		Master of Science in Information Technology	HEA-039/LP/10/6
		Master of Business Administration.	HEA-039/LP/3/31

Notes

1.0 The accreditation of learning programmes by the HEA is a continuous multi-stage process that involves engaging a team of experts in the evaluation of learning programmes submitted by the higher education institutions (HEIs). Further, kindly note also that there are some HEIs that have submitted to HEA learning programmes for accreditation and that such programmes were still undergoing evaluation and have not been captured in this list.
