GOVERNMENT NOTICE

No. 114 Animal Diseases and Parasites Act: 1956 Amendment of the Animal Diseases and Parasites Standing Regulations

Government Notice

**MINISTRY OF AGRICULTURE, WATER
AND RURAL DEVELOPMENT**

No. 114

1995

**ANIMAL DISEASES AND PARASITES ACT: 1956
AMENDMENT OF THE ANIMAL DISEASES AND
PARASITES STANDING REGULATIONS**

The Minister of Agriculture, Water and Rural Development has under section 27 of the Animal Diseases and Parasites Act, 1956 (Act 13 of 1956), made the regulations set out in the Schedule.

SCHEDULE

1. In these regulations "the Regulations" means the Animal Diseases and Parasites Standing Regulations promulgated by Government Notice R.1531 of 4 October 1963, as amended by Government Notices R.428 of 26 March 1965, R.1688 of 29 October 1965, R.957 of 24 June 1966, R.702 of 26 April 1968, R.1116 of 28 June 1968, R.55 of 17 January 1969, R.947 of 13 June 1969, R.1924 of 25 October 1974, R.1389 of 25 July 1975, R.2028 of 14 September 1979, R.1684 of 15 August 1980, AG.90 of 14 June 1982, AG.179 of 15 December 1982, 1 February 1986 and 15 September 1987.
2. The Regulations is hereby amended by the addition to Part VI of the following regulations:

"Permit Required to Vaccinate Birds

31. (1) Any person wishing to obtain any vaccine registered under the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947) of Remedies and Stock Remedies Act, 1947 (Act 36 of 1947) or the Medicines and Related Substances Control Act, 1965 (Act 101 of 1965) for use against Newcastle disease and Avian Influenza shall apply in the form prescribed by Annexure J to the Director of Veterinary Services for a clearance permit to obtain the required vaccines.

(2) The Director of Veterinary Services may on an application made under subregulation (1) issue a clearance permit in which he or she approves such types of vaccines and number of doses of any such vaccine as he or she may determine.

(3) No supplier of the vaccines referred to in subregulation (1) shall supply any such vaccine to any person unless such person produces to such supplier a clearance permit referred to in subregulation (2).

(4) A supplier of the vaccines referred to in subregulation (1) shall, upon the supply of any such vaccine to another person, record the particulars set out in the clearance permit in question in a register to be kept by such supplier for such purpose.

(5) A register referred to in subregulation (5) shall at all times lie open to inspection by a state veterinarian.

Restriction on Moving Ostriches

32. No ostrich shall be moved from one farm or premises to another farm or premises unless a permit authorizing such movement has been issued by a state veterinarian.

3. The following Annexure is hereby substituted for Annexure D of the Regulations:

"ANNEXURE D

Diseases to which the provisions of Regulations 1, 2, 3(2) and 2(3), 14, 15, 16(2)(d) and 28(1) of Part VI shall apply and the animals susceptible to such diseases.

4. The following Annexure is hereby substituted for Annexure E of the Regulations:

"ANNEXURE E

Diseases to which the provisions of Regulations 3(1), 11, 13 and 16(1) of Part VI shall apply.

DISEASE

African swine fever
 Anthrax
 Aujesky's disease
 Avian influenza (Fowl plague)
 Contagious equine metritis
 Corridor of buffalo disease
 Foot and mouth disease
 Glanders (Farcy)
 Hog cholera
 Newcastle disease
 Psittacosis (Ornithosis)
 Rabies
 Rinderpest
 Sheep scab (*Psoroptes ovis*)
 Swine vesicular disease

5. The following Annexure is hereby substituted for Annexure F of the Regulations:

"ANNEXURE F

Diseases to which the provisions of Regulations 10 and 12 of Part VI shall apply and the animals susceptible to such diseases.

DISEASE	ANIMALS SUSCEPTIBLE
African swine fever	Pigs, wild pigs, warthogs and bushpigs
Anthrax	Cattle, sheep, goats, pigs, horses, mules, donkeys, game and ostriches

Aujesky's disease	Pigs
Avian influenza (Fowl plague)	Poultry and birds, including ostriches
Brucellosis	Cattle, sheep, goats, pigs and dogs
Contagious bovine pleuropneumonia	Cattle, buffalo and water buffalo
Contagious equine metritis	Horses, mules, donkeys and zebras
Corridor of buffalo disease	Cattle and buffalo
Dourine	Horses, mules, donkeys and zebras
Equine infectious anaemia	Horses, mules, donkeys and zebras
Foot and mouth disease	Cattle, sheep, goats, pigs, other cloven-hoofed animals and elephants
Glanders (Farcy)	Horses, mules, donkeys and zebras
Hog cholera	Pigs, wild pigs, warthogs and bushpigs
Johne's Disease	Cattle and sheep
Mange (Psoroptes)	Cattle and goats
Nagana	Cattle, pigs, dogs, horses, mules and donkeys
Newcastle disease	Poultry and birds, including ostriches
Psittacosis (Ornithosis)	Poultry and birds
Rabies	Dogs, cats, wild carnivores, cattle, sheep, goats, pigs, horses, mules and donkeys
Rinderpest	Cattle and other cloven-hoofed animals
Salmonella enteriditis	All fowls, including poultry, and ostriches
Scrapie	Sheep and goats
Sheep scab (Psoroptes ovis)	Sheep and goats
Swine vesicular disease	Pigs
Tuberculosis	Cattle, pigs and fowls".

6. The following Annexures are hereby inserted after Annexure H of the Regulations:

“ANNEXURE I

Diseases to which the provisions of Regulations 1 and 2 of Part VI shall apply and the animals susceptible to such diseases.

DISEASE	ANIMALS SUSCEPTIBLE
African horsesickness	Horses, mules, donkeys, zebras
Bluetongue	Sheep, cattle and all other ruminant species
Lumpy skin	Cattle
Foreign animal diseases not previously reported in Namibia	All animals

ANNEXURE J

Application for clearance permit to obtain vaccine against Newcastle Disease and Avian Influenza.

Name of applicant: Date:

Address:

Telephone number:

Type of vaccine required: No. of doses:

Premises where birds are kept:

No. and species of birds for which vaccine required:

.....
Signature

Clearance permit to obtain vaccine against Newcastle Disease and/or Avian Influenza

Name and address for applicant:

Type of vaccine & number of doses approved:

Address of premises where birds to be vaccinated are held:

Date of issue:

.....
Director of Veterinary Services

Official stamp:

Register of Newcastle Disease/Avian Influenza vaccines supplied:

Name and address of supplier:

Name of vaccine:

Opening stock & name of new stocks (when applicable)	Amount issued (ie. no. of doses supplied)	Balance of stocks	Name and address of buyer	No. and species of birds to be vaccinated	Date & no. of clearance permit	Premises where use is intended
