**Public Service Pensions Fund Board****Expression of Interest****Request for Expression of Interest for Development and Deployment of Web Portal and Mobile Application.***Background*

The Public Service Pensions Fund Board (PSPFB) is a creation of the Public Service Pensions Act, CAP 260 of the Laws of Zambia, mandated to control and administers the Fund in accordance with sound business practices.

PSPF intend to modernize its operation to improve interaction with its members via web portal and a mobile application for both active members and Pensioners. The system will interface with Odyssey and accommodate existing finance, marketing, sales and customer relation management process, but could redefine new activities within the process which are currently manual.

*Purpose of Implementation*

The acquisition and implementation of the said Web portal and mobile applications is in accordance with the 2020-2024 PSPF strategic Business Plan. This is one of the activities among the strategic objectives aimed at improving and modernizing pension administration services. It is also aimed at improving the level and quality of interaction with Active members, Pensioners and beneficiaries.

*Objectives of the Assignment*

The Main objectives of the Assignment is to design a web portal, develop and prototype Android, iOS applications for phones and tablets to be used by PSPF Members and Pensioners as listed below.

- (i) Gather requirements, specifications and analyze, and produce prototypes
- (ii) Design and develop a Web Portal (Responsive)
- (iii) Design and develop a Mobile application (Android, iOS and USSD)
- (iv) Integration with a Payment Gateway
- (v) Integrating the system with Microsoft Dynamics Nav ERP
- (vi) Design and develop system administration backend
- (vii) Provide Report capabilities
- (viii) Testing of the system
- (ix) Deployment of the system
- (x) Administrators training

*Features*

The web portal and mobile applications will provide features that will enable PSPF active members access and get updates of their monthly contributions and balances to date. These should also enable PSPF to collect required member details like, personal information to enable PSPF manage and plan their retirement process. This information may also include details of their dependants. Active members should be able to get information about the products that PSPF provides like loans and be able to apply for them online.

The applications should also provide pensions administration functionalities for our pensioners to improve customer relation management and efficiently save pensioners.

- (i) Simplicity for the user—Convenient user interface/ user friendly interface. Must adhere to platform specific UI standards provided by Apple and Google respectively.

- (ii) Mobile Apps—Native mobile apps for iOS and Android platforms are required
- (iii) Good Performance/Loading Speed—Speed of loading mustn't keep users waiting.
- (iv) Administration Panel—A web admin panel with options to manage the web portal and Mobile Apps data must be developed using latest combination of technologies. Both Web portal and mobile apps must be managed using a single administration panel.
- (v) Good images and colour resolutions—Both a web portal and mobile apps should have images with good resolutions with bright and bold colour schemes
- (vi) Security—Developed applications must be secured
- (vii) Search options—Both web portal and Mobile applications must have search and filters capabilities.
- (viii) Technologies—Details of tools and technologies to be used must be provided.
- (ix) Execution Plan and Deliverables—A detailed execution plan must be provided.
- (x) Push notifications—The systems should provide capability to communicate with users via notification.
- (xi) Proposals—Both technical and financial proposals for the project. The technical proposal must cover all important aspects of the solutions and the financial proposal should cover development and support cost.
- (xii) Licensing—PSPF would prefer using open source technologies to avoid any licensing cost.

NOTE: The detailed functional specifications will be collected during an interaction between the contractor and end-users.

*Deliverables*

- (i) Project Roadmap document
- (ii) A web portal and Mobile application meeting requirement specifications
- (iii) A web portal and Mobile application integrated with Microsoft Dynamics Nav
- (iv) Comprehensive user manuals
- (v) Integration with payment gateway
- (vi) Support for minimum of three months after the launch of the web portal and mobile apps on both PlayStore and AppStore
- (vii) System testing Report
- (viii) Technical Training report
- (ix) Signoff document

*Experience and Qualifications*

Interested Firms should provide the following documents and meet the requirements listed below to be considered for shortlisting:

- (a) Copy of Certificate of incorporation or equivalent
- (b) Copy of valid Tax Clearance Certificate
- (c) Proof of Affiliation Certificate from Information Communication Technology Association of Zambia (ICTAZ)
- (d) The Firm must show proof of experience in similar assignments (Firms to provide a list of clients, description of services offered and project values of previous similar assignments)
- (e) Minimum number of years in providing similar consulting services as a Firm – 3 years.

(f) Key Professional staff must be registered members of ICTAZ with valid practicing Licenses where applicable. Firms must submit CV's and copies of qualifications of proposed key staff including certificates of registration with ICTAZ where applicable. Key staff are as follows:
