NORTON TOWN COUNCIL**Notice to all Norton Ratepayers: General Valuation Roll**

NOTICE is hereby given, in terms of section 254 of the Urban Councils Act [Chapter 29:15], that the general valuation of the Norton Town's commercial, industrial and other properties and the assessment of all residential properties in terms of section 247 of the Urban Councils Act [Chapter 29:15] has been completed.

The new General Valuation Roll and the general assessment whose valuation date was fixed as March, 2003, is now on deposit at the Chief Executive's Office for inspection by owners or occupiers of the relevant properties. Owners or occupiers of properties are called upon to lodge in writing with the Clerk of the Valuation Board, Private Bag 904, Norton, not later than 12 noon, on 14th May, 2004, any objections they may have against the valuation of any property owned or occupied by them or in respect of any error, omission, incorrect description or against the assessment of any residential property owned or occupied by them particularly against—

- (a) the number of rating units assigned to a particular property; and
- (b) the rating zone within which the property has been placed.

Copies of the prescribed form of objection may be obtained on application to the Clerk of the Valuation Board, Private Bag 904, Norton.

As stipulated in the Urban Councils Act, the basis of valuation is the estimated price on a voluntary sale in the open market between a willing seller on one hand and a willing buyer on the other. As expected, the new values of properties on the valuation roll are many times greater than those on the current roll, which is based on the 1992 values.

Ratepayers are advised that rates payable by them will not increase in proportion to the increase in values as there will be a downward adjustment to the rate per dollar to be applied to the new values so as to maintain more or less the current actual rates liability applicable to each property. Rates increase can only be effected in the normal Council's annual budget process.

Please note that the closing date has been extended to 12 noon, 10th May, 2004.

Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where *urgent* copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am, however, of the view that a *Gazette Extraordinary* has tended to be a must rather than a matter of priority in respect of unwarranted delays of *urgent* copy.

While every effort will continue to be made to publish *Extraordinaries* on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.
