## Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website [www.gpwonline.co.za](http://www.gpwonline.co.za) to familiarise yourself with the new deadlines.

### CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above. Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

**Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.**

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

### AMENDMENTS TO NOTICES

take note!

With effect **from 01 October**, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

### CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

### PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to [submit.egazette@gpw.gov.za](mailto:submit.egazette@gpw.gov.za), please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

### REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

For purposes of reference, all Proclamations, Government Notices, General Notices and Board Notices published are included in the following table of contents which thus forms a weekly index. Let yourself be guided by the gazette numbers in the righthand column:

Alle Proklamasies, Goewermentskennisgewings, Algemene Kennisgewings en Raadskennisgewings gepubliseer, word vir verwysingsdoeleindes in die volgende Inhoudopgawe ingesluit wat dus weeklikse indeks voorstel. Laat self deur die Koerantnommers in die regterhandse kolom lei:

**GOVERNMENT PRINTING WORKS BUSINESS RULES**

**Government Printing Works** has established rules for submitting notices in line with its electronic notice processing system, which requires the use of electronic Adobe Forms. Please ensure that you adhere to these guidelines when completing and submitting your notice submission.

1. No hand written notices will be accepted for processing, this includes Adobe forms which have been completed by hand.
2. Notices can only be submitted in Adobe electronic form format, to the email submission address [submit.egazette@gpw.gov.za](mailto:submit.egazette@gpw.gov.za). All notice submissions not on Adobe electronic forms will be rejected.
3. When submitting your notice request, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email and must be attached separately. (In other words, your email should have an Adobe Form plus proof of payment/purchase order as 2 separate attachments. Where notice content is applicable, it should also be a 3rd separate attachment).
4. Notices brought to GPW by "walk-in" customers on electronic media can only be submitted in Adobe electronic form format.
5. All "walk-in" customers with notices that are not on electronic Adobe forms will be routed to the Contact Centre where they will be assisted to complete the forms in the required format. Where a customer walks into GPW with a stack of hard copy notices delivered by a messenger on behalf of any organisation e.g. newspaper publisher, the messenger will be referred back to the sender as the submission does not adhere to the submission rules.
6. For National or Provincial gazette notices, the following applies:
  - 6.1 These notices must be accompanied by an electronic Z95 or Z95Prov Adobe form
  - 6.2 The notice content (body copy) MUST be a separate attachment.
7. The current cut-off of all Gazette's remains unchanged for all channels. (Refer to the GPW website for submission deadlines – [www.gpwonline.co.za](http://www.gpwonline.co.za))
8. Incorrectly completed forms and notices submitted in the wrong format will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email [info.egazette@gpw.gov.za](mailto:info.egazette@gpw.gov.za))
9. All re-submissions will be subject to the standard cut-off times.
10. All submissions and re-submissions that miss the cut-off will be rejected to the customer to be submitted with a new publication date.
11. The electronic Adobe form will be taken as the primary source for the notice information to be published. Instructions that are on the email body or covering letter that contradicts the notice form content will not be considered.
12. Requests for Quotations (RFQs) should be received by the Contact Centre at least 24 hours before the submission deadline for that specific publication.

**APPROVAL OF NOTICES**

13. Any notices other than legal notices are subject to the approval of the Government Printer, who may refuse acceptance or further publication of any notice.

NO. 779

01 JULY 2016

**NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998  
(ACT NO. 107 OF 1998)****IDENTIFICATION OF THE MINISTER AS COMPETENT AUTHORITY FOR THE CONSIDERATION  
AND PROCESSING OF ENVIRONMENTAL AUTHORISATIONS AND AMENDMENTS THERETO  
FOR ACTIVITIES RELATED TO THE INTEGRATED RESOURCE PLAN (IRP) 2010 - 2030**

The concern regarding who the competent authority is for environmental authorisation applications for renewable energy has been raised since 2011.

In December 2009 at the United Nations Framework Convention on Climate Change (UNFCCC), the President, honourable Jacob Zuma, committed South Africa to take nationally appropriate Carbon Dioxide (CO<sub>2</sub>) mitigation action to enable a 34% deviation below the "Business As Usual" emissions growth trajectory by 2020 and a 42% deviation below the "Business as Usual" emission growth trajectory by 2025. This commitment was made in line with the Articles of the United Nations Framework Convention on Climate Change (UNFCCC) and is being implemented, among others, through the Integrated Resource Plan (IRP) 2010 – 2030. This commitment, which was made in line with the relevant Articles of the UNFCCC and was communicated to the Secretariat of the UNFCCC on the 29 January 2010, changed the competency for authorising activities identified in terms of section 24(2) of NEMA which related to the Integrated Resource Plan, including associated activities and amendments. Since 29 January 2010 to date and in terms of section 24C(2)(a), the Minister of Environmental Affairs has exercised the powers as the competent authority in the instances where the activities had implications for international commitments or relations. The activities related to the Integrated Resources Plan (IRP) 2010 – 2030 are included in these activities.

Section 24C(2)(a)(i) of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended by section 6 of the National Environmental Management Laws Amendment Act, 2013 (Act No. 30 of 2013), now requires that the Minister of Environmental Affairs must be identified as the competent authority for the issuing of environmental authorisations in respect of activities that have implications for international environmental commitments or relations and that have been identified by notice in the *Gazette*.

Therefore I, Bomo Edith Edna Molewa, Minister of Environmental Affairs, hereby in terms of section 24C(1), 24C(2)(a)(i) and 24D of the National Environmental Management Act, 1998, confirms that the Minister of Environmental Affairs is the Competent Authority for activities which are identified as activities in terms of section 24(2)(a), which may not commence without an environmental authorisation, and which relates to the Integrated Resources Plan (IRP) 2010 – 2030 and any updates thereto.

All environmental authorisations issued for activities that relates to the Integrated Resource Plan (IRP) 2010 – 2030 made by myself or a MEC in his or her capacity as the competent authority between the 30 January 2010 until the date of publication of the Government Notice in the *Gazette* must be regarded as valid and having been made under an agreement in terms of section 24C(3)(a) of the National Environmental Management Act, 1998. All pending applications on the date of publication of this notice in the *Gazette* must be submitted to the Minister of Environmental Affairs for finalisation.

## DEPARTMENT OF HIGHER EDUCATION AND TRAINING

NO. 780

01 JULY 2016

**NATIONAL QUALIFICATIONS FRAMEWORK ACT, 2008 (ACT NO. 67 OF 2008)****NOMINATIONS FOR THE RECOGNITION OF PRIOR LEARNING REFERENCE GROUP**

After a process which started with the appointment of the Ministerial Task Team for Recognition of Prior Learning (MTT RPL) in 2012; the publication of a draft RPL policy in 2014; receipt of many comments; consultation with key stakeholders; submission to the technical working groups of two Directors-General clusters; and a final round of narrow consultation, the RPL Coordination policy has now been published in Government Gazette No. No. 39876, dated 31 March 2016.

The Policy recognises that a strong driver and coordinating mechanism is required to ensure that RPL is further developed and implemented on a wide scale across the education and training system. This strategy would best be served by establishing a national RPL coordinating mechanism. This should be established in two phases, to ensure that the urgency to establish the coordinating mechanism is realized, as well as to ensure that there is sufficient time to legislate the establishment of an institutional mechanism and to establish a sustainable funding mechanism for RPL implementation.

In the first phase, DHET will establish a national coordinating mechanism for RPL with a Reference Group. The Terms of the Reference for the Reference Group are in **SCHEDULE 1**.

I am inviting nominations of people who will serve in the Reference Group on RPL. The Reference Group must comprise persons who are representative of all races, gender and disability.

The members appointed must:

- a) be broadly representative of the education and training sectors and related interests;
- b) have thorough knowledge and understanding of education and training, and RPL in particular;
- c) appreciate the role of education and training in the reconstruction and transformation of the South African economy and society;
- d) have known and attested commitment to the interests of education and training, and RPL in particular; and
- e) have knowledge and understanding of National Qualifications Framework (NQF) matters and quality assurance in education and training.

Nominations are encouraged from:

- (a) Persons involved in education and training;
- (b) Persons involved in work related to RPL;
- (c) Persons involved in Project Management and project implementation;
- (d) Persons who have sound knowledge of research, monitoring and evaluation;
- (e) Organisations involved in education and training, and particularly RPL;
- (f) Professional bodies;
- (g) Organised labour;
- (h) Organised business;
- (i) Organisations representing community and development interests; and

The Policy provides for the establishment of a national coordinating mechanism for the Recognition of Prior Learning Institute (NRPLI). The NRPLI will be established in two phases. In the first phase, DHET will establish a national coordinating mechanism for RPL with a Reference Group.

**DEPARTMENT OF TRADE AND INDUSTRY**  
**NOTICE 377 OF 2016**  
**INTERNATIONAL TRADE ADMINISTRATION COMMISSION**  
**CUSTOMS TARIFF APPLICATIONS**  
**LIST 05/2016**

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following application concerning the Customs Tariff. Any objection to or comments on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in this application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

**CONFIDENTIAL INFORMATION**

*The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.*

*These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:*

- ❑ Each instance where confidential information has been omitted and the reasons for confidentiality;*
- ❑ A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- ❑ In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

*This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.*

*The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons. If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due).*

*Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.*

**NOTICE OF TERMINATION:**

The Commission received an application on 14 September 2015 for an increase in the rate of customs duties on the following subject product:

**Printed bi-axially orientated polypropylene (BOPP) film or polymers of propylene: classifiable under tariff subheading 3920.20.25, 3920.20.35 from 10% ad valorem to 20% ad valorem duty and 3920.20.45 from free of duty to 20% ad valorem duty.**

Also described as other plates, sheets, film, foil and strip, of plastics, non-cellular and not reinforced, laminated, supported or similarly combined with other material which is used in the packaging industry:

The Application was received from:

Amcor Flexible (Pty) Ltd

P O Box 492

Pine Town

Durban

3600

**Reason for the withdrawal**

The above application was published in the Government Gazette No. 39718 dated 19 February 2016 for comment by interested parties.

The Commission has since received a request from the Applicant dated 11 May 2016 indicating that the application for an increase in the rate of duty is no longer supported by other local producers of flexible packaging which had promoted the application together with the Applicant. The Commission considered this request at its meeting held on 14 June 2016 and decided to terminate the investigation following the above request by Amcor Flexibles (Pty) Ltd, regarding the application for an increase in the rate of duty.
