MINISTRY OF HEALTH AND CHILD CARE

Call for Expression of Interest

THE Ministry of Health and Child Care Request for Expressions of Interest to Implement Global Fund Supported Programmes under the Malaria Grant as Sub-recipients, Grant 2021-2023 (NFM3)

Tender number

MOHCC-PCU-CEI-022/2020. Implementation of Malaria Grant as Sub-recipients, Grant 2021-2023 (NFM3). Closing date and time: 26th October, 2020, at 1000 hours.

1. Background

The Global Fund to Fight AIDS, Tuberculosis and Malaria (the ‘Global Fund’) was created in 2002 as a Public Private Partnership to mobilise additional funds to those countries that can make a difference in the fight against HIV and AIDS, Tuberculosis and Malaria.

The Government of Zimbabwe through the Ministry of Health aims to strengthen the health system through retention of health care workers, strengthening community health systems and scaling up programs for AIDS, TB and Malaria. Zimbabwe has contributed a total of US$3,11 million to the Global Fund to date. Zimbabwe is both a donor to the Global Fund and an implementer of Global Fund-supported programs.

To date, the Global Fund has approved over US$1.2 billion to support interventions against the three diseases and health systems strengthening (HSS) in Zimbabwe based on proposals submitted by the Zimbabwe Country Coordinating Mechanism (CCM). The CCM is a country-level partnership that develops and submits Concept Notes (grant proposals) to the Global Fund based on national priority needs; oversees and monitors grant implementation and coordinates all Global Fund supported activities in Zimbabwe. In 2020 the Global Fund approved a new Funding request for the Malaria grant with the Ministry of Health and Child Care as the Principal Recipient.

2. Grant Implementation Structures for Global Fund Supported Programmes

The GF is a financing institution, not an Implementing entity and provides performance-based grant funding to country-level recipients called Principal Recipients (PR). The PR is the local entity nominated by the CCM and approved by the GF to be legally responsible for grant proceeds implementation of program activities. In order to implement the programme, the PR enters into grant agreement with Sub-Recipients (SR).

The SR may further enter into grant agreements with Sub-Sub-Recipients (SSR) to implement programme activities. The SR can be (i) Government institutions; (ii) non-governmental organisations; (iii) community based organisations; (iv) faith based organisations; and (v) private sector organisations.

3. Call for Expression of Interest

In the spirit of country ownership, transparency and partnership through broad stakeholder involvement, the Ministry on behalf of the CCM hereby calls for expression of interest for organisations to be considered as Sub-recipients to implement the Zimbabwe Global Fund New Funding Request for 2021-2023.

Please carefully read the Proposal guidelines below:

3.1 Call for Potential Sub-Recipients (SRs)

SRs are responsible for implementation of programme activities at sub-national levels in the country. Such organisations may directly implement activities or work through other implementing partners called SSRs. For example an international or national NGO may directly implement or work with community based organisations. Any organisation in Zimbabwe involved in programme implementation in (1) Malaria, (2) Health System Strengthening or (3) Community Systems Strengthening components) is encouraged to submit an expression of interest to be considered as SR of GF grants under PR for Malaria. The proposed component and disease focus areas in Section 4 below were agreed upon by the CCM following a consultative review of national priorities and programme gap analysis and applicants may apply for more than one component separately. The potential SR should demonstrate competencies and experience in programme implementation, financial accountability and monitoring and evaluation.

4.0 The main areas of responsibility will focus on the following two thematic areas:

1. Distribution of Long Lasting Insecticide Nets (LLINs) and

5.0 The regions of focus are as follows

Region 1: Mashonaland Central, East and Manicaland provinces.

Region 2: Mashonaland West, Matabeleland North and South, Masvingo and Midlands.

6.0 The sr(s) should have the capacity to:

1. Conduct community sensitisation activities for beneficiaries and stakeholders regarding malaria prevention, control and elimination (indoor residual spraying, use of mosquito-nets, larviciding, prevention of malaria in pregnancy, malaria case management and malaria elimination in general).
2. Conduct household registration for LLINs beneficiaries to identify needs.
3. Conduct mass LLINs distribution campaigns in targeted areas.
4. Facilitate continuous net distribution of LLINs in the targeted areas using the various channels that includes EPI, ANC and community outlets.
5. Conduct net utilisation and care campaigns in the targeted areas.
6. Track and report implementation progress and coverage timely.
7. Receive and manage grant funds in line with the Global Fund and MOHCC’s requirements.
9. Design, produce and distribute the relevant print and electronic Information, Education and Communication materials to enhance programme performance.
10. Work with community structures to build capacity and enhance community ownership of malaria programmes
11. Reach special, vulnerable and hard-to-reach population groups with relevant malaria messages and services.
12. Implement Global Fund and other international funded grants, and meet the relevant reporting requirements.

Interested organisations should be legally registered in Zimbabwe, and with demonstrated previous experience working with Government, communities and civil society in Zimbabwe. Shortlisted Sub-recipients will have their grant implementation capacities (Programme management, monitoring and evaluation, finance and others) assessed by the Principal Recipient.

Bids must be enclosed and in sealed envelopes and endorsed on the envelope(s) and quotation(s) with the advertised Tender Number, closing date, hand-delivered and deposited into the tender box (found at First Floor Reception, MOHCC, Kagvi Building) by 1000 hours on the closing date.

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General’s Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, “copy” means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.
   (2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.
   (3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.
   (2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader’s marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.
   (2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.
   (3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

4. (1) Any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, et cetera.
   (2) Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—
   (a) exceed 10 pages of double-spaced typing on size A4 paper; or
   (b) contain tabular or other matter which involves complicated setting; it will be classed as “lengthy” copy, and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.
   (2) Lengthy copy may be accepted at less than 21 days’ notice if—
   (a) the work involved is of a straightforward and non-tabular nature; and

   (b)
(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—
   (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
   (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".
   (2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—
   (a) the name and address of the advertiser; and
   (b) the debtor’s code number, if any; and
   (c) the required date or dates of publication.

10. If a typographical error occurs in the Gazette, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—
   (a) that such error is reported to the editor within three months from the date of publication; and
   (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
   (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—
   (a) a typographical error is made by a typographer;
   (b) a typist’s error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist’s work.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the Gazette; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.
