**Section 69(2) of the Income Tax Order.**

2. Section 69 (2) of the Order provides as follows -

"2. (a) Notwithstanding any other provisions of this Order, where the Minister is satisfied that a new business is beneficial to the development of the economy, he may, with the prior consent of Cabinet, nominate such business as a development enterprise, and he may issue an order, known as "development approval order" in respect of such business, granting additional tax concessions to such business;

(b) (i) Any person seeking tax concession under this subsection shall, prior to the commencement of business, apply to the Minister in a manner prescribed by him;

(ii) The Minister may, upon examination of such application, grant or refuse to grant, in writing a tax concession for the purpose of this sub-section;

(iii) The Minister's decision under paragraph (ii) shall be final.

(c) A development approval order may be issued subject to such conditions, and for such period of time, as the Minister deems fit;

(d) The Minister shall, within twenty-one days of the issue of a development order under paragraph (a), cause to be published, by notice in the Gazette the name and address of the business nominated as a development enterprise under paragraph (a);

(e) The Minister may, at any time, with the concurrence of Cabinet, amend or revoke a development approval order issued in terms of the subsection;

Provided that where the Minister has cause to revoke a development approved order, he shall, within a period of twenty-one days, cause such revocation to be published, by notice, in the Gazette;

(f) Paragraphs (a) to (e) are deemed to have come into effect from 1st July, 1984.

*Implementation, application and determination.*

3. For the purposes of conferring the provisions of Section 69(2) the Minister informs members of the public so interested that the Cabinet has approved the implementation of section 69(2) of the Order and the application of the following guidelines and conditions -

- (a) a tax concession granted by means of a Development Approval Order shall be granted for-
  - (i) a period of ten (10) years; and
  - (ii) a tax concession on corporate tax at the maximum rate of 10%; and
  - (iii) an exemption from withholding tax on dividends during the ten (10) year period specified under subparagraph (i);

  - (ii) the company shall have been promoted by reputable promoters with demonstrable successful track record;
- (c) the Development Approval Orders or the tax concessions so contained in a Development Approval Order shall only be available, subject to the fact or decision that the grant of the tax concessions or Development Approval Order may not unfairly discriminate against existing competing enterprises or business, to enterprises or businesses as defined in paragraph (g);
- (d) in addition to paragraph (c), "expansions of existing enterprises" shall be eligible for consideration and grant of a Development Approval Order, subject to the same provisions of paragraph (c) and provided that such expansions are implemented as stand-alone, independently incorporated businesses or companies;
- (e) qualifying investments for consideration and grant shall yield a ten percent (10%) minimum economic rate of return (ERR) which shall be evaluated by the committee mentioned under section 3 (1) on the basis of the economic analysis of the applicant's project proposal;
- (f) an applicant for consideration and grant of a Development Approval Order shall submit detailed project proposals in a prescribed format or on a prescribed form whose contents shall form the basis for determination of the projects' E.R.R. and, where the Development Approval Order is granted, it shall be used for subsequent evaluation of the projects' compliance with the conditions attaching to the grant and in default of which the Minister shall invoke the provisions of section 69(2)(e) of the Income Tax Order.
- (g) for purposes of paragraph (c)-

"existing competing enterprises" means those business enterprises, which are currently supplying the domestic market with goods, or services which are similar in all material respects to those proposed by the applicant for tax concessions by means of a Development Approval Order".

3. (1) An applicant for a Development Approval Order shall make an application to the Minister for Finance in terms of this Notice or the Income Tax Order who shall refer such application to a professional committee comprising of officials from the Ministry of Finance, the Ministry of Enterprise and Employment and the Swaziland Investment Promotion Authority (SIPA) to assist the Minister in evaluating the application in accordance with the set criteria, rules or guidance principles taking into account the purposes of section 69(2).

(2) The committee referred to in this section shall, after evaluating the application, make appropriate recommendations to the Minister for the Minister's final determination and action in terms of section 69(2) of the Income Tax Order.

(3) The Minister shall not issue any grant or confer any tax concessions to an applicant of a Development Approval Order or nominate a business as a development enterprise unless the Minister has first obtained the approval of the Cabinet so to do.

*Conditions to be stipulated in a grant.*

4. The following conditions shall be stipulated in a Development Approval Order in terms of section 69 (2) (c) -

- (ii) that the business shall strictly comply with all its tax obligations under the Income Tax Order;
- (iii) that the business shall not breach any conditions specified in the order, and
- (iv) that the business to which a Development Approval Order relates shall be entitled to the relief specified in the order if the Commissioner is satisfied that the development to which the order relates is or has been carried out.

*Revocation of grant.*

5. (1) The Minister may, at any time with the concurrence of the Cabinet, amend or revoke a Development Approval Order issued under section 69 (2) of the Income Tax Order in the event any one or all of the following events occur -
