Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

GOVERNMENT NOTICES • GOEWERMENTSKENNISGEWINGS

DEPARTMENT OF ENERGY**NO. 454****20 APRIL 2016****COAL FROM CROSS BORDER PROJECTS
IPP PROCUREMENT PROGRAMME 2015****DETERMINATION UNDER SECTION 34(1) OF THE ELECTRICITY REGULATION ACT, 2006
(ACT NO. 4 OF 2006)**

The Minister of Energy ("**the Minister**"), in consultation with the National Energy Regulator of South Africa ("**NERSA**"), acting under section 34(1) of the Electricity Regulation Act, 2006 (Act No. 4 of 2006) (as amended) ("**the ERA**") and the Electricity Regulations on New Generation Capacity (published as GNR. 399 in Government Gazette No. 34262 dated 04 May 2011) ("**Regulations**"), has determined as follows:

1. that energy generation capacity is needed to contribute towards energy security, including 3750 megawatts to be generated from Coal, from cross border projects which represents the capacity allocated to "Coal (PF, FBC, Imports)", under the heading "New build", for the years 2025 to 2030, in Table 3 of the Integrated Resource Plan for Electricity 2010-2030 (published as GN 400 of 06 May 2011 in *Government Gazette* No. 34263) ("**IRP 2010-2030**");
2. electricity produced from cross border projects as described above ("**the electricity**"), shall be procured through one or more IPP procurement programmes as contemplated in the Regulations, which may, where appropriate and having regard to all relevant circumstances including the urgent need to secure connection to the Grid as soon as possible for the power procured pursuant to this Determination, include tendering processes, direct negotiation with one or more project developers, or other procurement procedures including those undertaken in the host country by or in conjunction with a third party ("**procurement programmes**");
3. the procurement programmes shall target connection to the Grid for the new generation capacity as soon as reasonably possible taking into account all relevant factors including the time required for procurement, according to a schedule that may differ from the timetable set out in Table 3 of the IRP 2010-2030;

4. the electricity may only be sold to the entity designated as the buyer in paragraph 8 below, and only in accordance with the power purchase agreements and other project agreements to be concluded in the course of the procurement programmes; provided that this shall not preclude multi-buyer agreements or arrangements in terms of which, by agreement with the buyer, the electricity is sold to both the buyer and one or more third parties or related parties;
5. no power purchase agreement in respect of electricity from a cross border project shall be entered into unless adequate agreements, memoranda of understanding or arrangements are in place between the Government and the relevant foreign government or international organisation, as are necessary to enable such cross border project;
6. the procurer in respect of the procurement programmes will be the Department of Energy;
7. the role of the procurer will be to conceptualise and conduct the procurement programmes, including preparing any requests for information, requests for qualification, requests for proposals and/or all related and, associated documentation, negotiating the power purchase agreements, facilitating the conclusion of the other project agreements, and facilitating the satisfaction of any conditions precedent to financial close which are within its control;
8. the electricity must be purchased by Eskom Holdings SOC Ltd or by any successor entity to be designated by the Minister of Energy, as buyer (off-taker); and
9. the electricity must be purchased from independent power producers.
