MEMORANDUM ON THE OBJECTS OF THE MERCHANT SHIPPING (INTERNATIONAL OIL POLLUTION COMPENSATION FUND) BILL

1 PURPOSE OF BILL

This Bill implements the 1992 Protocol to the International Convention on the Establishment of an International Fund for Compensation for Oil Pollution Damage, 1971 (*the Fund Convention*). The Bill forms part of a package of measures designed to give effect to South Africa's obligations under the Fund Convention and the 1992 Protocol to the International Convention on Civil Liability for Oil Pollution Damage, 1969 (*the Civil Liability Convention*). Parliament has already approved the two protocols under section 231(2) of the Constitution. The full package includes the Merchant Shipping (International Oil Pollution Compensation Fund) (Contributions) Bill, which is a Money Bill, and the Merchant Shipping (Civil Liability Convention) Bill, which gives effect to the Civil Liability Convention.

2 CIVIL LIABILITY AND FUND CONVENTIONS

2.1 The Civil Liability and Fund Conventions were adopted under the auspices of the International Maritime Organization (IMO). They deal with questions of liability and compensation for loss or damage caused by contamination resulting from the escape or discharge of persistent oil from tankers (i.e. ships constructed or adapted for the carriage of oil in bulk as cargo).

2.2 Under the Civil Liability Convention claimants are entitled to compensation from the registered shipowner (or the provider(s) of financial security for the shipowner's liability) for pollution damage suffered in the territory (including territorial sea) or exclusive economic zone of a Contracting State. The shipowner's liability is strict (only limited exemptions and defences are available), but this liability is subject to limitation in accordance with the provisions of the convention. Where limitation applies, the shipowner's liability is determined with reference to the tonnage of the ship concerned, subject to an overall liability limit of SDR 89,770,000 ($\pm$ ZAR 831,395,878)*.

2.3 Whereas the Civil Liability Convention establishes and regulates the liability of the registered shipowner, the Fund Convention establishes an international fund, called the International Oil Pollution Compensation (IOPC) Fund, the purpose of which is to pay compensation to victims of pollution damage (within the meaning of the Civil Liability Convention) where they have been unable to obtain compensation, or compensation in full, under the provisions of the Civil Liability Convention. The IOPC Fund receives its funds from cargo owners, specifically from persons who receive annually, in the ports or terminal installations of the Contracting States, more than 150,000 tonnes of contributing oil. The total amount of compensation payable by the IOPC Fund in respect of an incident is

*1 SDR = ZAR 9.261400 (22 March 2005). Source: IMF.

currently SDR 203,000,000 ($\pm$ ZAR 1,880,064,200), which, in certain cases, may be increased to SDR 300,740,000 ($\pm$ ZAR 2,785,273,436).

2.4 Because the Fund Convention is supplementary to the Civil Liability Convention, a state cannot become a party to the Fund Convention without, at the same time, also becoming a party to the Civil Liability Convention.

3 SUMMARY OF BILL'S PROVISIONS

3.1 *Clause 1* is a standard provision that defines certain expressions and deals with other matters of interpretation.

3.2 *Clause 2* deals specifically with the meaning of the Fund Convention. It requires the Minister of Transport to give publicity to the Convention and its amendments by appropriate notification in the *Gazette*.

3.3 *Clause 3* is a standard provision dealing with the enactment's application to the State and its organs.

3.4 *Clause 4* is a standard provision dealing with the geographical application of the enactment. The clause provides for extraterritorial application, which is consistent with the Fund Convention, and specifically extends the enactment to the external territories of the Prince Edward Islands, which is consistent with section 4 (Limitation on future application of laws) of the Prince Edward Islands Act, 1948 (Act No. 43 of 1948).

3.5 *Clauses 5 and 6* give effect to paragraph 2 of Article 2 of the Fund Convention; this paragraph requires Contracting States to recognise the IOPC Fund as a legal person under their laws and to recognise the Director of the Fund as its legal representative.

3.6 *Clause 7* gives certain provisions of the Fund Convention the force of law; these provisions relate mainly to the IOPC Fund's liability to pay compensation. Subclauses (2) and (3) provide for the interpretation of references to territorial sea and exclusive economic zone in a manner that is consistent with the Maritime Zones Act, 1994 (Act No. 15 of 1994). Subclause (4) allows the South African Maritime Safety Authority, on behalf of the Government, to request assistance from the IOPC Fund for the purpose of responding to any pollution incident in respect of which the Fund may be called upon to pay compensation.

3.7 *Clause 8* applies to claims for compensation against the IOPC Fund. It confirms the High Court's admiralty jurisdiction in relation to such proceedings.

3.8 *Clause 9* gives effect to paragraph 4 of Article 7 of the Fund Convention; this paragraph allows the IOPC Fund to intervene in proceedings brought under Article IX of the Civil Liability Convention. Another Bill — the Merchant Shipping (Civil Liability Convention) Bill — implements the Civil Liability Convention.

3.9 *Clause 10* allows regulations about giving effect to Article 8 of the Fund Convention; this Article deals with the mutual recognition and enforcement of judgments in Contracting States. Subclause (2) confirms the power to make rules of court with respect to matters not provided for in the regulations.

3.10 *Clause 11* deals with the way in which certain documentary evidence may be given in legal proceedings involving the IOPC Fund. It

allows evidence of certain documents held or issued by the IOPC Fund to be given by production of a copy that has been certified as a true copy by an official of the Fund.

3.11 *Clause 12* is a standard provision allowing the Minister of Transport to make regulations under the enactment. Regulations fixing fees are to be made with the consent of the Minister of Finance.

3.12 *Clause 13* is a standard provision dealing with the enactment's short title and commencement. Subclause (2) requires the President to fix the commencement date by proclamation in the *Gazette*.

**MEMORANDUM ON THE OBJECTS OF THE MERCHANT SHIPPING
(INTERNATIONAL OIL POLLUTION COMPENSATION FUND)
(CONTRIBUTIONS) BILL**

1 PURPOSE OF BILL

1.1 This is a Money Bill within the meaning of section 77 of the Constitution. It gives effect to the financing (contributions) provisions of 1992 Protocol to the International Convention on the Establishment of an International Fund for Compensation for Oil Pollution Damage, 1971 (*the Fund Convention*). The Bill forms part of a package of measures designed to give effect to South Africa's obligations under the Fund Convention and the 1992 Protocol to the International Convention on Civil Liability for Oil Pollution Damage, 1969 (*the Civil Liability Convention*). Parliament has already approved the two protocols under section 231(2) of the Constitution. The full package includes the Merchant Shipping (International Oil Pollution Compensation Fund) Bill (*the Fund Act*) and the Merchant Shipping (Civil Liability Convention) Bill, which gives effect to the Civil Liability Convention.

1.2 The main object of this Bill is to impose, and regulate the payment and recovery of, contributions payable under the Fund Convention.

2 CIVIL LIABILITY AND FUND CONVENTIONS

2.1 The Civil Liability and Fund Conventions were adopted under the auspices of the International Maritime Organization (IMO). They deal with questions of liability and compensation for loss or damage caused by

contamination resulting from the escape or discharge of persistent oil from tankers (i.e. ships constructed or adapted for the carriage of oil in bulk as cargo).

2.2 Under the Civil Liability Convention claimants are entitled to compensation from the registered shipowner (or the provider(s) of financial security for the shipowner's liability) for pollution damage suffered in the territory (including territorial sea) or exclusive economic zone of a Contracting State. The shipowner's liability is strict (only limited exemptions and defences are available), but this liability is subject to limitation in accordance with the provisions of the convention. Where limitation applies, the shipowner's liability is determined with reference to the tonnage of the ship concerned, subject to an overall liability limit of SDR 89,770,000 ($\pm$ ZAR 831,395,878)*.

2.3 Whereas the Civil Liability Convention establishes and regulates the liability of the registered shipowner, the Fund Convention establishes an international fund, called the International Oil Pollution Compensation (IOPC) Fund, the purpose of which is to pay compensation to victims of pollution damage (within the meaning of the Civil Liability Convention) where they have been unable to obtain compensation, or compensation in full, under the provisions of the Civil Liability Convention. The IOPC Fund receives its funds from cargo owners, specifically from persons who receive annually, in the ports or terminal installations of the Contracting

States, more than 150,000 tonnes of contributing oil. The total amount of compensation payable by the IOPC Fund in respect of an incident is currently SDR 203,000,000 ($\pm$ ZAR 1,880,064,200), which, in certain cases, may be increased to SDR 300,740,000 ($\pm$ ZAR 2,785,273,436).

2.4 **Because** the Fund Convention is supplementary to the Civil Liability Convention, a state cannot become a party to the Fund Convention without, at the same time, also becoming a party to the Civil Liability Convention.

3 SUMMARY OF BILL'S PROVISIONS

3.1 *Clause 1* is a standard provision that defines certain expressions and deals with other matters of interpretation.

3.2 *Clause 2* applies sections 3, 4, 5, 6 and 11 of the Fund Act in a corresponding way to the way in which they apply to that Act: section 3 deals with the extent to which the Fund Act binds the State and its organs; section 4 deals with the geographical extent of the Fund Act's application; section 5 recognises the legal personality of the IOPC Fund; section 6 recognises the Fund's Director as its legal representative; and section 11 deals with the way in which certain documentary evidence may be given in legal proceedings involving the Fund.

3.3 *Clause 3* imposes contributions payable under Article 10 of the Fund Convention. Article 10 requires persons who receive annually, in the ports or terminal installations of a Contracting State, more than 150,000 tonnes of contributing oil to pay contributions to the International Oil Pollution Compensation Fund 1992. Contributions are fixed annually by

the Fund in accordance with the provisions of Article 12 of the Fund Convention.

3.4 *Clause 4* gives effect to Article 10 of the Fund Convention; this Article deals with liability to make contributions to the IOPC Fund. Subclause (2) deals with the interpretation of certain provisions in Article 10 and, in particular, gives effect to paragraph 2(b) of that Article.

3.5 *Clause 5* gives effect to paragraphs 2 and 3 of Article 12 of the Fund Convention; these paragraphs deal with the way in which contributions are calculated. The Director of the IOPC Fund calculates the annual contributions for each person liable to make contributions under Article 10. The Director will invoice liable persons directly.

3.6 *Clause 6* gives effect to paragraph 4 of Article 12 of the Fund Convention; this paragraph deals with when contributions are due and payable. Contributions are due and payable on the day fixed in the Internal Regulations of the IOPC Fund, or as otherwise decided by the Assembly of the Fund.

3.7 *Clause 7* allows regulations about requiring security for the payment of contributions to be given to the IOPC Fund.

3.8 *Clause 8* supplements clause 7 by creating an appropriate offence in relation to the duty to give security under clause 7. Failing or refusing to give security is made punishable by a maximum prison term of 2 years and/or by its fine equivalent (ZAR 40,000).

3.9 *Clause 9* gives effect to paragraph 1 of Article 13 of the Fund Convention; this paragraph deals with arrear contributions. Arrear

contributions attract interest that, in the clause, is expressed as late payment penalty. Late payment penalty is calculated with reference to the applicable annual interest rate determined by the IOPC Fund.

3.10 *Clause 10* gives effect to paragraph 3 of Article 13 of the Fund Convention; this paragraph deals with the Director's responsibility to recover amounts owing to the IOPC Fund. The clause allows the Fund to recover contributions and late payment penalty that are due and payable as if they were debts due to the State. Subclause (2) confirms that the State is not liable for costs or other expenses incurred by the Fund in recovering contributions or late payment penalty.

3.11 *Clause 11* allows regulations about the payment of late payment penalty and the payment or refund of contributions.

3.12 *Clause 12* gives effect to Article 15 of the Fund Convention in so far as it relates to the Republic. The clause requires the South African Maritime Safety Authority (SAMSA) to give the IOPC Fund certain information about contributing oil receipts and receivers. It also allows SAMSA to inform the Fund about any other matter relating to contributions that SAMSA considers appropriate.

3.13 *Clauses 13 and 14* supplement clause 12 by allowing regulations about record-keeping and returns. The regulations will enable the South African Maritime Safety Authority to give the IOPC Fund accurate information about contributing oil receipts.

3.14 *Clauses 15 and 16* supplement clause 13 by creating appropriate offences in relation to duties to give information and returns under clause

12. Failing or refusing to give information or a return (clause 15) is made punishable by a maximum prison term of 3 years and/or by its fine equivalent (ZAR 60,000). Giving false information or a false return (clause 16) is made punishable by a maximum prison term of 5 years and/or by its fine equivalent (ZAR 100,000).

3.15 *Clause 17* is a standard provision allowing the Minister of Transport to make regulations under the enactment. Regulations are to be made with the consent of the Minister of Finance.

3.16 *Clause 18* allows an offence to be prosecuted at any place the accused happens to be, regardless of where the offence was committed. It also extends the jurisdiction of the magistrates' courts in matters of punishment.

3.17 *Clause 19* is a standard provision dealing with the enactment's short title and commencement. Subclause (2) requires the President to fix the commencement date by proclamation in the *Gazette*.
