### NATIONAL TREASURY

NO. 430

18 MARCH 2019

#### STOPPING AND RE-ALLOCATION OF FUNDS IN TERMS OF THE 2018 DIVISION OF REVENUE ACT (ACT NO. 1 OF 2018), AS AMENDED BY THE DIVISION OF REVENUE AMENDMENT ACT (ACT NO. 14 OF 2018)

I, Tito Titus Mboweni, Minister of Finance, acting in terms of section 16(2) and 26(2) of the 2018 Division of Revenue Act (Act No. 1 of 2018) as amended, hereby publish in the attached Explanatory Memorandum and Schedules:

- (a) The re-allocation of stopped conditional allocations between municipalities in terms of section 19 and 20 of the 2018 Division of Revenue Act as amended;
- (b) Conversion of allocations from indirect to direct allocations in terms of section 21 of 2018 Division of Revenue Act as amended; and
- (c) Technical adjustments (correction of errors from previous gazettes) on conditional allocations to municipalities.

For ease of reference only and where applicable, the attached Schedules reflect the main allocations, adjustments and total adjusted allocations.

TT MBOWENI  
MINISTER OF FINANCE

**Explanatory Memorandum to the Allocations set out in the attached schedule**

This Gazette is published in terms of the Division of Revenue Act, 2018, (Act No. 1 of 2018) (DoRA) as amended by the Division of Revenue Amendment Act, 2018 (Act No. 14 of 2018)., and provides information regarding the adjustment of allocations to municipalities in the 2018/19 financial year.

This is necessitated by the need for the stopping, re-allocation, conversion and correction of error from previous gazettes in terms of Section 19 and 20 of the 2018 Division of Revenue Act (DoRA). Further, section 21 of the Act is also considered for purposes of converting direct conditional grants to indirect conditional grants within the same municipalities.

**LOCAL GOVERNMENT****Stopping and re-allocation****Municipal Infrastructure Grant (MIG), Water Services Infrastructure Grant (WSIG), Regional Bulk Infrastructure Grant (RBIG),**

1. Section 19 of DoRA stipulates that National Treasury may in its discretion or at the request of a transferring officer stop the transfer of a schedules 4 or 5 allocation if it is anticipated a municipality shall substantially under-spend on the programmes or allocation partially or fully funded by the allocation in the 2018/19 financial year.
2. National Treasury in consultation with the Department of Cooperative Governance (DCoG) and Department of Water and Sanitation (DWS), concluded that municipalities reflecting significant underspending would have their funds stopped against the MIG, WSIG and RBIG and reallocated to fast spending municipalities respectively.

**Urban Settlements Development Grant (USDG) and Public Transport Network Grant (PTNG)**

3. National Treasury further conducted an analysis of Urban Settlements Development Grant (USDG) and Public Transport Network Grant (PTNG) performance. The quarterly publication (Section 71 of MFMA) for the period ending 31 December 2018 and the monthly DoRA reports (Section 10 of 2018 DoRA) from the transferring national officers were used as a benchmark in assessing the underperformance.
4. In light of the above, the National Treasury decided that Section 19 (stopping of the allocation), 20 (re-allocation of the allocation) and section 21 of the Act (Conversion of the allocations) of the 2018 DoRA be invoked against slow spending municipalities and reallocate to fast spending municipalities.

**Infrastructure Skills Development Grant (ISDG)**

5. The National Transferring Officer (NTO) for the Infrastructure Skills Development Grant (ISDG) recommended that the remaining amount of R2.3 million allocations to uMhlathuze Local Municipality be stopped and reallocated to eThekwinini Municipality.

**RBIG 6B: Funding for Emfuleni Vaal River System Intervention**

6. Government is putting measures in place to address challenges within Emfuleni Local Municipality regarding the Vaal River System (VRS) pollution. The intervention team has since developed integrated VRS pollution intervention plan. The Minister of Finance pronounced through the 2018 Medium-Term Budget Policy Statement (MTBPS) that reprioritisation of existing budgets would be the source of funding for Emfuleni VRS Intervention.
7. The Department of Water and Sanitation in consultation with National Treasury identified savings within the RBIG programme schedule 6(B) which is an in-kind allocation.

The department projected an amount of R242 million as savings made in the 2018/19 financial year and is re allocated to Emfuleni municipality.

#### **Conversion of WSIG from schedule 6B to 5B**

8. An additional amount of R1.01 billion and R6 million has been allocated against the indirect WSIG and RBIG respectively during the 2018 MTBPS. These allocation will fund a variety of water supply augmentation projects for drought affected municipalities.
9. The DWS has requested that the R1 billion for 27 municipalities allocated through the WSIG and R6 million for Ndlambe Local Municipality of RBIG to be converted from Schedules 6(B) (allocation in-kind) to Schedules 5(B) (direct allocation) to minimize potential underspending by the department.

#### **The Municipal Emergency Housing Grant (MEHG)**

10. An amount of R33.8 million is allocated to Eastern Cape, Kwa-Zulu Natal and Western Cape municipalities respectively after the Department of Human Settlements (DHS) declared a disaster in municipalities in these provinces. The allocation is done through the Municipal Housing Grant (MEHG) following the disaster incidents relating to fire damages, storm damage and destitution within the two metropolitan municipalities. The allocation will fund the relocation costs and transitional residential area units for the affected communities.

#### **Support afforded to municipalities reflecting significant underspending**

11. The municipalities that are affected by the stopping process due to governance and financial challenges will continue receiving support from NT, DCoG and the relevant stakeholders on the MIG cost reimbursement and invoice verification which has been ongoing in the current financial year. These stopping, conversions and reallocations will not affect the future allocations of the municipalities.
