GOVERNMENT GAZETTE
Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the Gazette; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.

c) whether (on the basis of previous policy directives issued by the Minister that are known to the committee) granting the application would be contrary to the interests of defence, public safety, public order, public morality, public health, regional or town planning or the general public interest.

Procedure after consideration of application

(2) In considering a recommendation of the committee, the Minister shall invite the Land Commission to make representations, if any, on the recommendation within a period (not being less than seven days) specified by the Minister.

(3) The Minister may reject any application on the basis that granting it would be contrary to the interests of defence, public safety, public order, public morality, public health, regional or town planning or the general public interest.

(4) The Minister shall notify every applicant in writing of the outcome of his or her application and, where the application is rejected, the reasons for the rejection.
(5) The Minister’s decision upon an application shall be final.

(6) If the Minister accepts a recommendation to alienate any piece of acquired agricultural land, the Minister shall direct the Director of the Department of Land or the Legal Advisor to inform the applicant in writing accordingly.

\textit{Effect of alienation}

9. (1) Alienation of a piece of acquired agricultural land comprising a farm to a qualifying applicant in terms of these regulations shall be a final settlement of any claims that the applicant may have from the State in respect of compensation.

(2) Alienation of a piece of acquired agricultural land comprising only part of a farm to a qualifying applicant in terms of these regulations shall be a final settlement of any claim for compensation to the extent that the application is successful.
