In terms of section 39(7) of the South African Schools Act, I hereby determine all learners in quintiles 1 to 3 (60% of the public school learners nationally) to be in no fee schools for 2022.

If funds are available, and after taking into consideration the possible funding implications this may have on other poverty related programmes involving no fee schools, the Provincial Education Department (PED) may offer Q4 and Q5 schools no fee status at least at the threshold level of R 1,536 voluntarily. In declaring these fee charging schools as no fee schools, the PEDs need to ensure all these schools are informed that they will be declared no fee schools from 1 January 2022. PEDs also need to ensure that these schools have informed parents of the change.
