REZONING OF ERF 571, PIONIERSPARK FROM 'RESIDENTIAL' WITH A DENSITY OF
1 DWELLING PER 900M² TO 'INSTITUTIONAL'

Take notice that **Du Toit Town Planning Consultants**, are applying on behalf of the owners of Erven 570 and 571, Pionierspark, The Apostolic Faith Mission Windhoek Emmanuel Assembly, in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), to the City of Windhoek and the Urban and Regional Planning Board for the:

- **Rezoning of Erf 571, Pionierspark from 'residential' with a density of 1 dwelling per 900m² to 'institutional'.**
- **Consolidation of Erven 570 and 571, Pionierspark into Erf X.**
- **Consent to use Erf X, Pionierspark in accordance with the new zoning while the rezoning is formally being completed.**

Erven 570 and 571 are located adjacent to each other along Tunschel and Aschenborn Street, Pionierspark. Erf 570 is zoned 'institutional' and is 4735m² in extent. Erf 571 is zoned 'residential' with a density of 1:900m² and is 1664m² in extent. Erf 570 accommodates the Emmanuel Church, while Erf 571 has a residential dwelling on it which is used for residential purposes.

The Emmanuel Church have been operating on Erf 570, Pionierspark since 1993. The erf accommodates the main church building and classrooms with the supporting offices and parking areas. The Church acquired Erf 571, Pionierspark in 2010 and has used it for residential purposes to date. Due to socioeconomic changes in the community served by the church more services are now provided through outreach programs and food aid distribution which resulted in the need to create more space to accommodate these activities. The Church thus decided to consolidate the Erven 570 and 571, Pionierspark to create more space to accommodate these supporting activities. For this, Erf 571 needs to be rezoned to 'institutional'.

Once rezoned, the two erven will be consolidated into Erf X (±6399m²) to enable practical building design and more efficient usage of the property. As a result, the consolidated Erf X will consist of several different buildings with different but supporting uses i.e., church, classrooms, administration building, distribution center, community hall and fellowship area.

The intended application is also in line with the Windhoek Structure plan and sufficient parking will be provided for as per the City of Windhoek requirements.

Further take notice that the locality plan of the site lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Further take notice that any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council of Windhoek and the applicant within 14 days of the publication of this notice (final date for objections is **15 April 2022**).
