### NOTICE 1610 OF 2007

#### INDEPENDENT COMMUNICATIONS AUTHORITY OF SOUTH AFRICA

#### NOTICE OF INTENTION TO CONFIRM LICENSEE INFORMATION CONTAINED IN THE CONVERSION MATRIX

The Authority issued Notice 1257 published in Government Gazette Number 30352 dated 4 October 2007 wherein Licensees were requested to provide information by close of business on 21 October 2007. The Authority received 177 submissions and therewith compiled the Conversion Matrix attached below.

The Licensees are kindly requested to study the matrix and confirm the information contained therein. It should be noted that no Licensees will be allocated multiple licences in the same licence category. **In the event that the information contained in the matrix is does not properly reflect what has been submitted or the appropriate license category, the licensee is required to notify the Authority in writing by not later than 16:00 on 16 November 2007** by fax or email to:

**Attention: Mathibela Selepe**  
Block A, Pin Mill Farm  
164 Katherine Street  
SANDTON  
2196

Tel: (011) 321 8377  
Fax: (011) 321 8583  
E-mail: [mselepe@icasa.org.za](mailto:mselepe@icasa.org.za)

Should a licensee fail to respond to this notice, the Authority will deem it that the licensee accepts and confirms the information to be correct and accurately reflected in the conversion matrix. The Authority will then proceed with the conversion of licences as detailed in the conversion matrix. The final conversion matrix will be published soon thereafter, considering any submissions in response hereto.

## CONVERSION MATRIX

### Definitions:

“**Act**” means the Electronic Communications Act (Act 36 of 2005);

“**BS**” means Broadcasting Service as defined in the Act;

“**ECS**” means an Electronic Communications Service as defined in the Act;

“**ECNS**” means an Electronic Communications Network Service as defined in the Act;

“**Under consideration**”<sup>1</sup> means the licensee has provided **all the** information **required** in terms of Notice 1257 published in Government Gazette Number 30352 and now qualifies **to be considered** for licence conversion in terms of Act. The Authority will consider **ALL** the factors listed herein under in converting VANS licences to Individual ECNS licences:

- (a) Licensees providing services using facilities duly obtained in terms of the Telecommunication Act of 1996: i.e in compliance with their existing licence conditions;
- (b) Licensees who can display the intention to roll out an ECN of national scope. To establish the intention, the licensee must submit the proposed:
  - (i) Technical plan, and
  - (ii) Financial Projections (5 years) to support roll-out, and
  - (iii) Business record of the Licensee;
- (c) Licences issued on or before 19 July 2006 ("existing licences" as defined in the Act);
- (d) Licensees intending or already providing international connectivity;
- (e) Licensees demonstrating Min. 30% HDI [as per Section 9 (2) b) of the Act];
- (f) Ability to pay the "Fixed licence fee" (payable over a 6 year period);

---

<sup>1</sup> The Authority received information from 178 Licensees in response to Notice 1257 referred to above. In relation to the VANS Licensees, the Authority proceeded to analyse the information submitted and made a preliminary shortlist of those licensees who, in the opinion of the Authority, responded extensively to all the questions raised in Notice 1257. Should any licensee be of the opinion that they too should be considered, such licensees are to inform the Authority accordingly.

- 
- (g) Promise of Performance including universal service and access obligations, in the event that the licensee is favourably considered for an individual ECNS.
