**Public Service Pensions Fund  
Expression of Interest**

**Request for Expression of Interest to provide Actuarial  
Valuation Services to Public Service Pensions Fund Board  
(PSPFB) as at 31st December, 2023**

**INTRODUCTION**

The Public Service Pension Fund Board (PSPFB) is a funded defined benefits pension scheme which provides pension benefits to retired public servants and survivors. Its membership comprises Teaching Service, Police and Prisons Service, Defence Forces, Civil Service, Judiciary Service and Zambia Security and Intelligence Services. The Board is mandated by Act No. 35, Cap 260 of the Laws of Zambia, to undertake an actuarial valuation of the fund at intervals not exceeding 3 years.

In compliance with the Act, the Board seeks to engage the services of an Actuary to carry out an assessment of the Fund as at 31st December, 2023. Only Citizen bidders are eligible to participate in this tender pursuant to Section 41 (3) of the Public Procurement Act No. 8 of 2020. The definition of a Citizen bidder can be found in the Public Procurement Act No. 8 of 2020. PSPFB now invites eligible Firms to express interest in providing actuarial valuation services to PSPFB.

**BACKGROUND**

The fund has a total of 157,755 members, pensioners and beneficiaries representing 94,435 serving members and 64,323 pensioners and beneficiaries respectively.

The last two actuarial valuations were conducted in 2017 and 2020. As at the end of the last actuarial valuation, the scheme has explored ways to reform the scheme so that it remains sustainable. Some changes made include retirement age and governance changes done through amendment of the Act and Statutory Instruments.

The five corporate objectives in line with the Fund's Strategic Plan (2020 – 2024) include the following:

- (a) To improve the quality of service to enhance membership experience.
- (b) To grow investment portfolio ROI by 10 percent per annum.
- (c) To strengthen governance and risks management capabilities.
- (d) To streamline internal business processes to increase operational efficiency.
- (e) To foster customer centric culture to improve service delivery and productivity.

The actuarial valuation will therefore assist the Board in appreciating the financial position of the Fund and arrive at sustainable possible solutions for the sustainability of the scheme to benefit members, pensioners and beneficiaries.

**OBJECTIVES**

- (a) To establish the financial position off the Fund as at 31st December, 2023.
- (b) To determine the adequacy of the future service contribution rates to fund the accrual benefits.
- (c) To recommend a suitable funding strategy and propose the way forward on the sustainability of the scheme.
- (d) To advise the Board on the appropriate pension reforms.
- (e) To conduct other actuarial services as advised by the Board.

**SCOPE OF SERVICES**

The Actuary will be expected amongst others to perform the following tasks:

- (a) Review previous actuarial assumptions, commutation tables and make recommendations.
- (b) Ascertain the pension liability obligations and present values for members, pensioners, and beneficiaries including projections of at least 30 years.
- (c) Compare the value placed on the Fund's assets with the pension liability and recommend the funding strategy going forward.
- (d) Advise on the pension increment policy for pensioners and beneficiaries.
- (e) Undertake an assessment of the impact of change in retirement age.
- (f) Undertake an assessment of the impact of the proposed pension reforms on the Fund.

**DELIVERABLES**

- (a) Report containing Actuarial Assessment of the fund's financial position as at 31st December, 2023. The report must include the following:
  - i. Financial Projections of liabilities for at least 30 years and if possible for the entire lives of pensioners.
  - ii. Present Value (PV) of liabilities as at 31st December, 2023.
  - iii. Sensitivity Analysis of PV of liabilities vis à vis key variables e.g. nominal interest rates, inflation, real interest rates etc.
- (b) Report on Funding Strategy for the fund. The Report must include the following:
  - i. Review of the current Funding Strategies with a focus on current and future Funding
  - ii. Ratios of the fund.
  - iii. Recommendations regarding future Funding Strategies.
- (c) Report on the financial impact of the pension reforms.
- (d) Presentation of the draft and final reports.
- (e) Reports on other Actuarial Services other than the statutory Actuarial Valuation that the Fund may require within one (1 year) from contract date.

**EXPERIENCE AND QUALIFICATIONS**

Interested eligible Firms should provide the following documents and meet the requirements listed below to be considered for shortlisting:

- i. Copy of Certificate of Registration/incorporation or equivalent
- ii. Valid Tax Clearance Certificate
- iii. Patent and Company Registration Agency (PACRA) forms showing details of ownership of the Firm. (Omission will lead to automatic disqualification)
- iv. Proof of experience in offering actuarial valuation services for pension /retirement systems (Firms to provide a list of clients, locations, description of services offered and values of previous relevant assignments)
- v. Qualifications and Experience relevant to the assignment of three (3 No.) Key staff: The Supervising Actuary should be a fellow of the Institute and Faculty of Actuaries or any internationally recognized Actuarial Body in possession of at least a first degree in actuarial science or equivalent field with at least seven years of experience while the other two should be qualified Actuaries with a minimum of first degree in actuarial science or equivalent field with at least five years experience. Key staff must be members of the Actuarial Society of Zambia in relevant categories. Firms must provide summarised Curricula Vitae of three key staff including copies of certificates of their qualifications, affiliations and accreditations.

Interested firms may obtain further information at the address and phone numbers given below during office hours.

**SUBMISSION**
