## REVENUE AUTHORITY ACT [CHAPTER 23:11]

### Provisional General Ruling Conversion of Closing Balances for Tax Purposes

NOTICE is hereby given, in terms of section 34D of the Revenue Authority Act [Chapter 23:11] as read with paragraph 10 to the Fourth Schedule of the same Act, that the Commissioner-General of the Zimbabwe Revenue Authority has issued the following binding general ruling:—

#### *Purpose of ruling*

1. The purpose of this general ruling is to provide guidelines on how the Commissioner-General shall exercise his discretion in approving rates of exchange applied in converting the 2008 closing balances that were expressed in Zimbabwean dollars to US dollars, for taxation purposes.

#### *Background*

2. (1) The transition from the Zimbabwean dollar currency to the multi-currency system has presented challenges to both the Tax Authority and Taxpayers, including that of determining value of balances of items that have an impact on the 2009 accounts and Income tax returns in US dollars.

(2) The Finance Act, 2009, (No. 5 of 2009) gave the taxpayers latitude to work-out the rates of exchange applicable to their varying circumstances.

(3) The Act gave the Commissioner-General the authority to manage the process and the tax consequences by approving the rates of exchange put forward by taxpayers.

(4) The Act also requires the Commissioner-General to issue a general binding ruling on the manner in which he or she shall exercise this discretion.

#### *Relevant law*

3. (1) Section 34D of the Revenue Authority Act [Chapter 23:11] as read with the Fourth Schedule to the Revenue Authority Act gives the Commissioner-General of the Zimbabwe Revenue Authority (ZIMRA) powers to make advance tax rulings on any provision of that Act, whether on his own initiative or on application by any person interested in a transaction that is or may be liable to tax.

(2) Section 4A of the Finance Act [Chapter 23:04] effective from the 1st January, 2009, obliges every individual, partnership, company, trust, pension fund or other juristic person to express any final balance for the financial year ending 31st December, 2008, in "United States dollars at such rate of exchange as the Commissioner may approve".

(3) The same section provides that; "... the Commissioner-General shall ... issue a binding general ruling on the manner in which he or she shall exercise his or her discretion."

#### *Scope of this ruling*

4. This ruling will only apply to movable and immovable assets, trading stock and assessed losses. The ruling shall not apply to outstanding Zimbabwe dollar monetary balances such as, bank balances, creditors, debtors, and other liabilities as at 31st December, 2008, which should reflect actual values agreed by the parties to the transaction.

#### *Taxable income accrued in foreign currency*

5. (1) Where it is proved that the taxpayer's income for the period prior to 1st January, 2009, was received or accrued in foreign currency and the financial statements were prepared in foreign currency, the Commissioner-General will subject to subsections (2) and (3) accept reasonable closing balances in foreign currency as opening balances for the 2009 tax year in terms of subsection (4) to section 4A of the Finance Act [Chapter 23:04].

(2) In the case where the financial statements were prepared in denominations other than the United States dollars the Commissioner-General will accept the use of international cross rate of exchange as at 31st December, 2008, or such other rate as will give substantially similar results.

(3) In the case where the financial statements were prepared in Zimbabwean dollars, the Commissioner-General will accept the use of the same rate as was used to convert the foreign currency transaction or balances into Zimbabwean dollars or such other rate as will give substantially similar results.

#### *Taxable income accrued in Zimbabwe dollars*

6. The Commissioner-General will approve rates of exchange whose net effect will achieve the following—

- (a) **Assets acquired or constructed in foreign currency:**  
Balances equal to the cost in foreign currency less notional wear and tear claimable to 31st December, 2008.
- (b) **Assets acquired or constructed in Zimbabwean dollars Z\$:**  
Balances in foreign currency that is approximately equivalent to the replacement value less notional wear and tear claimable to 31st December, 2008.
- (c) **Trading stock acquired in foreign currency and recorded in Zimbabwean dollars Z\$:**  
Where trading stock was initially acquired in foreign currency but recorded in Zimbabwean dollars the Commissioner-General will accept the use of the same rate as was used to convert the foreign currency transaction or balances into Zimbabwean dollars or such other rate as will give substantially similar results;
- (d) **Trading stock acquired in Zimbabwean dollars Z\$:**  
Where trading stock was acquired and recorded in Zimbabwean dollars the Commissioner-General will accept the use of an exchange rate that results in a value in foreign currency approximately equivalent to the replacement value.

**Assessed losses**

7. For all assessed losses in Zimbabwean dollars as at 31st December, 2008, the Commissioner-General will accept the use of an exchange rate that is based on an average of the exchange rates contained in paragraphs 5 and 6 above or any other rate that would give a result which closely approximate the loss in foreign currency had the financial statement to which the losses relate had been prepared in foreign currency.

**Submissions**

8. Any person affected by this ruling may lodge submissions with the Commissioner-General thereto in writing addressed to the Commissioner-General ZIMRA Head Office, ZB Centre, Sixth Floor, corner Kwame Nkrumah Avenue/First Street, Harare, P.O. Box 4360, Harare, or on e-mail pr@zimra.co.zw.

## GOVERNMENT GAZETTE

## Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.  
(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted *exactly* as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

### GOVERNMENT GAZETTE

#### Submission of Copy for Government *Gazette* Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where *urgent* copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette Extraordinary* has tended to be a must rather than a matter of priority in respect of unwarranted delays of *urgent* copy.

While every effort will continue to be made to publish *Extraordinaries* on the required dates, copy *must* be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,  
*Gazette Editor.*

Printflow (Private) Limited,  
George Silundika Avenue (between Sixth Street  
and Epton Street), Harare (P.O. Box CY 341, Causeway).
