### DEPARTMENT OF TRANSPORT

#### NOTICE 2069 OF 2023

Western Cape  
Government

Western Cape Provincial Regulatory Entity

---

#### NOTICE OF INTENTION TO REVIEW OPERATING LICENCE CONDITIONS

1. In terms of section 24(1) of the National Land Transport Act (Act no.5 of 2009) ("NLTA"), the Provincial Regulatory Entity ("PRE") must monitor and oversee public transport in the province and receive and decide on applications relating to operating licences for intra-provincial transport. In performing these quasi-judicial functions, the PRE exercises independent discretion.
2. Section 57(5) of the NLTA stipulates that the entity granting an application for the granting, renewal, amendment or transfer of an operating licence may do so subject to **any** conditions **determined by it**, that are not inconsistent with the Act or with relevant provincial laws of transport plans and must do so where such conditions have been stipulated by the planning authority based on its Integrated transport plan. Regulation 22(i) of the National Land Transport Regulations (2009) requires that the conditions so imposed by the entity be specified in the operating licence.
3. While it is the sole purview of the PRE to impose conditions, we want to encourage, promote and facilitate public and stakeholder consultation and participation in this important process. The operating licence conditions are reviewed by the PRE at regular intervals to promote safety in public transport and to ensure consistent decision-making. The last comprehensive review was done by the PRE during 2017.
4. Please find below the draft reconfigured operating licence conditions as determined by the Western Cape PRE. It is expedient to note that most of the operating licences issued by the Western Cape PRE confer authority to provide local and intermunicipal/interprovincial transport services. The conditions imposed on operating licences will therefore be used by various municipal and provincial law enforcement agencies.
5. Comments and representations are invited on the draft reconfigured conditions on or before **Friday 13 October 2023**. All comments and representations will be duly considered by the PRE before the final conditions are published in the Government Gazette. Please email your comments to [Adion.George@westerncape.gov.za](mailto:Adion.George@westerncape.gov.za). For more information please contact Mr. George on 021 483 0298 or Mr. Xinwa on 021 483 0336.

Best regards
