SCHEDULE**DESCRIPTION OF GEOGRAPHICAL BOUNDARIES OF KAPINGA KAMWALYE
CONSERVANCY, KAVANGO EAST REGION**

The Kapinga kaMwalye Conservancy is situated in the Shambyu tribal district and falls into the two political constituencies of Mashare and Rundu Rural in the Kavango East Region. The communal conservancy covers an area of 1301 km² and is situated approximately 20 km east of Rundu. The conservancy is reached by national road B8 travelling from Rundu in an eastwards direction towards Divundu. The national road B8 and the Okavango River form the northern boundary of the conservancy while the Shambyu farms make up its southern most boundary. A cutline forms most of the eastern boundary of the conservancy while district road D3448, the boundary of Likwaterera Community Forest, the boundary of the Shambyu farms and a cutline form the westernmost boundary of the conservancy.

Point A marks the beginning of the north-western corner of the conservancy and is situated on the southern side of national road B8. From Point A the northern boundary of the conservancy is running in an eastward direction along the southern side of national road B8 to Point B and subsequently to Point C. From Point C the boundary turns into a north-westerly direction until reaching Point D, following a dirt road leading towards the Okavango River. From Point D, situated at the bank of the Okavango River, the boundary continues in an easterly direction, following the right bank of the Okavango River, until reaching Point E north-west of Rundjarara village. From Point E the boundary is turning towards the south until Point F, which is situated on the northern side of district road D3402. From Point F the boundary is running in a southern direction and following a cutline, until reaching Point G, which is situated on the southern side of national road B8. From Point G, the boundary is running further south, following the cutline up to Point H, which is situated on district road D3447 and west of Shinunga Village, marking the end of the cutline. From Point H the boundary is running in a south-westward direction to Point J, and then further south-west to Point K, situated east of Baramasoni village, and to Point L. Point L is situated on the northern boundary of a block of farms, which are proposed to be proclaimed as small scale commercial farms and are situated north of the Shanbyu Block B small scale commercial farms. From Point L, situated on the northern boundary of the proposed farm Hashakeho, the boundary follows the northern boundary of the proposed farms in a westerly direction to Point M, which marks the north-eastern corner of proposed farm Shingomba, then to point N, marking the north-eastern corner of proposed farm Upeme Wandjimi, and further to point O on the northern boundary of proposed farm Upeme Wandjimi. From Point O the boundary is turning into a south-westerly direction to Point P and Q and then further south-east to Point R, following the western boundary of the proposed farm Upeme Wandjimi. From Point R, which marks the northern corner of Farm Mbura Hauwa No. 1587, the boundary runs westwards to Point S, which marks the north-western corner of Farm Mbura Hauwa No. 1587, and then runs further south-east to Point T, which is the south-western and north-western corner of Farm Mbura Hauwa No. 1587 and Farm Sadwere Mbamba No. 1579 respectively. From Point T the boundary is running along the western boundary of Farm Sadwere Mbamba No. 1579 in a south-eastwards direction to Point U and then in a south-westward direction to Point V, which marks the most western corner of Farm Sadwere Mbamba No. 1579. From Point V the boundary follows the northern and western boundary of unregistered farm Maporeya, running from Point V to Point W in a south-westerly and then to Point X in a north-westerly direction. Then the boundary is running south to Point Y, then south-west to Point Z, situated at Maporeya Village. From Point Z the boundary follows district road D3447 in a westerly direction to Point a, which is the turn-off to district road D3424 at Mpumalanga Village. From Point a, the boundary runs north along road D3424 to Point b, which is situated on the southern boundary of Farm Shaiwe No. 1584. Then the boundary is turning east following the southern boundary of Farm Shaiwe No. 1584 to Point c, which is the south-eastern corner of Farm Shaiwe No. 1584, then following the southern border of Farm Kwantjuvir No. 1583 until Point d, which is the south-eastern corner of Farm Kwantjuvir No. 1583. Then turning north following the eastern border of Farm Kwantjuvir No. 1583 until Point e, which is marking the north-eastern corner of Farm Kwantjuvir No. 1583. Then turning west, following the northern boundary of

Farm Kwantjuvir No. 1583 until Point f, marking the north-western corner of Farm Kwantjuvir No. 1583. Then further westwards, following the northern boundary of Farm Shaiwe No. 1584 and Farm Shavingingu No. 1585, until Point g, which is situated on the northern border of Farm Shavingingu No. 1585 and marking the south-eastern boundary of Likwaterera Community Forest. From Point m the boundary runs in a northerly direction along the eastern border of Likwaterera Community Forest and along district road D3424, passing through Points h, i and j until reaching Point k at Shiwandamo village. From Point k the boundary is running in a northerly direction along the border of Likwaterera Community Forest until Point m, marking the north-eastern corner of Likwaterera Community Forest at Goñwa village. Then further turning west along the northern border of Likwaterera Community Forest until Point n, from which the boundary is turning northwards and running along a cutline through Point o until back to the beginning Point A.
