## STATE LOTTERIES ACT [CHAPTER 317]

One Hundred and Fifty-eighth State Lottery: Units One, Two, Three and Four

NOTICE is hereby given, for general information, that units one, two, three and four of the one hundred and fifty-eighth State Lottery will be drawn in public, under direction from the Minister of Finance, at the State Lotteries Hall, Salisbury, at 1.30 p.m. on the following dates:

Unit One—9th September, 1981;

Unit Two—9th October, 1981;

Unit Three—11th November, 1981;

Unit Four—9th December, 1981.

The first prize in each unit will be \$50 000.

## Conditions for each unit

1. Based on the face value of all tickets sold or issued free, up to 25 per cent. of the total subscription may be reserved, for social service, public welfare or relief of distress.

## 2. Prizes

The prize fund will be distributed as follows—

(i) Ordinary prizes: first, as above; second, \$15 000; third, \$7 500. Introducers: \$1 000; \$500; \$250.

(ii) The remainder of the prize-money will be distributed in smaller, ordinary, introducers' and introducers' jackpot prizes. If, in the opinion of the Minister of Finance, the prize-fund is insufficient for the purpose, the amounts of the first three prizes listed above will be reduced as directed by that Minister.

(iii) Two introducers' jackpot prizes: prize, \$50; introducer, \$500

Only full dollar tickets issued against one written order for 14 full tickets in one unit are eligible to win these prizes, provided that such written order has been compiled at one and the same time. Prizes not won will be carried forward and used to increase the jackpot prizes in the following unit. These prizes will be drawn after the draw for ordinary prizes has been completed. (Quarter-tickets without counterfoils are excluded.)

## 3. Double and treble prizes

Any lottery prize of \$200 or less won by a full dollar lottery ticket will be (i) doubled if the prize-winner sends in with his prize-ticket three additional one-dollar lottery tickets in the same unit; or (ii) trebled if the prize-winner sends in with his prize-ticket seven additional one-dollar lottery tickets in the same unit; provided that, in order to qualify for the double or treble prize, the counterfoils of all tickets submitted must have exactly the same name and address as that found on the counterfoil of the prize-winning ticket. (Nearly the same is not sufficient.) To give

examples of possible differences in the counterfoils; "J. Jones", "John Jones" and "Mr. J. Jones"; "Byo." and "Bulawayo"; "Rd." and "Road"; "Box" and "P.O. Box". Multiple prizes do not apply to introducers' prizes. (Quarter-tickets are excluded.)

#### 4. The draw

(a) The numbers of all tickets sold will participate in the draw for all prizes. In the event of the figure 0000 being drawn, this will represent ticket number 10 000 in the particular serial.

(b) If the Director is satisfied that a fault has occurred in the drawing of a prize-number, a "no draw" shall be announced, and the prize shall be drawn again. A ball jamming when coming out of a drum will not, in itself, be considered as a fault. Examples of faults are—

- (i) two balls appearing in one chute;
- (ii) control-button pressed before all balls are in the drums.

(c) Subject to the provisions of the State Lotteries Act [Chapter 317], when a prize-number has been passed and recorded, no subsequent claim that a "no draw" should have been announced will be considered.

(d) Only one ordinary prize can be won by one ticket-number (see clause 2). If a full dollar ticket is drawn, the prize is payable to the party whose name appears on the counterfoil. No trading in dollar tickets will be recognized by the State Lottery. If the number drawn represents an unsold ticket or a ticket-number which has already drawn an ordinary prize, a "no draw" will be announced, and the prize will be drawn again. Except as provided by subclause (iii) of clause 2, prizes will be drawn in order of value.

(e) Only the lucky names and towns of the purchasers of winning dollar tickets will be announced. Names are not announced or published.

#### 5. Payment of prizes

(a) All cash prizes are free from taxation by the Government, and are payable in full by cheque drawn on The Standard Bank Limited.

(b) Tickets are official receipts in themselves, and prizes will be paid out on production of the winning tickets. The Minister may authorize payment of a prize won by a full-dollar ticket without production of the ticket.

(c) If a syndicate wins a prize, it must nominate one or two members to whom the cheque is to be made payable on behalf of the syndicate.

6. Subject to the provisions of the State Lotteries Act [Chapter 317], no responsibility will attach to the Minister of Finance or the Director or the Trustees of the State Lotteries on account of illegibility of counterfoils, errors or omissions on the part of the ticket-sellers, purchasers, press or printers, or on account of loss or theft of a ticket.

7. The financial statement and prize-list will be published in *The Herald*, Salisbury, and *The Chronicle*, Bulawayo, after the draw. Result-sheets may be obtained from official ticket-sellers or the Director, and, on request, will be posted to any subscriber who gives an address outside Zimbabwe.

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7a, 7b, 8, et cetera.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of typing on A4 paper; or
- (b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straightforward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all-advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code-number, if any; and
- (c) the required date or dates of publication.

10. (1) If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice, without

charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
  - (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
  - (c) that the correction of such error is legally necessary.
- (2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting, and pay for such notice to be published.
- (3) For the removal of doubt—
- (a) a typographical error is made by a typographer;
  - (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

### GOVERNMENT GAZETTE

#### Authorized Scale of Charges, Times of Closing and Subscription Rate

##### Charges

Notices published in the normal columns: \$2 per centimetre or part thereof single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as lost insurance policies, deceased

estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 303], changes of companies' names, et cetera: \$5 per entry.

Except in the case of approved accounts, remittances must accompany all copy for advertisements. Failing this, copy will be returned with an assessment of charges.

##### Times of closing

The *Gazette* closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments, at 11 a.m. on the Tuesday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by 4 p.m. on the Monday preceding the Friday of publication.

Any copy which is received after the respective closing-times will automatically be held over for insertion in the *Gazette* of the following week, in which case no responsibility can be accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the *Gazette* in advance.

All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 8062, Causeway, or delivered direct to the department, in Gordon Avenue, between Sixth Street and Epton Street. Envelopes should be marked: *Gazette copy—urgent*.

Regular advertisers and subscribers are requested to advise immediately of any change of address.

##### Subscription rate

The annual subscription rate for the *Gazette* is \$12, payable, in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.
