LOCAL GOVERNMENT: MUNICIPAL FINANCE MANAGEMENT

ACT, 2003

GAZETTE FOR PUBLIC COMMENT

I, Trevor Manuel, Minister of Finance, acting in terms of section 169 (1)(b) of the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003), hereby publish for public comment the draft regulations contained in schedules 1,2 and 3 to this notice.

Any person wishing to submit comments on these regulations should do so before 19 November 2004 at email address: mfma@treasury.gov.za of fax number 012-3155230, or mail to: Private Bag X115, Pretoria, 0001. For attention: Lesley Fisher.

TREVOR A. MANUEL MP
MINISTER OF FINANCE

EXPLANATORY NOTE ON DRAFT REGULATIONS

The draft regulations included in this gazette cover investments, supply chain management and public private partnerships. Though workshops and consultations have taken place with local government, the gazette offers a second opportunity for further comment on the draft regulations.

Once comments are received, they will be taken into account and finalised, for publication in a Government Gazette before 8 December 2004. The proposals will also be submitted to Parliament by 8 December 2004. It is intended that these regulations will be promulgated around 14 February 2005.

The regulations relating to investments and public private partnerships (Schedules 1 and 3 in this gazette) are expected to take effect for all municipalities on 1 March 2004.

The regulations relating to supply chain management (Schedule 2) are expected to take effect later, in order to enable municipalities to develop and approve a supply chain management policy in terms of section 111 of the Act. To support municipalities, the National Treasury will provide a standard supply chain policy that may be adopted by municipalities. This standard supply chain policy and a supporting guide assisting accounting officers with a step-by-step process will be issued by 28 February 2005. Service providers have been identified and training will be scheduled during early 2005. Exemptions will therefore be issued to all municipalities, so that the Schedule 2 supply management regulations take effect for all municipalities on 1 July 2005.

All municipalities are urged to prepare for implementing the new system immediately, using the draft gazettes. Nothing stops a municipality from applying any aspect of these draft regulations to the extent that they are applicable. Municipalities are also reminded that those sections of part 1 of chapter 11 not delayed in terms of section 180, issued in terms of Gazette 26510, still apply. The effective date for supply chain management that was originally gazetted to come into effect on 1 December 2004 will now be effective from 1 July 2005.

Municipalities are invited to submit comments to the National Treasury before 19 November 2004 on both the content of the regulations as well as the proposed implementation dates.
