PRIVATE VOLUNTARY ORGANISATIONS ACT [CHAPTER 17:05]

Code of Procedures for the Registration and Operations of Non-Governmental Organisations in Zimbabwe

1. Introduction

- (a) It is a statutory requirement for any Private Voluntary Organisation (PVO) that intends to operate in Zimbabwe to apply for registration in terms of the Private Voluntary Organisations Act [Chapter 17:05] (the Act).
- (b) The registration procedures and requirements take cognisance of the differences in both the organisational and management backgrounds between local and international organisations and are therefore crafted with specificity to these differences.

2. Local Organisations

In terms of section 9 of the Act, the Secretary of any PVO which is required to be registered shall lodge such application with the Registrar, in the following manner as prescribed below—

All local organisations are required to submit their applications through the District Social Services Office in the area where their headquarters is located. The District Social Services Officer is responsible for making the initial assessment of the organisation after perusing the submitted application and interviewing the applicants. The application is then forwarded to the Head Office through the Provincial Social Services Officer with the following documents for consideration by the Private Voluntary Organisations Board (PVO Board)—

- (a) application Form PVO 1, Form PVO 2 and proof of advertisement;
- (b) copies of the organisation's constitution;
- (c) curriculum vitae of the members of the executive committee;
- (d) proof of notification to local authorities of intent to register;
- (e) police criminal clearance certificates.

3. International Organisations

All international organisations applying for registration as Private Voluntary Organisations (PVOs) should have signed a Memorandum of Understanding (MOU) with the Government

ministries relevant to their area of technical operations. The signed MOU is submitted to the Registrar of Private Voluntary Organisations (Registrar) Head Office, together with the following details—

- (a) curriculum vitae and Interpol clearance certificate for the country representative. Interpol clearance is required where the country representative is of foreign origin, but local police clearance suffices where the representative is a citizen or permanent resident of Zimbabwe;
- (b) proposed area of geographic coverage;
- (c) period of financial year e.g. 1 January to 31 December, 1 July to 30 June.

4. Memorandum of Understanding International Organisations—

- (a) agreements entered into with international Non-governmental Organisations define the operational parameters of the organisations' partnership with technical supervisory ministries;
- (b) the proposed geographic areas to be covered by the organisations should be clearly stated in the MOU. It constitutes part of what line ministries agree with the organisations. Where there is need for organisations to expand geographic coverage after an agreement has been entered into, operational arrangements shall be made with the concerned local authorities with the consent and facilitation of the ministries;
- (c) organisations are required to notify host local authorities in the area of operations prior to commencing operations;
- (d) organisations, however, shall not digress into programmes that are not specified in the MOU as agreed upon by line ministries and registered by the Registrar.

5. Local Organisations

Local PVOs are not required to enter into Agreements with central government or ministries. For operational purposes, however, the organisations shall, prior to their registration, notify the local authorities of their intended operations.

6. Appeals to the Minister

- (a) Both local and international organisations whose applications are not recommended for registration by the PVO Board are entitled to lodge an appeal to the Minister of Public Service, Labour and Social Welfare (the Minister) in instances where they are not in agreement with the reasons for their rejection as given by the PVO Board.

- (b) The Minister reserves the right, after considering the reasons for the organisation's appeal, to either uphold the Board's decision or instruct the Registrar to register the appellant.

7. Supervision by Registering Authority

- (a) The Registrar registers all PVOs to enable both the supervision of the developmental impact of programmes under implementation and the monitoring of organisations' corporate governance.
- (b) The monitoring of organisations involves field visits by Social Services Officers to project areas, and the analysis of submitted annual narrative reports and audited financial statements which are a mandatory requirement in terms of the Act.
- (c) Organisations are required to operate within the confines of the provisions of the Act, and the relevant policy guidelines for particular programmes. The Registrar in consultation with the PVO Board, may cancel the registration certificate and deregister any PVO that fails to comply with its conditions of registration.

L. MUSEKA,

Secretary for Public Service,
Labour and Social
Welfare.

GOVERNMENT GAZETTE**Conditions of Acceptance of Copy**

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted *exactly* as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where *urgent* copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette Extraordinary* has tended to be a must rather than a matter of priority in respect of unwarranted delays of *urgent* copy.

While every effort will continue to be made to publish *Extras* on the required dates, copy *must* be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

Gazette Editor.
