NOTICE 1057 OF 2009

GENERAL NOTICE IN TERMS OF SECTION 11A OF THE RESTITUTION OF LAND RIGHTS ACT, 1994 (ACT NO. 22 OF 1994)

WHEREAS a land claim was lodged on behalf of the Zwartwater Community, which land claim was published in terms of Section 11(1) of the Restitution of Land Rights Act, Act No. 22 of 1994 (*"the Act"*)

and
WHEREAS during the investigation of the land claim, the Regional Land Claims Commissioner : Eastern Cape Province has reason to believe that the criteria set out in Section 11(1)(b) of the Act have not been met.

WHEREAS a notice was published in terms of Section 11A(2) of the Act under Notice No. 339 in Government Gazette No. 32043 of 27 March 2009 that at the expiry of **21 days** the notice of claim previously published under the terms of Section 11(1) of the Act in Government Gazette Notices Nos. 1425 of 2005 to 1539 of 2005 inclusively contained in Government Gazette No. 27892 of 19 August 2005 will be withdrawn unless cause to the contrary is shown to her satisfaction.

AND WHEREAS no objection was received since the publication of the Section 11A(2) Notice of 27 March 2009.

AND WHEREAS the period of 21 days from the date of that notice has expired without any cause to the contrary being shown.

NOTICE is hereby given in terms of Section 11A(3) of the Act that Government Gazette Notice Nos. 1425 of 2005 to 1539 of 2005 inclusively contained in Government Gazette No. 27892 of 19 August 2005 is withdrawn.

The details of the Government Gazette Notices Nos. 1425 of 2005 to 1538 of 2005 inclusive and to which this Notice relates are the following:

REFERENCE NO	:	6/2/2/D/86/0/0/2

The reason why the Regional Land Claims Commissioner believes that the criteria in Section 11(1) of the Act have not been met is that :

- (a) a new researcher was engaged to continue with the investigation upon the Section 13 mediation and negotiation process under the Act no longer being feasible;
- (b) the new researcher was requested to revisit the facts underlying the report of the original researcher and to have regard to the facts relating to the claimant community and the families making up that community as well as all evidence presented which demonstrated whether or not they had been dispossessed of a right in land after 19 June 1913, and if so, the nature of the right in land with specific reference to whether they enjoyed rights of ownership in land or other real or personal rights to occupy or use land as contemplated in the definition of *"right in land"* in Section 1 of the Act as read with the Constitutional Court pronouncement in regard to the content of that right in the case of **Department of Land Affairs & Others v Goedgelegen Tropical Fruits (Pty) Ltd 2007 (6) SA 199 (CC)**;
- (c) the new research report indicated that the claimant community and their families had been dispossessed of rights in land prior to 19 June 1913 and was unable to ascertain that the claimant community or its constituent families were dispossessed of ownership in land or any other right in land after 19 June 1913;
- (d) upon considering the contents of the Report, the Regional Land Claims Commissioner : Eastern Cape invited the claimant community, without prejudice to their rights under Section 11A of the Act, to ascertain whether the claimant community or any part of that community were dissatisfied with the conclusion drawn by the new researcher, and if so, to produce information that may assist the Regional Land Claims Commissioner in considering the weight to be attached to the new research report;
- (e) the Regional Land Claims Commissioner is aware of the overcrowding in the area to which the claimant community and its family members were dispossessed, but this situation was as a consequence of the pre 19 June 1913 dispossession and relocation, and on the evidence produced during the investigation, she has reason to believe that no members of the community nor their families were dispossessed of a right in land after 19 June 1913 as required under Section 2(1)(a) of the Act.
