NOTICE 858 OF 2007

COMPENSATION FOR OCCUPATIONAL INJURIES AND DISEASES ACT,
1993 (ACT NO. 130 OF 1993), as amended

1. I, Membathisi Mphurnzi Shepherd Mdladlana, Minister of Labour, hereby give notice that, after consultation with the Compensation Board and acting under the powers vested in me by Section 97 of the Compensation for Occupational Injuries and Diseases Act, 1993 (Act No 130 of 1993), I prescribe the Scale of "Fees for Medical Aid" payable under section 76, inclusive of the General Rules applicable thereto, appearing in the Schedule to this notice, with effect from 1 April 2007.

2. The fees appearing in the Schedule are applicable in respect of services rendered with retrospective effect as from 1 April 2007 and Exclude 'vAT.

MM S MDLADLANA
MINISTER OF LABOUR
27/06/07

GENERAL INFORMATION / ALGEMENE INLIGTING.

(i) THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER.

The employee is permitted to choose freely his own service provider e.g. doctor, pharmacy, physiotherapist, hospital, etc. and no interference with this privilege is permitted as long as it is exercised reasonably and without prejudice to the employee himself or the Compensation Fund. The only exceptions to this rule are those cases where employers, with the Compensation Commissioner's approval, provide their own medical aid facilities in total, i.e, including hospital, nursing and other services-section 78 of the Act refers.

In terms of section 42 either the Compensation Commissioner or an employer may send the injured employee to another doctor chosen by him (Compensation Commissioner or employer) for a special examination and report. Special fees are payable for this service. This examination and report is usually done only by specialists.

In the event of a change of doctors attending a case, the first doctor in attendance will, except where the case is handed over to a specialist, be regarded as the principal. To avoid disputes, doctors should refrain from treating a case already under treatment without first discussing it with the first doctor. As a general rule, changes of doctor are not favoured, unless there are sufficient reasons therefore.

According to the National Health Act no 61 of 2003 : section 5, a health care provider may not refuse a person emergency medical treatment. Any provider should not however, ask the Compensation Commissioner to authorise such treatment before the claim has been admitted as falling within the scope of the COID Act. Pre authorisation for treatment is not applicable and no medical expenses will be considered or approved if liability for the claim against the Fund has not been accepted.

It should be remembered that an employee seeks medical advice at his own risk. If, therefore, an employee represents to his medical service provider that he is a Compensation for Occupational injuries and Diseases Act case and yet fails to claim the benefits of the Act, leaving the Compensation Commissioner, or his employer, in ignorance of any possible grounds for a claim, the insurance fund concerned cannot accept any responsibility for any medical expenses incurred if the claim is not reported in the prescribed manner. The Compensation Commissioner can also have reason not to accept the claim lodged against the Fund. In such circumstances the employee would be in the same position as any other member of the public as regards payment of his medical expenses.

Please note that as from 1 January 2004 a certified copy of an employee's identity document will be required in order to register a claim with the Compensation Fund. If a copy of the identity document is not submitted the claim will not be registered but will be returned to you/the employer to attach a certified copy of the employee's identity document. Furthermore, all supporting documentation sent to this office must reflect the identity number as well. If it is not reflected, the documents will not be processed but will be returned to the sender to add the ID number.

The amounts published in the tariff for COIDA for medical services are calculated without VAT. The only exclusion is the "per diem" tariff for Private Hospitals, that includes VAT. The account for services rendered will be assessed and calculated without VAT. If VAT is applicable and a VAT registration number is indicated, it will be calculated and added to the payment without being rounded off. Also please note that there are VAT exempted codes in the private ambulance tariff structure.

(i) DIE WERKNEMER EN DIE MEDIËSE DIENSVERSKAFFER

Die werknemer het 'n vrye keuse van diensverskaffer bv. Dokter, apieke, fisioterapeut, hospitaal ens. en geen inmenging met hierdie voorreg word toegelaat solank dit redelik en sonder nadeel vir die werknemer self of die Vergoedingsfonds uitgeoefen word nie. Die enigste uitsonderings op hierdie reël is in daardie gevalle waar die werkgewers met die goedkeuring van die Vergoedingskommissaris hul eie geneeskundige dienste in die geheel voorsien, d.i, insluitende hospitaal- verplegings- en ander dienste-artikel 78 van die Wet verwys.

Kragtens die bepalings van artikel 42 mag die Vergoedingskommissaris of die werkewer na gelang van die geval, 'n beseerde werknemer na 'n ander geneesheer deur hom (Vergoedingskommissaris of werkewer) aangewys, stuur vir 'n spesiale ondersoek en verslag. Spesiale gelde is betaalbaar vir hierdie dienste. Hierdie ondersoek word feitlik uitsluitlik deur spesialiste gedoen.

In die geval van verandering van geneeshere wat 'n geval behandel, sal die eerste geneesheer wat behandeling toegedien het, behalwe waar die geval aan 'n spesialis oorhandig is, as die lasgewer beskou word. Ten einde geskille te voorkom, moet geneesbere hul daarvan weerhou om 'n geval wat reeds onder behandeling is te behandel sonder om dit eers met die eerste geneesheer te bespreek. Oor die algemeen word veranderings van geneeshere, tensy voldoende redes daarvoor bestaan, nie aangemoedig nie.

Volgens die Nasionale Gesondheidswet no 61 van 2033 : seksie 5, mag 'n gesondheidswerker of diensverskaffer nie weier om noodbehandeling te verskaf nie. Hy moet egter nie die Vergoedingskommissaris vra om sulke behandeling goed te keur alvorens aanspreeklikheid vir die eis kragtens die Wet aanvaar is nie. Vooraf goedkeuring vir behandeling is nie van toepassing nie en geen mediese onkoste sal oorweeg word as die eis teen die Fonds nie aanvaar is nie,

Dit moet in gedagte gehou word dat 'n werknemer geneeskundige behandeling op sy eie risiko soek. As 'n werknemer dus aan 'n geneesheer voorgee dat hy 'n geval is onder die Wet op Vergoeding vir Beroepsbeserings en Siektes en tog versuim om die voordele van die Wet te eis deur die Vergoedingskommissaris of sy werkewer in die duister te laat van enige moontlike gronde vir 'n eis, kan die betrokke versekeringsfonds geen aanspreeklikheid aanvaar vir geneeskundige onkoste wat aangegaan is nie as die besering nie aangemeld is op die voorgeskrewe wyse nie. Die Vergoedingskommissaris kan ook rede he om nie die eis teen die Fonds te aanvaar. Onder sulke omstandighede sou die werknemer in dieselfde posisie verkeer as enige lid van die publiek wat betaling van sy geneeskundige onkoste betref.

Neem asseblief kennis dat 'n gesertifiseerde afskrif van van die werknemer se **identiteits dokument benodig word vanaf 1 Januarie 2004** om 'n eis by die Vergoedingsfonds aan te meld. Indien 'n afskrif van die identiteitsdokument nie aangeheg is nie, sal die eis nie geregistreer word nie en die dokumente sal teruggestuur word aan die werkgewer/uself vir die aanheg van die dokument. Aile ander dokumentasie wat aan die kantoor gestuur word moet die identiteitsnommer aangedui hê. Indien nie aangedui nie, sal die dokumentasie nie verwerk word nie, maar teruggestuur word vir die aanbring van die identiteitsnommer.

Die bedrae gepubliseer in die tarief vir COIDA is BTW uitgesluit. Die enigste uitsondering is die "per diem" tarief vir Privaat Hospitale, wat BTW insluit. Die rekening vir dienste gelewer word aangeslaan en bereken sonder BTW. Indien BTW van toepassing is en 'n BTW registrasie nommer aangedui is, word dit bereken en by die betalingsbedrag gevoeg sonder om afgerond te word. Neem asseblief ook kennis dat daar kodes in die privaat ambulans struktuur is waarop BTW nie betaalbaar is nie.

CLAIMS WITH THE COMPENSATION FUND ARE PROCESSED AS
FOLLOWS.

EISE TEENDIE VERGOEDINGSFONDS WORD HANTEER SOOS VOLG:

1. Allocation of a claim number by the Fund, does not constitute that liability has been accepted, but that the injury on duty has been reported to the Compensation Commissioner. New claims are registered by the Commissioner and the employer is notified of the claim number allocated to the claim. Enquiries for claim numbers should be directed to the employer and not to the Commissioner. The employer will be able to give you the claim number for the patient as well as indicate whether the Compensation Commissioner accepted the claim as a COIDA case • *Nuwe eise word geopen deur die Kommissaris en die werkgewer word in kennis gestel van die eisnommer. Navrae vir eisnommers moet aan die werkgewer gerig word en nie aan die Kommissaris nie. Die werkgewer kan die eisnommersverskaf ook aandui of die Kommissaris die eis teen die Fonds aanvaar het of nie*
2. If the claim is accepted as a COIDA claim, reasonable medical expenses will be paid by the Compensation Commissioner. As die eis teen die Fonds aanvaar word, word redelike mediese koste betaal deur die Vergoedings Kommissaris.
3. If the claim is rejected (repudiated), services will not be paid by the Compensation Commissioner. The employer and the employee are informed of this decision. The injured employee will be liable for payment. • *As die eis teen die Fonds afgekeur word (gerepudieer), word dienste nie deur die Vergoedings Kommissaris betaal nie. Die betrokke partye word in kennis gestel van die besluit, ingesluit die diensverskaffers. Die beseerde werknemer is dan aanspreeklik vir die rekening.*
4. If no decision can be made due to inadequate/lack of information, the outstanding information is requested and upon receipt, the claim will again be adjudicated. Depending on the outcome, the accounts from the service provider, will be handled as set out in 2 and 3. Please note that there are claims for which a decision might never be made due to inadequate/lack of forthcoming information • *Indien geen besluit geneem kan word nie, weens 'n gebrek aan inligting, word die uitstaande inligting aangevra. Met ontvangs word die eis hoorweeg. Aanhangende van die uitslag, word die rekening hanteer soos uiteengesit in nommer 1 en 2. Ongelukkig is daar eise waar 'n besluit nooit geneem kan word nie aangesien die uitstaande inligting nie verskaf word nie.*
