Dated this 4th day of January, 2016.

G. DURANTE (Mrs)
Administration Manager

GENERAL NOTICE NO. 28

ELECTRICITY SUPPLY CORPORATION OF MALAWI LIMITED

ELECTRICITY ACT NO. 22 OF 2004

Notification of intention to Erect Power Transmission Lines (Nkhoma-Bunda Turn-Off)

In Accordance with section 39 of the Electricity Act, No 22 of 2004, notice is hereby given that Electricity Supply Corporation of Malawi Limited (hereinafter called "the Corporation") intends to erect an overhead power transmission line (hereinafter called "the Line") from new Nkhoma Substation to Bunda Turn-off in Lilongwe.

- Particulars of the line are as follows—

Length	: 30.2km
Wayleave width	: 30 metres (15m either side)
Voltage	: 132 000 Volts

Description

The line shall be of single circuit horizontal construction of three phase wire from Nkhoma Substation to Bunda Turn-off Substation. Type of conductor used shall be stranded Parakeet (ACSR) conductor housing a nominal cross section area of 282 square millimeters. The type of earth wire will be a 48 core optic fibre ground wire (OPGW). The line will be constructed on steel lattice towers.

- The proposed line route shall be as follows—

The power line starts from Nkhoma Substation in T/A Mazengela's area at Bango village going southwards into Khongo, Nkompha, Soopa, Namunje, Matapala, Kaphala villages where it crosses Nathenje River and goes into T/A Chadza's area at Mwinimudzi, Mweche and Kanduna I villages. It proceeds to the north of Nsanjiko Hill passing through Mpalata and Chaponda villages where it crosses Nanjiri and Kachewele Rivers going into T/A Tsabango's area at Mitanda, Chiwoza, Chikungu villages. The line makes a 110 degree angle moving westwards to the south of Msambachikho Primary School where it crosses the Blantyre-Lilongwe M1 Road and lands into Bunda Turn-off at Mkwata village.

Any owner, lessee, or occupier over whose land the intended transmission lines passes, is informed that plans for construction are available for inspection at the Corporation's Office at Umoyo House in Blantyre and Magetsi House in Lilongwe. Route plans can also be inspected at Millennium Challenge Account-Malawi Offices at Pamodzi House in Lilongwe and Lilongwe District Council Office at any time during normal business days (Monday to Friday) from 07.30 am to 5.00 pm.

Notice is further given that objections by any owner, lessee or occupier of land affected by the intended transmission line must be served on the Corporation in writing within 30 days from the date hereof at the offices of the Corporation.

Dated this 29th day of January, 2016.

EVERSON B. SITOLO
Director of Corporate Services and Company Secretary
Electricity Supply Corporation of Malawi Limited
