TELEGRAPHS ACT (CAP. 195)
Telegraphs (Protection) Regulations, 1965
Commencement : 28th January, 1965

In exercise of the powers conferred by section 23 of the Telegraphs Act, and of all other powers enabling him in that behalf, the President has made the following Regulations.

1. The Regulations may be cited as the Telegraphs (Protection) Regulations, 1965 and shall apply throughout the Federation.

2. In these Regulations:

“Director” means the Director of Posts and Telegraphs; “applicant” means any person intending to execute any work likely to affect any telegraph lines.

3. If any person intends to execute any work which may affect any telegraph line, such person shall—

(a) 28 days before he commences such work notify the Director in writing of his intention to execute such work;

(b) state in such notice the date on which he intends to commence the work and the place at which the work is to be done;

(c) attach to such notice a plan showing the work he intends to do and the relative position of the work to the telegraph line that may be affected.

4. On the receipt of such notice if the Director thinks—

(a) that no telegraph line will be affected by the work, he shall notify the applicant and require him to proceed with the work;

(b) that any telegraph line will be affected he shall so notify the applicant and require to comply with specified instructions he may consider necessary for the protection of the telegraph line. Provided that if the compliance with such instructions will involve any expenditure on the part of the
Director in order to enable the applicant to carry out the work, such amount shall be demanded from the applicant and no work shall be commenced until the specified instructions are carried out or the amount involved paid by the applicant to the Director.

5. If any person—

(a) fails to serve on the Director such notice as is required under these regulations with respect to any works; or
(b) begins to do the work specified in the notice served without the sanction in writing of the Director; or
(c) fails to comply with the reasonable requirements of the Director with respect to such work; he shall be liable to a fine not exceeding £10 for every day during which such work proceeds or during which he fails to comply with the reasonable requirements of the Director, or if telegraph communications is interrupted a fine not exceeding £50 for every day on which such interruption continues.

Dated this 29th day of December, 1964.
