GENERAL INFORMATION

THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER

The employee is permitted to freely choose his own service provider e.g. doctor, pharmacy, physiotherapist, hospital, etc. and no interference with this privilege is permitted, as long as it is exercised reasonably and without prejudice to the employee or to the Compensation Fund. The only exception to this rule is in case where an employer, with the approval of the Compensation Fund, provides comprehensive medical aid facilities to his employees, i.e. including hospital, nursing and other services — section 78 of the Compensation for Occupational Injuries and Diseases Act refers.

In terms of section 42 of the Compensation for Occupational Injuries and Diseases Act, the Compensation Fund may refer an injured employee to a specialist medical practitioner designated by the Director General for a medical examination and report. Special fees are payable when this service is requested.

In terms of section 76,3(b) of the Compensation for Occupational Injuries and Diseases Act, no amount in respect of medical expenses shall be recoverable from the employee.

In the event of a change of medical practitioner attending to a case, the first doctor in attendance will, except where the case is transferred to a specialist, be regarded as the principal. **To avoid disputes regarding the payment for services rendered, medical practitioners should refrain from treating an employee already under treatment by another doctor without consulting / informing the first doctor.** As a general rule, changes of doctor are not favoured by the Compensation Fund, unless sufficient reasons exist.

According to the National Health Act no 61 of 2003, Section 5, a health care provider may not refuse a person emergency medical treatment. Such a medical service provider should not request the Compensation Fund to authorise such treatment before the claim has been submitted to and accepted by the Compensation Fund. **Pre-authorisation of treatment is not possible and no medical expense will be approved if liability for the claim has not been accepted by the Compensation Fund.**

An employee seeks medical advice at his own risk. If an employee represented to a medical service provider that he is entitled to treatment in terms of the Compensation for Occupational Injuries and Diseases Act, and yet failed to inform the Compensation Commissioner or his employer of any possible grounds for a claim, the Compensation Fund cannot accept responsibility for medical expenses incurred. The Compensation Commissioner could also have reasons not to accept a claim lodged against the Compensation Fund. In such circumstances the employee would be in the same position as any other member of the public regarding payment of his medical expenses.

Please note that from 1 January 2004 a certified copy of an employee's identity document will be required in order for a claim to be registered with the Compensation Fund. If a copy of the identity document is not submitted the claim will not be registered but will be returned to the employer for attachment of a certified copy of the employee's identity document. Furthermore, all supporting documentation submitted to the Compensation Fund must reflect the identity number of the employee. If the identity number is not included such documents can not be processed but will be returned to the sender to add the ID number.

The tariff amounts published in the tariff guides to medical services rendered in terms of the Compensation for Occupational Injuries and Diseases Act do not include VAT. All accounts for services rendered will be assessed without VAT. Only if it is indicated that the service provider is registered as a VAT vendor and a VAT registration number is provided, will VAT be calculated and added to the payment, without being rounded off.

The only exception is the "per diem" tariffs for Private Hospitals that already include VAT.

Please note that there are VAT exempted codes in the private ambulance tariff structure.

CLAIMS WITH THE COMPENSATION FUND ARE PROCESSED AS FOLLOWS

1. New claims are registered by the Employers and the Compensation Fund and the **employer views the claim number allocated online**. The allocation of a claim number by the Compensation Fund, does not constitute acceptance of liability for a claim, but means that the injury on duty has been reported to and registered by the Compensation Commissioner. Enquiries regarding claim numbers should be directed to the employer and not to the Compensation Fund. The employer will be in the position to provide the claim number for the employee as well as indicate whether the claim has been accepted by the Compensation Fund
2. If a claim is **accepted** as a COIDA claim, **reasonable medical expenses** will be paid by the Compensation Commissioner.
3. If a claim is **rejected (repudiated)**, medical expenses for services rendered will not be paid by the Compensation Commissioner. The employer and the employee will be informed of this decision and the injured employee will be liable for payment.
4. If **no decision** can be made regarding acceptance of a claim due to inadequate information, the outstanding information will be requested and upon receipt, the claim will again be adjudicated on. Depending on the outcome, the accounts from the service provider will be dealt with as set out in 2 and 3. Please note that there are claims on which a decision might never be taken due to lack of forthcoming information.

TARIFF OF FEES IN RESPECT OF CHIROPRACTIC SERVICES FROM 1 APRIL 2019
GENERAL RULES GOVERNING THE TARIFF

001 “After hours treatment” shall mean those performed by arrangement at night between 18:00 and 07:00 on the following day or during weekends between 13:00 Saturday and 07:00 on Monday. Public holidays are regarded as Sundays. This rule shall apply for all treatment whether administered in the practitioner’s rooms, or at a nursing home or private residence (only by arrangement when the employee’s condition necessitates it). The fee for all treatment under this rule shall be the total fee for treatment + 50%. In cases where the chiropractor’s scheduled working hours extend after 18:00 during the week or 13:00 on a Saturday the above rule shall not apply and the treatment fee shall be that of the **normal listed tariff**.

002 *Travelling fees*

- (a) Where, in the case of emergency, a chiropractor is called out from his residence or rooms to an employee’s home or the hospital, travelling fees can be charged if more than 16 kilometres in total have to be travelled.
- (b) If more than one employee is attended to during the course of a trip, the full travelling expenses must be divided *pro rata* between the relevant employees.
- (c) A practitioner is not entitled to charge for any travelling expenses to his rooms.

When a chiropractor has to travel to visit an employee, the fees shall be calculated as follows:

R3.30.00 per km for each kilometre travelled in **own car**.

003 If, after a series of 20 treatment sessions for the same condition, further treatment is required, the practitioner must submit a progress report to the Compensation Commissioner indicating the necessity for further treatment and the number of further treatment sessions required. Without such a report payment for treatment sessions in excess of 20 shall not be considered.

004 The reports for completion by the practitioner:

(a) **The First Medical Report (W.Cl.4)**

The form is used for all injured employees. The practitioner should note that the form is in the nature of a signed medical certificate and he should, therefore, observe due care in completing, dating and signing the form.

(b) **The Progress or Final Medical Report (W.Cl.5)**

This form is used either for progress reports or the final report; the appropriate descriptive title being retained as the case may be. Most of the items in the report are self-explanatory and require no special amplification.

006 Un-cancelled appointments — Appointments not cancelled at least four hours before the relevant appointment time — relevant practitioner's fees shall be payable by the employee.

007 **Reports:**

Not applicable in respect of injured workmen covered under the COIDA.

008 **Change of chiropractor / medical practitioner ("supersession"):**

In the event of a change of chiropractor / medical practitioner consulted, the first chiropractor / medical practitioner in attendance will, except where the case is handed over to a specialist, be regarded as the principal, and payment will normally be made to him / her. To avoid disputes, chiropractors / medical practitioners should refrain from treating a case already under treatment without first discussing it with the first chiropractor / medical practitioner. As a general rule, changes of chiropractor / medical practitioner are not favoured, unless sufficient reasons exist.

**CALL FOR PERSONS TO SERVE ON THE DISCIPLINARY COMMITTEE OF THE
INDEPENDENT REGULATORY BOARD FOR AUDITORS**

The Independent Regulatory Board for Auditors (IRBA) is a statutory body established in terms of Section 3 of the Auditing Profession Act, 2005, Act 26 of 2005, as amended (APA). As part of its general functions to protect the public and promote the integrity of the auditing profession, the IRBA investigates allegations of improper conduct against registered auditors and registered candidate auditors and conducts disciplinary hearings. Accordingly, in terms of Sections 20(2)(f) of the APA, the IRBA has established a Disciplinary Committee, which is a permanent committee tasked with conducting disciplinary hearings.

Section 24(2) of the APA requires that the Disciplinary Committee must be chaired by a retired judge or senior advocate and must consist of a majority of persons who are not registered auditors, but must include registered auditors and other suitably qualified persons.

The following vacancies exist on the Disciplinary Committee:

- **Two registered auditors who are not affiliated to a firm or network firm as defined in the IRBA's Code of Professional Conduct for Registered Auditors; and**
- **One individual with significant legal experience.**

As most cases dealt with involve work related to auditing, accounting and ethics, and are conducted through general legal principles, a sound and thorough understanding of these disciplines is required.

Disciplinary Committee members currently serve a term of three years, renewable twice at the discretion of the IRBA and the committee meets on an ad hoc basis, being convened as and when there are matters on the roll. Each sitting of the committee may last a number of consecutive days. The above term of office might change depending on amendments made by the Financial Matters Amendment Bill, 2019, once enacted.

Eligible persons who wish to be considered for appointment are invited to submit applications to the Board Secretary, Ms J Levendal at board@irba.co.za.

In appointing suitable persons, the IRBA will take into account the current demographic composition of the committees and will seek to achieve a more representative committee in accordance with the demographics of the country.

Each application must include a Curriculum Vitae detailing the applicant's knowledge, experience and suitability as a committee member and a completed nominations form which can be downloaded from the IRBA's website at www.irba.co.za.

Shortlisted candidates may be called for an interview. The closing date for applications is **17 May 2019**.

Chief Executive Officer
