**MINISTER OF SPORT AND RECREATION**

## SCHEDULE

### MINISTRY OF SPORT AND RECREATION

### APPOINTMENT OF A COMMITTEE TO INVESTIGATE ALLEGED IRREGULARITIES IN THE GOVERNANCE AND MANAGEMENT OF THE SOUTH AFRICAN SPORTS CONFEDERATION AND OLYMPIC COMMITTEE (“SASCOC”)

#### Background

1. Recently the media has reported on the alleged irregularities and malpractices in the governance and management of the South African Sports Confederation and Olympic Committee (**SASCOC**) which has tarnished the image and integrity SASCOC and sports fraternity in general.
2. The alleged irregularities and malpractices in the governance and management of SASCOC which were also brought to the attention of the Minister of Sport and Recreation entail the following:
  - 2.1 Disregard and/or contravention of the SASCOC’s Constitution by certain members of SASCOC or a faction of the members of SASCOC;
  - 2.2 Disregard by the President of SASCOC of the legal opinions of 2 senior counsels relative to the status of the Provincial Council and the Associate Member as to who would be eligible for election at the SASCOC Quadrennial Council Meeting on 26 November 2016. This resulted in the President erroneously co-opting various individuals onto the Executive, thereby exceeding the requirements as set out in the SASCOC Constitution;

- 2.3 Unilateral decision by the President of SASCOC in responding to the Minister of Sport and Recreation's concerns instead of acting in unison with the Board;
- 2.4 Usurping the executive powers and functions of the Chief Executive Officer of SASCOC by the President of SASCOC;
- 2.5 Removal of certain members of the Board of SASCOC through improper means and in contravention of the SASCOC Constitution and failure to provide reasons for their removal as required by the Promotion of Administrative Justice Act, 2000 (Act No. 3 of 2000);
- 2.6 SASCOC calling for new votes to remove these members after receiving the initial vote which has determined that these members should be retained by the SASCOC Board;
- 2.7 Alleged illegal attempts by certain members of SASCOC to manipulate the votes of these elections in order to oust certain members of the SASCOC Board;
- 2.8 Allegations in general that the elections for SASCOC Board members were biased and in conflict with the provisions of the SASCOC Constitution as these elections did not meet the stipulated criteria;
- 2.9 SASCOC and its Board allegedly acting contrary to, taking illegal or questionable decisions or being involved in illegal activities which are inconsistent with its Constitution and good corporate governance;
- 2.10 Financial mismanagement by SASCOC and its Board;
- 2.11 Failure by SASCOC and its Board to implement effective and sound labour processes and disciplinary measures in respect of the CEO of SASCOC is concerned;

- 2.12 Whether the governance and administration of SASCOC and its Board are dysfunctional to such a degree that it –
- 2.12.1 clearly corroborates the fact that SASCOC has failed in terms of fiduciary responsibilities and that its Governance leaves much to be desired; and
  - 2.12.2 requires the Minister of Sport and Recreation to intervene by, amongst others, dissolving the SASCOC board as a last resort;
- 2.13 SASCOC totally abdicating its responsibility to address the dispute between the South African Sports and Fitness Federation (“**SASAFF**”) and Dr. George Van Heerden and Ms. Lynette Early by failing to implement and execute the findings and recommendations of Adv. Pullinger SC as contained in the Pullinger Report submitted by him to SASCOC more than 2 years ago;
- 2.14 SASCOC’s funding allegedly being used to fight personal and political battles as a result of its President’s intervention (e.g. SASCOC had to pay nearly R 1.5 million (legal costs and expenses) in relation to the matter of Karate South Africa, etc.) which should have rather been spent to help develop Team South Africa and sport in general;
- 2.15 SASCOC Board members allegedly refuse to sign non-disclosure and confidentiality agreements in terms of good corporate governance whereas a certain Board member (Ms. Merril King) has indeed disclosed information regarding the CFO of SASCOC to the SASCOC Board and all the staff of SASCOC despite having been told not to do so. In addition, no steps have subsequently been taken against Ms. King despite requests to take action against her;

- 2.16 Alleged discrimination by SASCOC by openly stated to its Board members that Ms. Jean Kelly, an employee within the administration, cannot be appointed as the Chef de Mission of Team South Africa as she is “White”;
  - 2.17 Attempts from some of SASCOC’s Board members to express their concerns and opposition with regard to certain matters have allegedly been bluntly ignored by its President;
  - 2.18 Allegations that certain individuals in SASCOC are benefitting directly as a result of their business positions and have failed to disclose any conflict of interest in this regard; and
  - 2.19 Allegedly SASCOC’s headquarters and the home of its CEO have been “bugged” as confirmed by a security report.
3. SASCOC failed to provide the Minister of Sport and Recreation with satisfactory answers to the above alleged irregularities and mismanagement in the governance and management of SASCOC;
  4. The above-mentioned alleged irregularities and mismanagement in the governance and management of SASCOC necessitate the appointment of a Ministerial Committee (Committee) to investigate, make findings, report on and make recommendations in relation to the above-mentioned irregular conduct by SASCOC and its Board.
  5. The Committee shall inquire into, investigate, make findings and recommendations, and report on the following matters to the Minister of Sport and Recreation:
    - 5.1 The complaints reported in the media and addressed to the Minister of Sport and Recreation as contemplated in subparagraphs. 2.1 to 2.19 above;
    - 5.2 Investigate and report to the Minister of Sport and Recreation on the exact reasons which resulted in SASCOC becoming dysfunctional and

failing to execute its fiduciary responsibilities in accordance with its Constitution and to govern and administer its domain and mandate desirably;

- 5.3 Investigate and report on any non-compliance by the SASCOC Board or any other person or body with the provisions of the SASCOC Constitution or any other applicable laws that could have caused or contributed to SASCOC being dysfunctional or failing to execute its fiduciary responsibilities;
- 5.4 Investigate and report on serious or disruptive divisions between factions of the membership of SASCOC and its staff and the reasons which have caused it;
- 5.5 Investigate and report on any irregularities discovered which have or could have contributed to the complaints referred to in subparagraphs 2.1 – 2.19 above;
- 5.6 Enquire into, assess and report on the effectiveness and efficiency of the current administration of SASCOC and in particular identify all aspects of SASCOC's current administrative system which encourages illegal practices or shortcomings relative to its governance and administration in terms of its Constitution;
- 5.7 Enquire into and report on the degree of compliance by SASCOC and its Board members and staff, amongst others, with its Constitution and applicable laws especially insofar as good corporate governance is concerned;
- 5.8 Recommend ways to eliminate deficiencies or shortcomings identified by the Committee;
- 5.9 Recommend systems, practices and procedures to improve the administration of SASCOC and its Board, facilitate compliance with its Constitution, applicable laws, especially when weighed against the SASCOC Constitution, rules and regulations;

- 5.10 Assess the provisions of the SASCOC Constitution for any weaknesses and propose remedies to address such weaknesses;
- 5.11 Assess the legal standing of the SASCOC Board and make recommendations on how to proceed (e.g. should independent persons rather be appointed as SASCOC Board members, etc.) inclusive of any structural weaknesses of SASCOC identified (e.g. has SASCOC executed and distinguished its operational decisions and actions sufficiently and effectively from its executive decisions and actions in accordance with the provisions of its Constitution or not);
- 5.12 Report and make recommendations on how a similar occurrence of the complaints referred to in subpar. 2.1 to 2.19 above is to be prevented in future;
- 5.13 Add to, vary or amend these Terms of Reference from time to time in consultation with the Minister of Sport and Recreation; and
- 5.14 The Committee must be assisted by such persons as the chairperson may consider necessary for the proper execution of administrative functions of the Committee or such persons as appointed by SRSA.

INTERNATIONAL TRADE ADMINISTRATION COMMISSION

CUSTOMS TARIFF APPLICATIONS

LIST 12/2017

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following application concerning the Customs Tariff. Any objection to or comments on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in this application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

**CONFIDENTIAL INFORMATION**

*The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.*

*These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:*

- ❑ Each instance where confidential information has been omitted and the reasons for confidentiality;*
- ❑ A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- ❑ In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

*This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.*

*The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.*

*If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due).*

*Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.*
