Merchant discount rate of CIM Finance Ltd

20th April 2017

CCM/DS/0021

Decision of the Commissioners of the Competition Commission of 20th April 2017

relating to a proceeding under section 63 of the Competition Act 2007 further to an investigation opened by the Executive Director referred to as 'INV035 – Merchant Discount by CIM Finance Ltd'

(CCM/DS/0021 – Merchant discount rate of CIM Finance Ltd)

THE COMMISSION -

Mr. A. G. Pillay - Chairperson,

Mr. D. P. A. Mariette - Vice-Chairperson,

Mr. C. Seebaluck - Commissioner,

Mrs. M. B. Rajabally - Commissioner,

Mrs. V. Bikhoo - Commissioner,

Having regard to the Competition Act 2007,

Having regard to the Competition Commission Rules of Procedure 2009,

Having regard to the guidelines published under section 38 of the Competition Act 2007,

Having regard to a report of the Executive Director dated 14th April 2017,

Having regard to undertakings offered by CIM Finance Ltd as annexed,

WHEREAS:

I. Introduction

1.1 This Decision relates to undertakings that have been offered to the Commission by CIM Finance Ltd, in the course of an investigation opened by the Executive Director and referred to as 'INV035 – Merchant Discount by CIM Finance Ltd'.

1.2 Having taken cognizance of a report of the Executive Director dated 14th April 2017 on the matter, the Commission has determined the case on the

basis of the undertakings, pursuant to section 63(3) of the Competition Act 2007 (the 'Act').

II. Background

i. Main party

1.3 CIM Finance Ltd is a public company, incorporated under the laws of Mauritius. It is a wholly owned subsidiary of CIM Financial Services Ltd.

ii. The services concerned

1.4 The investigation pertains to the fees charged by CIM Finance Ltd on the cash price of goods and services for the supply of hire purchase facilities. The fees are charged to suppliers across the island and are referred to as 'merchant discounts'.

iii. Investigation

1.5 In May 2016, the Executive Director opened an investigation pursuant to section 51 of the Act. The investigation followed an enquiry carried out under rule 5 of the Competition Commission Rules of Procedure 2009 (the 'Rules') in 2015. The Executive Director focused on the specific conduct of CIM Finance Ltd which consists of charging different merchant discounts to merchants for the supply of hire purchase facilities.

1.6 In November 2016, CIM Finance Ltd offered written undertakings to the Commission in pursuance of section 63 of the Act and as per the requirements set out under rule 28 of the Rules.

1.7 In April 2017, the Executive Director submitted a report on the matter to the Commission, following his assessment of whether the proposed undertakings may be effective.

III. Legal framework

1.8 Having found reasonable grounds to believe that CIM Finance Ltd was engaging in conduct which was reviewable under section 46 of the Act, the Executive Director opened an investigation pursuant to section 51(1).

Determination based on undertakings

1.9 Under section 63(1) of the Act, enterprises may offer undertakings to the Commission "*to address any concern that has arisen, or is likely to arise, during an investigation in respect of (...) a monopoly situation*". This

provision enables parties to an investigation into a monopoly situation, considered to be reviewable under section 46, to offer written undertakings to the Commission.

1.10 Pursuant to section 63(3) of the Act, the Commission may determine a case on the basis of an undertaking. The threshold for the acceptance of undertakings under section 63(3) is that the Commission must be satisfied that the undertakings address "*all the concerns it has about any prevention, restriction [or] distortion (...) of competition*" which may arise from the matter at hand.

1.11 It follows that the Commission must first identify all the concerns which may arise from the set of facts adduced before it prior to proceeding with an assessment of whether the undertakings which have been submitted are satisfactory.

IV. Determination

1.12 The Commission has had regard to the report of the Executive Director and the concerns which have been identified therein.

i. Concerns of the Executive Director

1.13 According to the Executive Director, CIM Finance Ltd charges merchant discounts between [redacted]% of the cash value of a good or service for which hire purchase facility is sought. The rate varies from merchant to merchant whereby, on average, relatively small suppliers are charged more than large ones.

1.14 The Executive Director is concerned that the conduct of CIM Finance Ltd whereby it charges different merchant discounts to different merchants is not justified by differences in costs for providing the service. According to the Executive Director, the conduct may prevent, restrict or distort competition in the market for the supply of hire purchase facilities.

1.15 It is also a matter of concern that the significant difference in the merchant discount rates may distort competition in markets where hire purchase is used as an input as this may have a significant effect on the competitiveness of small merchants by hindering their ability to compete with large merchants.

1.16 Upon examination of the set of facts before it, the Commission concurs with the views of the Executive Director regarding the concerns which may arise from the conduct of CIM Finance Ltd. The Commission has had regard to the undertakings offered by CIM Finance Ltd and to the views of the Executive Director on whether those undertakings address those concerns.

CCM/DS/0021

ii. Undertakings offered by CIM Finance Ltd

1.17 CIM Finance Ltd is undertaking *inter alia* to change its conduct of charging significantly different merchant discounts by bringing down the maximum difference between the highest and lowest levels of merchant discounts from the current [redacted]% to [redacted]%.

1.18 CIM Finance Ltd commits to ensure that its new merchant discount mechanism does not result in an increase in total merchant discount. Assuming all other factors remain constant, the difference in the merchant discount will be based on volume of trade and will allow for a maximum [redacted]% point negotiation as long as the maximum difference of [redacted]% points is respected. CIM Finance Ltd has submitted that the maximum merchant discount that it will charge will be [redacted]%.

iii. Findings of the Executive Director

1.19 The Executive Director has found that, following the implementation of the undertakings, CIM Finance Ltd is likely to charge merchant discount in the range of [redacted]% (a maximum difference of [redacted]%), in contrast with the current range of [redacted]%.

1.20 Information has been gathered regarding the revenue and expense figures of CIM Finance Ltd, based on which the Executive Director has computed that the break-even merchant discount rate, i.e. where CIM Finance Ltd neither makes a profit or a loss, is [redacted]% at its lowest and is [redacted]% at its highest, meaning that there is a difference of about [redacted]%.

1.21 The Executive Director is of the view that the proposed maximum difference of [redacted]% and the new mechanism for the pricing of merchant discount is reasonably justified and does not amount to price discrimination against small merchants. This opinion is substantiated by the fact that the maximum difference of [redacted]% is justified on account of differences between the costs of supplying hire purchase facilities to customers of small and large merchants.

1.22 According to the Executive Director, other elements which justify the proposed rate difference of [redacted]% are that:

(a) large merchants can bring economies of scale to CIM Finance Ltd;

(b) the risks of providing hire purchase facility to large merchants are lower than risks to supply small merchants;

(c) it is common business practice to offer discounts for volume sales which justifies offering lower merchant discounts to large merchants; and

(d) in addition to revenue from merchant discount, revenue also accrues from interest paid by end customers.

1.23 Consequently, the Executive Director recommends that the Commission accept the undertakings.

iv. Conclusion of the Commission

1.24 Having regard to the concerns, which have been identified by the Executive Director, and the undertakings offered by CIM Finance Ltd, the Commission finds no reason to disagree with the findings and recommendation of the Executive Director.

1.25 The Commission therefore determines that the undertakings offered by CIM Finance Ltd satisfactorily address all concerns it may have as per section 63(3) of the Act.

V. Decision

NOW THEREFORE,

For the reasons set out in this Decision, the Commission decides as follows:

1) It accepts the undertakings offered by CIM Finance Ltd, which are being published as per section 63(4) of the Act (see Annex).

2) The undertakings must be fully implemented within a period of six months as from the date of signature of this Decision.

ERT/RN 111/13 - Mrs Rookmabaye Rago (Disputant No 3)
And
Sugar Industry Labour Welfare Fund (Respondent)

On 3rd and 6th of June 2013, Mrs Hemrowtee Maudhoo, Mrs Mudhuree Ramjug and Mrs Rookmabaye Rago, respectively reported to the President of the Commission for Conciliation and Mediation, the existence of a labour dispute between themselves (Disputants No1, 2 & 3) and the Sugar Industry Labour

Welfare Fund (Respondent) as per section 64 (1) of the Employment Relations Act 2008 as amended. As no settlement could be reached, the Commission referred singularly the labour disputes to the Tribunal for arbitration in terms of section 69 (7) of the Employment Relations Act 2008 as amended.

The three cases have been consolidated and have a common point in dispute:

Whether the Disputants should be paid one additional increment with effect from 1st July 2003 as they reckon 25 years of service in the same post continuously without promotion with the Committee of Social Welfare Centre/Sugar Industry Labour Welfare Fund.

In their respective Statements of case, the Disputants claimed that they were in employment as Community Support Officer and were working in their respective Social Welfare Centres. As a result of a government's decision on or about August 1987, the Disputants integrated the Sugar Industry Labour Welfare Fund on 13th August 1987. Their main contention is that the Respondent should recognise their length of service with their respective former employers, i.e, the Community of Social Welfare and Community Centres as continuous and thus they would meet the requirement to be eligible for an additional increment. They each aver that a letter was issued to confirm that all employees along with the Disputants shall enjoy continuity of service for all intents and purposes.

They have each deponed with regard to their various averments.

The Respondent denied that the Disputants are eligible for such increment.

Mr Sanjay Gaoneadry, Human Resource Management Officer at Sugar Industry Labour Welfare Fund, explained on behalf of the Respondent, the reasoning for not granting the increment. He referred to paragraphs 1.33 (v) and (vii) of the Pay Research Bureau Report 2003 which provides:-

> *(v) ''Officers reckoning 25 years' service in a single grade, and who have been drawing the top salary of their scale prior to this Report, should be granted the converted salary corresponding to an additional increment to be read from their scale or the master salary scale with effect from 1 July 2003''.*
>
> .....
>
> *(vii) '' Officers mentioned at paragraphs 1.33 (v) and (vi) above would be eligible, subject to satisfactory performance, to move one additional point to be read from the master salary scale once every two years, subject to a maximum of two increments. The first increment under this provision would be due only after an officer has stagnated on the top of his salary for two years as from 1 July 2003''.*

According to the witness, the Disputants would only be entitled to the increment had they been confirmed in an approved service that fall within the ambit of the Pay Research Bureau Report.

After considering the testimonial and documentary evidence adduced the Tribunal finds that:-

- the recommendation of the Pay Research Bureau Report 2003 does not confirm an automatic right to additional increment to a worker claiming to be so entitled. The worker must satisfy the requirements set out therein and in particular that he has been in the service for 25 years in a single grade and has been drawing the top salary scale.

In the course of their depositions the three Disputants have attempted to show that they carried out the same work, i.e, in their own interpretation allegedly holding the same single grade. Whilst the description and implication of their work task with the Sugar Industry Labour Welfare Fund can be confirmed, the Respondent has been unable to answer the period when the Disputants were in the former employment of the Social Welfare Centre. The document produced namely the National Pension Scheme account in an attempt to prove that they were always being paid by the Sugar Industry Labour Welfare Fund despite being in the former employment of the Community Social Welfare Centre, shows the name of their employer until August 1987 to be their respective Social Welfare Centres. A plausible explanation was given by the witness Mr Gaoneadry for the Respondent. He referred to minutes of proceedings of a meeting held on the 14th of August 1987 chaired by a Permanent Secretary with regard to the implementation of the Government's decision for the Sugar Industry Labour Welfare Fund to henceforth be the employer of the staff of the Committee of Social Welfare Centre and which reads:-

> *"The Chairman explained that following a government's decision, the Ministry would no longer make any grant for payment of salaries to employees of the 13 Government Social Welfare Centres. As the Sugar*

Industry Labour Welfare Fund would henceforth be the sole employer, he requested that provision be made for the creation of an item ''grant to S.I.L.W.F'' in the next budget''.

This supports the contention that whilst the Disputants were under the employment of the Community Social Welfare and Community Centres, they were at all times being paid by the relevant Ministry and not by the Respondent, i.e, the Sugar Industry Labour Welfare Fund.

- regarding the requirement of 25 years to be counted continuously from any previous employment of the Disputants, this should be confirmed employment of any department which falls under the purview of the Pay Research Bureau Report 2003 whereas Section (v) (1) (A) of the Government Social Welfare Centres Act (Act No 67 of 1961) provides:-

''Officers and servants so employed under Section (1) (B) shall be under the administrative control of the Committee and shall not be deemed to be government servants''.

Although there was an agreement between the Union and the Sugar Industry Labour Welfare Fund regarding the length of service of the employees being counted as continuous service for all intents and purposes, the time spent at the Social Welfare Centre cannot therefore be taken into account. Instead and as explained by the witness Mr Gaoneadry, the provision of continuity of service was taken care of by paying the Disputants a severance allowance for the period that

they were employed with their respective Social Welfare Centres, computed at their terminal salary.

- regardless of the issue of eligibility to the additional increment prayed for under the Pay Research Bureau Report 2003, we find it difficult for any calculation to be effected with certainty as the dates of confirmation of the Disputants as workers of their respective Social Welfare Centres appear to be inaccurate and therefore unreliable. It cannot be overstated that the question of eligibility of the Disputants to the additional increment is directly linked to the date of confirmation. Whilst it is not disputed that the Disputants were formerly employed with the Community of Social Welfare and Community Centres and as from the 13th of August 1987 with the Sugar Industry Labour Welfare Fund, we find that the Disputants have not successfully adduced sufficient evidence to show the exact date of employment with their respective Social Welfare Centres. What has been adduced were letters of initial appointment *''on a temporary basis on a period of 3 months''* and *''on a trial basis for 3 months''* respectively with their own Social Welfare Centres, although Mrs Rago put no such document forward. The latter only adduced receipts from the Social Welfare Centre and the contents of which fall short of establishing the confirmation date in her employment. It would be precarious for the Tribunal to venture and conclude on the exact date of confirmation in the circumstances.

INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF BANK OF BARODA – MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

This report is made solely to the members of **Bank of Baroda – Mauritius Branches (Including Offshore Banking Unit)** (the "Bank"), as a body, in accordance with Section 205 of the Companies Act 2001. Our audit work has been undertaken so that we might state to the Bank's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank and the Bank's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the audit of the Financial Statements

Opinion

We have audited the financial statements of **Bank of Baroda – Mauritius Branches (Including Offshore Banking Unit)** (the "Bank"), on pages 35 to 79 which comprise the statement of financial position as at 31 March 2017, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements on pages 35 to 79 give a true and fair view of the financial position of the Bank as at 31 March 2017, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the Mauritius Companies Act 2001 applicable to banks and the Financial Reporting Act 2004.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Mauritius, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITORS' REPORT (continued)
TO THE MEMBERS OF BANK OF BARODA – MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

Bank Managers responsibility for the Financial Statements

The Bank Managers are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Companies Act 2001, the Banking Act 2004 and the Financial Reporting Act 2004. They are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Bank Managers are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Bank Managers either intend to liquidate the Bank or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Bank Managers.

Accountants and Business Advisers

INDEPENDENT AUDITORS' REPORT (continued)
TO THE MEMBERS OF BANK OF BARODA – MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)
As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Conclude on the appropriateness of Bank Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Mauritius Companies Act

We have no relationship with or interest in the Bank or any of its subsidiaries, other than our capacity as auditors and arm's length dealings in the ordinary course of business.

We have obtained all the information and explanations that we have required.

In our opinion, proper accounting records have been kept by the Bank as far as it appears from our examination of those records.
