa has received the following application concerning the Customs and Excise Tariff. (ITAC) Any objection to or comment on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001, within six weeks of the date of this notice. Attention is drawn to the fact that the rate of duty mentioned in the application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

Please note that if any information is considered to be confidential then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the following rules are strictly applicable and parties must indicate:

- ☐ *Where confidential information has been omitted and the nature of such information;*
- ☐ *A summary of the confidential information which permits a reasonable understanding of the substance of the confidential information; and*
- ☐ *In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless indicated to be confidential and filed together with a non-confidential version, will be made available to other interested parties.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

NOTICE 1665 OF 2004

GENERAL NOTICE IN TERMS OF THE RESTITUTION OF LAND RIGHTS ACT, 1994 (ACT NO. 22 OF 1994), AS AMENDED

Notice is hereby given in terms of section 11(1) of the Restitution of Land Rights Act, Act No. 22 of 1994, as amended, that a claim for restitution of land Rights has been lodged on the under-mentioned farms district of Bohlabela, Limpopo.

Mr BA Chiloane lodged a claim in his capacity as a heir for the Chiloane clan with the former ACLA on the 08th November 1995, and Mr AL Chiloane lodged a claim on behalf of the Moletele Community on the 3rd July 1995 and a claim by Mr E Chiloane was lodged with the former ACLA on behalf of the Community on the 19th August 1992 through the assistance of the legal resource center. Kgosi Moraba GM lodged a claim on the 7th November 1998 on behalf of the Moraba Tribal Authority on the same properties lodged by the Moletele Community.

The members of the Moraba Community took a resolution to mandate the Tribal Authority to lodge the claim on behalf of all the people or their direct descendants who were dispossessed of their rights in land.

Both the Moletele and Moraba Community took a resolution to merge their land claims into one community land claim under the name Lekaung Community Land Claim on certain properties on the 29th July 2004 at the Arconhoek. After dispossession the claimants went to different places such as Andover and Leamington where they were further evicted and others went to Brooklyn, Arconhoek and Greenvalley. Other members were removed from the farms that run along the Olifants river settled in Leboeng and Ohrighstad where they are now under the chieftenship of Kgoshi Moraba. The Moletele tribe is currently situated on the farm Buffelshoek where the community is currently residing.
